FROM THE ASSISTANT HEAD OF COLLEGE  
(Junior School)

the college community comes together to work for the common good as well as enjoy the day. Thank you to all those who have contributed either time or goods.

I am also looking forward to the Open Day next Friday 7 September. From noon till 5pm there will be something to see. At noon we hope to have our normal school assembly outdoors and “show” not only the scheduled Year 5 showing but also some of the other activities of the school.

At this week’s P&F Meeting I raised 2 matters to share. Firstly, Father Paul has expressed the wish to encourage senior members of the Junior School to understand and then participate in the act of Holy Communion. Year Six are presently looking at this issue and I am pleased that Father Paul is initiating this activity in the life of the chapel.

As well, I have indicated that a Junior School Carol Service would be held this year serving the needs of the Junior School students and giving more students an opportunity to participate in this important act of worship. I will share more details as they evolve and trust that there will be support for this occasion.

At this meeting I was so impressed by the reputation that has been earned by the JSP&F at the CWA Public Speaking and the WAS Athletics Carnival that they are now being invited by outside organizations to cater for their functions – Well Done!!

CRICKET IS BACK!!!

This Monday (3rd September) all children in the Junior School will be given an opportunity to develop their cricket skills. A representative from Cricket NSW will be coaching the children and teaching them a variety of skills. Children are asked to wear their sports clothes to school to help them enjoy this fantastic opportunity. There will be no cost for the session. It should be a great day for all the children.

**GARDEN AND FRESH PRODUCE STALL**

Allyson’s top 15 suggestions for donations are:

- Divide and pot agapanthus or other plants from your garden;
- Divide and pot succulents from your garden;
- Donate fresh fruit and vegetables from your garden;
- Pot self-sewn plants from your garden;
- Use your workshop and your creativeness to make a garden ornament, wind chime or mini mobile;
- Purchase and donate a wind chime;
- Purchase and donate a garden ornament;
- Purchase, decoupage and donate linen type garden gloves (try on interesting buttons and beads);
- Donate your empty garden pot;
- Check through your shed for surplus garden tools;
- Donate your empty garden pots;
- Purchase and have your children brightly paint terracotta pots; and
- Pot bulbs that are due to flower at the time of the spring fair.

I suggest that the division and potting of plants occur in the very near future to give them a chance to establish prior to the fair. If required, pots and potting mix can be cheaply purchased from hardware stores or nurseries. It is probably too late to take cuttings.

Please bring your gardening items on the morning of the fair if you cannot attend leave them at the school on the Friday (outside the Year 4 Classroom).

If you have any questions please give me a call -

UNDER 11 HOCKEY
The under 11s played a great game against Souths on Saturday. Although we were out scored 7 nil it was still an enjoyable game. Sara Goodman and Sarah Farraway did some great tackling and running of the ball. Eliza Crozier in centre half passed well to Keely in centre forward and Hannah in inner. But at the end of the game Sarah Farraway ended up with the player of the week award. Well done and congratulations to Sarah Faraway and the Team. By Keely Ardley

Saturday 25th August – by Ian Redpath

A beautiful sunny day met our 8 member run on side this week. As the morning progressed, it got warmer both on the field and for the supporters alike. A well prepared Panda Chiefs were playing to avenge the loss from the last encounter with All Saints Under 8’s. And with an early goal which took our team by surprise it was clear that it was going to be a good game. Jack took charge of the ball early in the game, kicking, passing and as shown in previous weeks displayed an improved level of skill. Well done Jack, Cameron too, showed great skill with his speed and ball control along with quick thinking, passing and attacking.

On one occasion, Cameron was unlucky not to land a goal from a well placed attempt. Well done Cam. Henry and Thomas were two outstanding players this week with Henry’s strength in kicking down the field and Thomas for his speed and agility when in control of the ball. Hayden made a few good kicks sending the ball well down into the opposition territory allowing All Saints an unforeseen advantage on a couple of occasions. One such kick created a good sequence of passes to set up the ball just right for David to score the only goal for All Saints – just what the team needed after the past few weeks. Well done everyone. Out two newest players, Tim and Anna also did well. Anna as always was a valuable asset to the team. The trend of the game was set as the second half field passing from Lily kept the game flowing and the goals coming. An excellent game and fantastic win. Saturday 25 again our first half started off a little slow, but with the defence of Stephanie, Lily, Maddy and Sophie we were able to set up a goal for Cam. The Baddies soccer team has continued their wonderful season over the last couple of weeks with two very entertaining matches. The first game was played against Churches against a much bigger and stronger opposition. Despite this the Baddies applied themselves very well and used their speed and skill to trouble the opposition. At the conclusion of the match Churches had scored 2 goals to our 1 in a very close affair. A highlight of the day was the presentation of Soccer Teddy to Patrick Roach who played well and has become much more involved in recent weeks. Congratulations Patrick.

Last Saturday we played against City Red Tops and our team played beautifully. All of our players have shown tremendous improvement during the season and it was a delight to watch their 4-0 victory over the opposition. Soccer Teddy was presented to Angus Crozier who continued his impressive positional play in the back. Angus also attacked well during the match and is to be commended for his excellent effort.

There are still a few more weeks left in the season and I encourage all interested spectators to come out to Proctor Park and see the Baddies in action.

Under 6s Soccer

The last round match was played on Sunday and it was a fitting way to complete a very successful season for some very keen netballers. We had a beautiful bright warm day to play in and we got off to an equally bright start with two quick goals from Libbie Crampton. The first quarter was very strong in attack and the opposition did not see the ball in their goal circle. The second and third quarters were played mainly in the centre third with many intercepts and strong defence from both teams. The fourth quarter was played mostly in the Bunnies half with great defence with Maddy Buckley sticking close to her player.

There were no further additions to the score in the match and this was due to some determined and committed defenders, Ella Kovac and Catie Cramton who between them got countless intercepts throughout the remaining quarters.

Amber Stockman showed an ability beyond her years to get out into open space over and over to take a pass. Selina Betar also positioned herself strategically around the court. Grace Hush ran quickly to defend her player shutting down the opponents attacks. Sophie Cant’s attacking play and intercepts contributed to an all round team effort to wrap up a very positive season for Bunnies. We missed Allie Runge and Phoebe Reynolds in this match, imagine what a force we are with a full side!!!! We are all very thankful for the coaching and management given to these girls by Mrs Darlington, Ella-Beth, Poppy and Lucy and we tip our hats to you for your patience and encouragement.

We look forward to thanking you further at the upcoming netball party. Go the Bunnies!!!!!! Three cheers for Mrs Darlington, three cheers for Ella-Beth, Poppy, Lucy and one cheer for us, Hooray!!!!!!

The ASC Bunnies joined forces again to conquer the Collegian Stars. Sophie, Libby, Catie and Amber defended the team with all their might. While Ella, Phoebe, Maddy, Chezzi and Selene passed that ball like a hot potato. All the spectators would have to agree that the Bunnies put in 110% effort and had fun doing it! By Ella Kovac.

Netball Reports

The past two Saturdays our fantastic ASC Blues – The Superfrogs, have demonstrated a dazzling display of attacking netball supported by rock solid defence. In both games we had a slow start in the 1st quarter but by the end of the 1st half we had warmed up and ASC was scoring goals on Saturday 18, 5 goals and only conceded one. The attack of Sophia, Maddy and Canada repeatedly assailed the opposition breaking their defence and scoring at will. At the other end of the court the defence of Katie, Olivia, Sophie, Alexandra, and Stephanie stood as a brickwall against the repeatedly unsuccessful forays of their opposition.

Netball Newsflash

Congratulations to the U11 Team who have qualified for the semi-finals. The game will be played at 10.15am Saturday. Good Luck to all players. Please come along to cheer on this team.

The U10 team just missed out on making the semis, however well done on a fantastic season!! The way this team has played, particularly in the last three games, has been magnificent. In the last rounds this team was in the top grade of the U10 competition and showed great skill and sportsmanship. Everyone has shown amazing development over the season and we look forward to even greater things next year. Well done SUPERFROGS!!!

The Netta games concluded on Sunday followed by presentation and BBQ. All the Netta girls have been wonderful throughout the season. They also have shown amazing skills development and determination and enthusiasm. Well done Netta Bunnies. Mrs Darlington

Under 10 and Under 11 teams will continue to train on our usual Wednesday afternoons.
