2014 New Text Books/eBooks

Dear Students/Parents

The Senior School student text books and eBooks are sourced throughout Campion Education Australia. The Campion Education’s Resource Lists for 2014 are now available and can be completed online through the link on the All Saints’ College website. Please go to www.saints.nsw.edu.au and click on Textbooks on the homepage and follow the link to view the Campion website. Look for NSW/ACT - All Saints’ College Bathurst, get resource list, enter your School code “JA7M”, get resource list, select the Academic year and follow the prompts through the ordering process. Campion will take orders up until Friday, 6 December 2013 for home delivery before Term 1 commences. The parcels will be delivered the week ending 17 January 2014. Alternatively, you can go direct to the Campion website www.campion.com.au

When ordering online you will need to ensure you use the following Access Code: “JA7M”

Placing your order online by the due date is the best way to ensure students will receive all available items in time for Term 1.

All students are responsible for obtaining their own stationery requirements for their subjects. Some stationery requirements are also available on the booklist and can be purchased through Campion. On the reverse of this letter you will notice a breakdown of all general stationery requirements for students, that may be purchased from any stationery supplier; these will need to be labelled ready for the commencement of school.

If you wish to enquire about second hand text books our accounts department has a limited number of text books that may be purchased and you may contact Melissa Wilson on 02 6332 7307 or email Melissa on melissa.wilson@saints.nsw.edu.com to check the books she has available.

If you have any further queries, please do not hesitate to contact the Senior School Secretary Deanne Wade on 02 6332 7389 or email on deanne.wade@saints.nsw.edu.au

Yours sincerely

Mr Stewart Ross
Head of Senior School
