Dear Principal/Parent,

Re: NSW Parents’ Council parent survey

The NSW Parents Council is conducting a very important parent survey which will assist the Council advocate on parents behalf and shape both government and the Council’s policies and provide vital feedback to key educational decision makers both here in NSW and nationally.

Council continues to advocate on behalf of parents with children at non-government schools in regards to the Gonski Funding Review in to School Funding, the introduction of a National Curriculum, review of the Disability Standards for Education 2005, working towards a national definition of disability and rural and remote issues, to name a few and they want to ensure the Council are reflecting parent’s views.

Please visit the NSW Parents’ Council’s website and click on the ‘take the survey’ link on the front page. Please take the time to complete this important survey at www.parentscouncil.nsw.edu.au

Should you have any questions, please do not hesitate to contact the Council’s Executive Officer, Anne Crabb on 02 9955 8276 or 0438 558 276 or email eo@parentscouncil.nsw.edu.au

Thank you for taking the time to complete this important survey and the Council will continue to advocate on behalf of parents with children at non-government schools to ensure that parents remain the primary educators of their children and preserve parents’ right to send their children to the school of their choice.

Kind regards,

Stephen Grieve
