No doubt everyone has noticed the new Junior School sign on the wall of the Year 4 building, you can’t miss it. I am pleased with the finished product and it adds to the visual appeal of the school.

Tickets are on sale for the Junior School P & F Trivia Night on Saturday 15th June. Apparently it was a fun and enjoyable night last year and it provides a great opportunity for parents to meet each other. Please phone Leonie in the office to book a table.

Students in Years 3 and 5 have completed the National Assessment Program in Literacy and Numeracy examinations this week. These tests are a new initiative conducted by the National Education Department and all students in those year levels attending school in Australia have to participate in them. Congratulations to the following children who competed at the Bathurst Pony Club Gymkhana on Sunday 11th May. Amber Stockman was awarded Reserve Champion for the Under 9’s and Sara Faraway was awarded Champion Rider in the 9 and Under 11 age group. Well done girls for an outstanding effort.

Juvenile Diabetes
The month of May is Juvenile Diabetes month and as a school we are trying to raise money for this very worthy cause and hopefully help to find a cure for Type 1 Diabetes.

On the 22nd of May we will be holding a muffin day for the entire school. The students are being asked to come dressed as their favourite Jelly Baby colour and give a gold coin donation. We will also have a merchandise stall set up in both the Junior and Senior school at recess.

TRANSITION NEWS
This week we had a special Pentecost celebration in Chapel. The Year 6 students produced some colourful posters which reminded us of the Seven Gifts of the Holy Spirit, from Isaiah 11 - wisdom, understanding, counsel, inward strength, knowledge, true godliness and lastly, the fear, or awe of the Lord. Then we have the Fruits or results of God’s Holy Spirit living in us, from Galatians chapter 5, love, joy, peace, patience, kindness, goodness, humility, self control.

Next Wednesday - 21st - Years 3 to 6 will be visiting the Cathedral to see the bells, before they are hoisted to the newly built tower. Parents are also welcome to meet us there at 9:10 to tag along with the students. Happily working, Father Paul.
6 YEARS MUSTANGS
The Mustangs had a much improved performance this week. Matilda played in her first match of the season, and made a great debut. Having an additional player lifted the performance of the whole team. The Mustangs trailed on the scoreboard in the first half and then came out firing in the second half to level the scores by the end of the match. Alex led the scoring for the team, backed up by strong support play from Mitchell, Matilda, Lachlan and player of the match Andrew. Mr. R. Roach

7 YEARS BRONCOS
The Broncos played Bathurst United on Saturday and the match was a very even contest. The team was served well by Hannah and Lachlan in attack who formed an excellent partnership up front. Chelsea and Elysia provided great drive in the midfield whilst Simon and Tim gave strength to our team’s defence. All of the children played extremely well under their new coach, Mr Hines, who awarded a well deserved Player of the Week medal to Lachlan. Well done Broncos. Mr. P Cant

Last Saturday the Broncos played a stirring game against City Red Tops. For much of the first half the game was a tense nil-all until Red Tops scored a surprise goal which shocked the Broncos into a frenzy of attack. Chelsea and Hannah combined in a well-executed attack which resulted in a fine goal to equalise the score. Lachlan Buckley made some very strong attacking runs and his powerful kicking put us in a strong position on many occasions. Tim Jackman led the team from the front and provided excellent support throughout the game. Simon Pandoulis and Elysia Chua were steady in defence and kept Red Tops away from the goal. Final score was a 2 all draw and congratulations to Tim Jackman on winning the Medal of Honour for this week. Mark Hines

10 YEARS SOCCER
ASC U10’s took on a very young and enthusiastic MacQuarie team on Saturday and came away with a well earned 3-0 victory. Supported once again by an eager group of U9’s who capably filled in for missing players, the team dominated territory right from the opening but couldn’t turn that dominance into points. The break finally came when Mathew Jackman (our player of the week) took a long range shot and found the net. This sparked more confidence in the team, a keen midfield, of Christopher Lo, Sam Rosen, and Henry Marson worked tirelessly with Mathew to provide opportunities for wingers David Cant and Lachlan Wilkinson who both had strong games. The second half gave spectators more of the same. ASC’s very sound defence from Will Armstrong, Henry Morgan, Fletcher Begley, Roan Van Heekeren and Lachlan McAloney never really gave MacQuarie a chance but the ASC attack was relentless giving forwards, led by Cameron Redpath, more opportunities. Lachlan and Henry both turned those chances into goals to give ASC their 3-0 win. Lachlan W provided a memorable treat when he bamboozled at least 6 defenders and netted a long angled shot. Unfortunately he also bamboozled the match officials who disallowed the goal claiming he was offside! A great effort Lachlan – you certainly deserved the goal. Well done team on another great match. Mr. P Cant

The Brumbies played an enthusiastic match against Churches United Joeys on the weekend. Once again our team played with great determination with Ben scoring a couple of quick goals to get the opposition on the back foot. Angus scored a number of goals as well and also demonstrated great bravery after a ferocious tackle which knocked him to the ground. Nadia was much more involved this week and delighted the crowd with her first goal for the season, whilst James also scored his first goal with a carefully placed shot into the back of the net. It was a great team effort and the Player of the Match award was presented to Angus for his wonderful courage during the match.

The Colts had their best game of the season so far last weekend. All players had a fantastic first and second half. It was a very close match that was action packed. The final result was a draw which showed just how evenly we were matched with our opposition. Charlie Rumble was a very valuable team member and kicked a wonderful ball to start off the second half. Charles Crowley showed some wonderful skills in attack and Sam Nugent was a wonderful defender. Kian Blackshaw was not afraid to tackle the opposition and Bailey Jardine displayed some wonderful dribbling along the wing. Bryn O’Brien was outstanding and was player of the match this week. Well done to all players and we look forward to another great game this weekend.

9 YEARS SOCCER
The ASC U9 verses Oberon game began at a very fast pace with some good opening plays from Oberon giving backs David & Henry and Anna goals plenty of work to do. Despite an excellent clearing kick from David, Oberon kept up the pressure and scored the first goal. ASC came back with some good attacking plays from Cameron and Sam however a break from an Oberon forward left Anna one on one and despite a great effort she was unable to prevent a second goal from Oberon on the half time whistle. Coach Cant could have been mistaken for Wayne Bennett with his inspiring half time pep talk and ASC ran on with renewed vigour. Excellent defence from Henry and Jack and goal saving from Bud kept Oberon at bay. A display of fancy footwork and a breaking run from Victor put Cameron in position to finish off the play with a great shot from his right boot finding the back of the net. Sam picked a gap through tight Oberon defence and scored a goal which brought the score to 3-2, though another lucky goal from Oberon saw the gap widen to 4-2. In his debut match for the U9’s Victor scored for ASC to bring them to within 1 goal of Oberon. Though the final score was 5-3 ASC showed great sportsmanship and it is exciting to see their ball skills and teamwork develop each week. All in all, an exciting and enjoyable game for players and spectators alike. Riley and Anthony Stockman

Anaphylaxis is the most severe form of allergy and can be life threatening.  

1 in 20 children have an allergy that could be life threatening.

Being allergy aware means:

- **Awareness** - take severe food allergies seriously 
- **Avoidance** - allergen minimization is only one part of a multi pronged approach to allergy management
- **Action** - Be familiar with signs and symptoms of a severe allergic reaction. Know and use the correct response.

ASC Puppies

On Saturday ASC Puppies played the Calare Cubs. We had a fun game and Selina scored 2 goals. Everyone is playing well and we are having a great time. Thank you Mrs Darlington and Mrs Stockman for helping us. By Grace Brabham

ASC Netta Bunnies

A beautiful sunny morning saw the ASC Bunnies in a great frame of mind to play netball against the collegian Mermaids. Our attack team of Shanaya, Maddy, Ella K and Phoebe had the ball quickly in their goal circle which set the pattern for the majority of the game. The defense of Emma, Lucy and Hannah was so tight and impenetrable that the Collegians scoreless until the second half. Shanaya and Ella worked well together in the goal circle constantly ensuring they were in the best position to have a shot at goal. Shanaya’s single goal did not do justice to her hard work. When Ella got into the groove and found her target she was a shooting star bagging six goals. In defense our standout player was Emma with numerous interceptions. The comments of the sidelines were how much more confident the girls were with their accurate, decisive passing and their ability to read the play and be in the right position. Just fabulous teamwork! A special thanks to Selina Betar who assisted in the early stage of the match. Player of the week will be announced at training. By Maddy Buckley

ASC Redbacks

On Saturday, 10 May the ASC Redbacks played the Collegians Roxy’s. We all played very well but it was a very tough game as a few of our players were away. A big thank you goes to Sophia and Katie who filled in for us. They did a top job but sadly we went down 18-6. Thanks to Rosie and Shannon our coaches. By Emily Brabham

Under 7’s Hockey

Last Saturday was a great morning for hockey and our boy’s had a good win over Souths, 6 to 1. The girls led from the front, with Tirah and Gabrielle scoring 3 goals each. Our boy’s spent their time defending and kept souths to only 1 goal. Bradley Gardiner gets the award this week. Well done! Flynn Ardley

Under 11 Girl’s Hockey

We played St Pat’s this week and can be very happy with our efforts. St Pat’s scored an early goal and were then tested by our attack which was relentless for most of the game. Saints were unlucky not to have scored. Later in the 2nd half we conceded some goals and ended up being beaten 6-0 but this doesn’t reflect the closeness of the game. We have improved considerably from last season and should continue to do so. Sarah Farraway gets the award this week for her work both in attack and defence. Good work! Keely Ardley

Under 9’s Hockey

The team played on three-quarter grass field against St Pats Little. The team were on attack most of the game and showed great positional play. Anna scored the goal with lots of support from the team. In the end the score was 1-0 and the Encouragement Award went to Simone Gardiner. Congratulations to Simone who also had her first game up in Under 11’s. Mrs Cartwright
