This weekend we head to Sydney for two full days of marketing at the Sydney Independent Schools Expo. Some of you may have seen the ads in the weekend papers promoting this event. The Expo will be held in the grounds of Sydney University.

It will be interesting to see what kind of a roll-up there is to this event and we have been given a “prime position” so that will be good! It has been a number of years since All Saints’ College has had a presence at this Expo, so we are looking forward to meeting some new families and spreading the word about what we have to offer at All Saints.

We have three other marketing events coming up in March. The first is our Information Night at West Wyalong, to be held on Tuesday 15 March at 7pm at the Cameo Inn Motel. Past and prospective families have been invited to attend and everyone is welcome. Please contact us for more information.

Our next marketing event is the Cowra Information Night which will be held on Wednesday 23 March, 7pm at The Mill in Cowra. Again we have sent invitations to past, present and prospective families - and we are looking forward to catching up with our Cowra families.

Our final event for March is the Open Day we are organising for Friday 25 March here at school. Tours will be held at 2pm and 4pm – with an afternoon tea in between. This event is being publicised around Bathurst, with flyers sent this week to our many prospects for next year. Please encourage your friends, family and neighbours to come and have a look around. Everyone is welcome.

Scholarship registrations are starting to be received - so a reminder that your forms and registrations need to be received by 8 April, to avoid ACER’s late fee. Please give us a call if you have any questions. There is still time to put your child’s name down and scholarships are offered for Years 5, 7, 9, 10 and 11 in 2012. Exams will be held on Saturday 14 May.

Transition applications for 2012 are being received, so please get those to us as soon as possible. This is particularly important for our existing families so we can give you priority. Interviews and tours will be held in April and May.

HAVE A GREAT WEEK EVERYONE!!
ASC Pythons
The Pythons played the Furious Five on Friday the 25th of February. The Pythons got an early goal in the first minute or so but then the Furious Five took off and scored 4 goals before the first subs were called. Phoebe Reynolds showed some great defensive skills and kept running up and down the court while Erinn Cobcroft stopped many players from the other team dribbling down the court. Ella Kovac showed some great dribbling skills and even showed a left handed dribble all the way down the court. Sophie Cant showed some great goals and also did a left handed dribble while Libby Cranpton defended well and used her height to her advantage which gave us the ball. Sophie Chirgwin ‘had her best game of the season so far’, said Coach Brian Cobcroft. The girls had a terrific game. The Pythons coach said the game was closer than the score indicated and we deserved more goals than what we got. Thank you to Catie Cranpton who has always been coming to our games even with her broken arm and still supporting the team. A special thank you to our coach Brian Cobcroft who coaches us and supports us each week, with an improvement in our skills which is obvious to all and sundry. 

The Flames
On 2 March, The Flames played basketball against The Hawks. The Flames got off to a great start shooting a number of baskets in the first half. The burning spirit of The Flames team was great with the help of Chris Lo who was extraordinary in defence against our opponents. Matthew Vance also came to our aid with some long shots and great passes. Kian Blackshaw was great running up the sidelines and scoring a number of baskets. Sam Rosen and Tim Jackman had a really good game along with Lachlan Cox, all three of those collecting the ball and keeping it from The Hawkes. The end score was 43-4 it was also great for Mrs Bird to lead us to victory.
