### **The first Scots All Saints College School Captains announced**

Scots All Saints College is pleased to announce the first Year 12 School Captains for 2019 who provide leadership to more than 750 students for the new Presbyterian Co-educational Day and Boarding College from Day 1.

Headmaster, Mr David Gates was delighted to officially welcome the new School Captains, Vice Captains and other Senior Prefect positions at the final Speech Day ceremonies held this week at The Scots School and All Saints' College.

“As we continue to make history, writing the record books with another first for our new College, I am pleased to introduce our new School Captains and Senior Leaders for Scots All Saints College 2019. These students will have a very important job to perform as role models for the First Families and Foundation Students from Day 1, Term 1, 2019.

“Our Senior Student Leaders will support teachers and staff to preserve the combined 200 year plus heritage and culture of our original schools and embark on a new journey as a new College of academic excellence, unrivalled space and specialist facilities,” Mr Gates said.

As a result of strong enrolments across Scots All Saints College since it's official launch in September 2018, additional classes have been introduced for Year 7, 8, 9, now with 4 class streams to provide even more opportunity for subject choice and development socially, physically and academically.

“We are very fortunate to have a dedicated team of experienced teachers who create inspired learning programs for our students and take the time to nurture every individual to fulfil their full potential. We are currently recruiting more dynamic teachers to join the team,” Mr Gates said.

Please join the College community to congratulate the following Senior Leaders for Scots All Saints College in 2019:

College Captains: Bradley Gardiner & Gabrielle Boshier  
College Vice-Captains: Timothy Powell & Kate Hodges  
Prefect Coordinators: Gordon Thompson & Rosemary Webb  
Day House Prefects: Andrew Knox & Isabella Siegert

The College Captains and Senior Prefects will work very closely with the other 12 Prefects and 10 House Captains to lead the new College in its inaugural year as they make their special mark on the new College.

Scots All Saints College is enrolling students from Pre-Kindergarten to Year 12 for 2019. Scholarship opportunities are now open for 2020. Please contact the College on 02 6331 3911 for applications or go online to [www.saints.nsw.edu.au/scholarshipsinfo](http://www.saints.nsw.edu.au/scholarshipsinfo)
