| Our maths program follows “Exploring Maths” by Bev Dunbar, Maths Matters 2001. It covers many topics including:  
• Graphs  
• Number 9  
• Space: Position  
• Exploring 0  
• Space 3D  
• Space 2D  
• Time  
• Number 10  
• Volume  
• Revision | The Jolly Phonics program by Sue Lloyd and Sara Wernham, Jolly Learning Ltd, covers:  
• z  
• w  
• ng & v  
• oo & oo  
• y & x  
• ch  
• sh  
• th & th  
• qu  
• ou | The children have the opportunity to develop their speaking, listening and questioning skills during “show and tell” time.  
Our Term 2 topics are:  
• Your holiday  
• Your family tree  
• Your favourite children’s book  
• Your favourite meal or recipe  
• A safe gadget from the kitchen  
• Your favourite animal  
• Appreciating nature  
• Correspondence to your house  
• Something living in your house or garden  
• A safe gadget from the garage. |
| **Creative Arts** | **Health and Personal Development** | **Health and Personal Development** |
| Our art and craft activities correlate with our phonics and maths programs. For instance, when we study “y” the children will collage yellow yachts.  
Whilst for Space 3D, the children will make a 3D object with playdough which will be digitally recorded.  
Our program gives children the opportunity to develop their fine motor skills and creativity through cutting, drawing, writing and painting. | Children are encouraged to bring healthy snacks and drinks to school and also spend much time playing outside.  
To further their education and experience of health and fitness the children take part in gymnastic lessons run by C.S.U students. | The “Healthy Little Ears” Program by Mid Western Area Health Service 1999, helps children learn to blow their nose effectively and prevent the possibility of infection or ‘glue ear’.  
The Healthy Living Program covers the following topics:  
Nutrition  
Exercise  
Hygiene and Road Safety |
