We are now full steam ahead in Kindergarten! It is hard to believe we are up to Week 5 already!

Thank you very much to all of those parents who were able to assist the home reading scheme, reading before school and changing readers for me last week. Your assistance is much appreciated.

It sounds as though the Kinder students had a wonderful play date at Jumbo’s over the weekend. What fun!

Prime News will be filming some footage in our classroom this Wednesday morning. So be sure to watch the News that night!

Anne Baskerville will be assisting in our classroom each Wednesday from this week. Thanks in advance for making her feel welcome.

I am pleased with how well all of the children are settling in to school so far. They are a delightful bunch. It is so lovely to see the children looking after each other.

This week we are focusing on making sure that children are avoiding rough play in the playground. If you could have a chat to your child about how important it is to play nicely with others I would be most grateful.

We will be swimming at 9.45am on Tuesday. Kay Nelson and I would really appreciate any parent helpers who are able to assist with this. Thanks very much.

I look forward to seeing you at the Picnic on Tuesday evening.

Have a great week.
