Congratulations to the P&F for an outstanding success that was the Spring Fair. At Tuesday’s meeting an early report indicated another financial success but the day itself was wonderful in its own right – well done to all those who contributed.

This week it was announced that the interest shown in Kindergarten 2008 has been so strong that we are introducing 2 classes – this is a most exciting event in the history of the Junior School and I will be pleased to encourage this development.

The classes will be small and if any family is concerned by large classes elsewhere then here is a wonderful opportunity for their child to really benefit from a very positive environment. Perhaps you know of friends who may be interested.

Tomorrow’s Open Day will showcase many of the talents and activities of which we are proud in the Junior School. I know that many will need to travel home at the usual time but I hope that many will stay on to continue to participate and watch the afterschool displays such as aerobics, equestrian and sport. Our usual Friday assembly featuring Year 5 showing and the trophy winning Year 1/2 Choir will take place at noon and hopefully outside the chapel (weather permitting). Everybody is invited at any time from noon till 5pm to view the outdoor displays as well as visit any of our classrooms.

The Eisteddfod concludes this week with busy involvement and some very pleasing results. For many taking the stage, often for the very first time, it was in itself an outstanding achievement. Vim would be pleased to record those individual results and Mrs Keogh would be happy to receive results on paper from those students participating.

Welcome back to Mr Hines and some members of Year 6 who have participated in the HICES Gifted and Talented Camp in Sydney which was supported by the P&F.

Good Luck to the Rugby team who travel to Blue Mountains Grammar for their return game tomorrow. Best Wishes to our Netball team who are staying alive in the finals and are seeking a place in next week’s grand final.

(Transition)

Another busy week in Transition as we look forward to Open Day on Friday. We have been getting our room ready for the visitors to see what wonderful fun things we do in Transition. Thankyou to Mrs Lickess who has shown us some exciting art books of famous artists, and we were able to produce our own ‘art work’. You will have to make sure you come and see how wonderfully artistic we all are. Our phoneme is ‘qu’ as the duck says ‘quack quack!’.

We have made some beautiful crowns made fit for a ‘queen’.

In TP and TB our phoneme is ‘ch’ and we have painted our train carriages as the train goes ‘choo choo!!’

We have also had lots of birthdays this week. A big thank you to all those parents who have brought in all the yummy birthday cakes that we have enjoyed…. And they were definitely yummy!!!!!!

TR & TP had their last gymnastics class this week. It has been lots of fun and we have all learnt lots of new things to do. Thank you to the CSU students who have come in every week to teach us. Please don’t be a stranger to our classroom. Make sure you come in and see all the exciting things we do.

LOST

Red poplar fleece and blue tracksuit pants. If found please return to the Junior School Office.

OPEN DAY

Students are invited to stay after school to watch and participate in displays etc.

## Abercrombie House - Holiday Camps

Spring Camp: Monday 1 to Friday 5 October (definite)
Monday 8 to Friday 12 October (provisional)

The week includes many outdoor sporting activities, craft activities, cinema and museum excursions, evening activities and a formal banquet dinner in the Abercrombie House ballroom. The children stay in the old stables, now a residential chalet, with boy and girl dormitories and bathrooms, and indoor and outdoor eating and play areas. The camps are fully supervised and based on a successful program of residential school and holiday camps developed over 35 years. For further information and a booking kit, please contact Christopher and Xanthe Morgan on 6331 4929 or fax 6331 9723 or email: abercrombiehouse@bigpond.com

Saturday 1st September – by Ian Redpath

A beautiful Spring day met our team on the field this week. The sunshine was great, spirits were high and we had 9 out of a possible 10 starters. Everyone was pleased to see Christopher back and judging by his on field performance, Chris was pleased to be back too.

All Saints took an early commanding lead with a goal by Cameron that was quickly followed up with a goal by Thomas. Well done boys. This well deserved lead was the first time for some weeks that our team has been in the lead and this helped bring out a great attitude and on field performance by all players.

Riley’s confidence has grown in the past few weeks and he contributed well this week with mid field kicking and defending as well as passing and generally enjoying himself. Well done Riley. Tim too, has been improving and while not spending a lot of time with the ball this week, kept the opposition guessing when he did have it. Good on you Tim for trying so hard once again.

Anna was great in the mid field this week and as always, was an excellent Goalie stopping a number of attempts by The Panda’s and keeping their score low. David, Henry and Jack have all developed a powerful boot and are understanding the value of using it to send the ball way down the field. Overall, our team was thinking more this week, passing well and reading each others moves, encouraging younger players and acknowledging good play between team members.

Cameron and Thomas each scored another goal bringing the full time score to 4 – 1 All Saints favour. Excellent work everyone. The day was helped along by the speed, quick thinking and skill by a number of players but a stand out performer was Christopher who made a big contribution to the game, earning himself the Player of the Week Award for his efforts. Congratulations Chris.

HOCKEY REPORTS

U9 Girls Hockey Saturday 24 August 2007
The combined Oberon and All Saints girls’ team played Kelso on the weekend. Kelso had only 5 players so Anna, Erin, Hannah and Rebecca volunteered to play with Kelso. Ella was the only player to remain with the Oberon side. The Oberon team won 2-0. This did not reflect the match as it was a very even game with both teams showing excellent attacking skill and strong defense. The Encouragement Award went to Hannah, Rebecca and Anna.

U9 Girls Hockey Saturday 1 September 2007
This was our last game for the season and the combined Oberon and All Saints girls’ team played St Pats. The girls had a 0-0 draw but it was one of the best games that they have played all season. It is encouraging to see the big improvement with trapping, passing, hitting and positional play. The Encouragement Award went to Ella.

Thank you to Mrs Clements for her time she has spent with the girls and attending meetings. Thank you to all the parents for their support during the season. Thank you to the girls for the sportsmanship and eagerness they have shown this year.

Do not forget that there is a presentation to be held on the next weekend (8th September) at 10.00, bring your hockey sticks to play some hockey before the presentation and a barbecue.

NETBALL DRAW
Saturday 8th September. All Junior Games are to be played at 10.30am.
ASC Red v Collegian Roxy’s Court 9. Please be there at 10am.
Good Luck!!!

Does your child have diabetes?
Ever wondered why some young people, aged 8 to 19 years, seem to manage their diabetes better than others? We have too. If you are interested in helping us answer this question we would like to invite you and your family to be involved in an exciting new study being conducted by University of Western Sydney and The University of Sydney.

To find out more about this study please contact Dr Jane Overland on 02 9515 5930 or drat@uws.edu.au
