How to get to Central Coast Grammar School

1. Take F3 Freeway north and exit left at the Gosford exit (which is approx. 1.5km after you have driven over the Mooney Mooney Bridge).

2. Drive down Kariong Mountain through West Gosford and over Brian McGowan Bridge into Gosford. Then, at small roundabout at base of bridge, turn right along the water’s edge and continue along road following all signs that say to “The Entrance” for approx. 9 km.

3. After going through East Gosford and Erina you will approach a major intersection with traffic lights at the junction of The Entrance Road and Terrigal Drive. Proceed straight ahead at these traffic lights and stay on The Entrance Road for a further 1km. There is one more small roundabout at the corner of Carlton Road & The Entrance Road – continue up the hill and stay on The Entrance Road.

4. Turn left into Arundel Road and then sharp right or left into the carparks.
