What a busy start to the year we have had. It is pleasing to see all of the students very settled into their routines and using their time productively at school.

Junior School Carpark Drop Off/Pick Up Zone

The drop off zone in the carpark is exactly that, a place to drop off or pick up your child. Please do not park there and leave your car as it causes congestion in the carpark.

Picnic

Thankyou to all of the families who attended the Picnic on Tuesday evening. A fun time was had by all and it provided a great opportunity for everyone to get to know other parents in their child’s class.

Transition Bus

The Transition Bus is a service that All Saints’ College provides to students in Transition classes. This service is not like a normal bus run and only the Transition children can use it. Please read the following guidelines.

To maintain the smooth operation of the Transition Bus run, All Saints’ College has implemented the following guidelines:

1. The bus run is limited to run for a maximum of 1 hour, therefore there is a limit of distance to travel to keep within this 1 hour time frame.
2. Pick up and drop off locations are to be kept consistent to avoid confusion.
3. Children are to be dropped off to a parent, grandparent or guardian.
4. The avoidance of children being picked up and dropped off in the CBD would be appreciated.

We appreciate that children love to ride on Barney’s Bus and understand that they will want to do this when they see their fellow classmates doing so. Unfortunately the bus ride is to be used only for those children whose parents do not have any other option to collect their children.

If your circumstance change or there is an emergency and your child needs to use the bus, contact must be made with the Junior School Secretary, Mrs Leonie Keogh, as soon as possible as there are a limited number of seats on the bus. It is preferable that contact be made via a phone call rather than a note in the diary.

Transition children who have siblings at the school will not use this service as they will be collected from All Saints’ College at 3.15pm.

In the morning the bus driver would appreciate it if your child is ready and waiting at the front. In the afternoon, if a visible adult is not present at the nominated drop off address via the diary, your child will be brought back to school when the bus run is complete and will be placed in After School Care.

Ultimately, the care of your child is the utmost importance to us and your cooperation with these matters is appreciated.

Pups Cricket Report

ASC played Rugby Union McGrath at a beautifully prepared ground and All Saints. It was a pretty cold start to the day and with Kian as team captain we opened the batting.

Kian and Tim proved a tough opening pair, with Kian attacking and Tim defending against what proved to be a very strong bowling attack. All players made some runs, and Alex was very keen on running. Bradley and Lachlan were also strong defenders.

Our bowling was accurate and Alex again showed much improvement with the ball. Claire tried her best and bowled straight and Liam has also improved. There were some big hitters in the opposition and that kept us busy chasing balls in the field.

For his improved skills and keen running, Alex Buckley won our player of the week award. Well done to all our Pups!

This week’s Basketball Draw

5.20pm U13 Girls: Pepsi Purple v ASC Lollipops

Hospitality Requests

The Hospitality students, under the professional instruction of Mr. John Hughes, receive many requests each week to serve at functions both within the College and in the wider Bathurst Community.

The demand on their time can be substantial. To ensure that the students’ studies are not impacted by such requests, I would ask that all requests for their services comes through me. I can be contacted on 6332 7345 during working hours. Thank you for supporting our Hospitality students in this matter.sincerely,

Mr Greg Thornton
It was a delightful evening last Tuesday as we enjoyed the picnic on the oval. I hope it is the start of many such events which bring us closer together.

The outdoor assembly area takes the pressure off the Chapel, and we can appreciate the Chapel now in a different way. This week I spoke about Jesus’ first sign in John’s Gospel - changing water into wine, from John chapter 2. When Jesus is part of our lives there is an extra abundance and quality, as the account illustrates.

**Transition News**

This week our rhymes are “Little Miss Muffet” and “Incy Wincy Spider”. We made some wonderful spiders and pasted little yellow eggs on the spiders’ back.

TP and TS made spiders using bottle tops and pipe cleaners. They are amazing!

We have also explored the number one and had an interesting walk discovering things in the playground that look like the number one eg. posts, trees and blades of grass.

Our colour is yellow and our shape a triangle. We have made some excellent pictures and used the ▲ in imaginative ways.

Our classes are loving Japanese with David Sensi.

The family picnic was a great success and we hope to enjoy many more social occasions together.

Regards Liz, Deb & Sally.
