FROM THE ASSISTANT HEAD OF COLLEGE  
(Junior School)

Tomorrow at assembly we will support our Tournament of the Minds Team as they prepare for Sunday’s competition.

Good Luck to our HICES Athletics team as they travel to Olympic Park for an important meet next Wednesday.

OPEN DAY – Friday 7 September. On this day there will be displays and presentations in the Junior School throughout the afternoon. Many students will be invited to continue some games/presentations after school. Parents are invited to come and enjoy afternoon tea, enjoy the displays and then collect their children at about 4.30pm.

Continuing thanks for your interest in the School of St Jude. There are 9 boxes now sealed and ready for dispatch. Some parents have been enquiring about the book written by Gemma Sisia called “School of St Jude”. This book tells the amazing story of an incredible enterprise and is very easy and interesting reading. The book sold out in Bathurst very quickly but I have received a small supply at the reduced cost of $25. Please give me a call if interested.

GARDEN AND FRESH PRODUCE STALL

Allyson’s top 15 suggestions for donations are:

- Divide and pot agapanthus or other plants from your garden;
- Divide and pot succulents from your garden;
- Donate fresh fruit and vegetables from your garden;
- Pot self sewn plants from your garden;
- Use your workshop and your creativeness to make a garden ornament, wind chime or tree mobile;
- Purchase and donate a wind chime;
- Purchase and donate a garden ornament;
- Purchase, decorate and donate linen type garden gloves (sew on interesting buttons and beads);
- Donate your empty garden pots;
- Check through your shed for surplus garden tools;
- Check through your book shelves for unwanted gardening books;
- Prune, dig out and pot those unwanted roses;
- Donate seed packets;
- Purchase and have your children brightly paint terracotta pots; and
- Pot bulbs that are due to flower at the time of the spring fair.

I suggest that the division and potting of plants occur in the very near future to give them a chance to establish prior to the fair. If required, pots and potting mix can be cheaply purchased from hardware stores or nurseries. It is probably too late to take cuttings.

Please bring your gardening items on the morning of the fair or if you cannot attend leave them at the school on the Friday (outside the Year 4 Classroom).

If you have any questions please give me a call -

ASC Vs Bx City Red Tops White

**Total Football**

Total Football is a football ‘system’ where no footballer is fixed in his or her intended outfield role; anyone can be successively an attacker, a midfielder and a defender. This ‘Dutch’ inspired approach to Football was totally evident when the ASC U9’s came up against an unfortunate City Red Tops team. ASC played beautiful football with players sharing attacking and defensive roles, sharing goalscoring, and sharing the joy of playing attacking and open football. The 8-1 victory was an indication of the dominance of the ASC ‘machine’ but not an indication of the efforts of an opponent who tried their best but just couldn’t match the skill and team-work of ASC. Goal scorers – Blake, Lachlan W, David, Henry and Fletcher were all supported by skillful play from Victor, Lachlan Mac, Gyan, Roan and Cameron Redpath (who made the successful transition up to under 9’s this week). Our armband of honour went to Lachlan McAloney who was dogged in the midfield and extremely sporting to his team-mates. The team’s ability to attack, defend, and set up plays makes them a Total Football team.

**ASC Red Netball Report**

Last Saturday, All Saints Reds played a wonderful game against the hungry Calare Ducklings. So we all worked even harder in our defence, we focused on pushing the ball into our own goal area, which paid off thanks to team work and some awesome goal shooting. Great defence was played by Camilla Paton and Emily Brabham. We also scored some great goals which were by Alex Coates and Courtenay Moller but I don’t think we would have scored if it wasn’t for our great attack played by Lucy Thompson, Vanessa Cozens and Laura Dennis. At the end of an exhausting 4th quarter the All Saints Reds won by an outstanding score of 22-3 and we all know what that means…..PIZZA! Congratulations to everyone for a great game. Thanks to Mrs Moller for the pizza and thank you to Bec for coaching us during her HSC trials and all our loyal spectators. Great game, team. Great coaching Bec, Great support Mums and Dads. By Courtenay Moller and Laura Dennis.

**Under 8 Soccer**

Saturday 18th August July – by Ian Redpath

A slightly warmer day met the All Saints Under 8 team this week against Bathurst 75 Blues. Our numbers were down with the absence of Henry and Chris whose skills were missed against good play from the opposition. Even though we were short of players, our team worked well together. After getting off to a slow start, the game heated up with our team showing better passing than previous weeks.

Protecting the goals was accomplished with good team work and strong kicking by Thomas and David in the early minutes. As Goalie, both David and Anna did another outstanding performance with David saving numerous goal attempts from a very strong Bathurst 75’s and Anna saving no less than 4 goals as keeper. On the field, Thomas and Cameron are displaying increasing speed and quick thinking, showing a growing understanding of the need to pass and kick.

Riley too, was involved in kicking and passing. Anna and Hayden weren’t afraid of attacking to gain possession when play was frantic either. Well done everyone. There were two injuries this week with Tim and David both receiving blows that took them out for a few minutes of play. Not put off by the bigger kids around him, Tim was in amongst the action and even attempted to head the ball during one tense moment. Good on you Tim.

Jack was certainly the outstanding all round performer this week showing great speed, kicking ability and sportsmanship on the field. As one of the most improved players this season he earned himself a Player of the Week for his efforts. Great work Jack. As was the case last week, a good, team spirited game was played by All Saints with the skill level on the day not matching a very strong Bathurst 75’s. Better luck next week everyone.

**Hockey Reports**

**Under 7 Hockey**

On Saturday All Saints played against Oberon. A great game played by All Saints kept the ball in Redtops half for most of the match. After a lot of shots for goal we ended up 2 all with Rachael scoring the first goal and Simone getting our second. Lucy, Gabrielle and Charles were constantly attacking and Rhiannon, Flynn and Bradley played well in defence. A big thank you to Mr Corbett-Jones and Mrs Gardner for their coaching whilst Mrs Clements was away.

**Report Under 11**

Last Saturday we played a very good game against Oberon, we started with only 6 players because the game had a time change to 9.30am instead of 11.00am. We nearly didn’t have a game, until almost all of our team arrived and some help from Oberon Minkey teams. We only went down 1 nil, it was a fantastic game. Sarah F. Jessica and Anna were very good in defence, also Keely, Eliza and Ella played a very good game as well. But at the end of the day, Julia Morgan got the best and fairest payler because she was a great attack and defence wing players. It was an extremely good game and I hope everyone is enjoying the hockey season and we are striving to get a goal soon. By Maddison Colley
