Congratulations to all our Grandparents and Special Friends who made last Friday an outstanding success. Thankyou also to the students and Mrs Murray who worked so hard to guarantee that success. Even the damp conditions did not suppress the enjoyment and the valuable sharing of the day.

Congratulations also to the Swim Squad who represented the college so well last week. They came a very close Runner Up to the trophy. We now move on to the Cross Country Carnival next Wednesday starting at 2:00pm, I hope to see as many supporters as possible. The new WAS organisation is rapidly coming together and we hope to have a friendly but valuable competition in Cross Country next term in preparation for HICES.

Thankyou for the excellent response for Parent/Teacher interviews starting on Monday. It really helps if we start each interview on time and if we keep the interview within the 15 minutes allowed. If you have not received confirmation of your interview appointment please call Mrs Keogh as soon as possible. Please Note that After School Sport on Monday and Wednesday has been cancelled.

Following the outstanding success of the Year 3 and 4 Bushcraft Camp (thankyou to Mr Hines and Mr Cant) the Year 5 and 6 Camp is underway on the Macquarie River near Hill End. We wish them well as they experience some very valuable opportunities, test their skills and work together to overcome some unusual challenges.

The children in K-2 have had a wonderful time over this term learning how to use ‘Microsoft Paint’. They have drawn pictures, typed text and inserted clip art.

Years 2 and 4 have commenced a typing program to reinforce the correct fingering when using the keyboard. Year 3 have been working ‘Microsoft Word’ and the different ways in which we can use this program. The older years are working with ‘Microsoft Excel’ to formulate spreadsheets and timelines. The children in Year 5 are being adventurous over the next few weeks using ‘Word Art’ to design an artwork which will be transferred onto material to make a banner highlighting the fragile environment in Antarctica.

### Energy saver packs

Please return these forms to the office by tomorrow. Spare forms are available in the office. Packs will be distributed during next term.

### Transition enrolments

If you would like to enrol your child into Transition classes for 2008 please phone the Registrar, Helen Schwab on 6331 3911 or email h.schwab@saints.nsw.edu.au

### ASC Lollipops Basketball Report

Last week we played the Minties and it was a great game for the whole team. We were a bit more experienced than this team and had quite an easy win. Our star players on the night were our youngest players, Scarlett, Camille and Tara. Well done girls!

The good news is that we are now in the semi finals for the competition and we are really looking forward to Friday’s game. Fingers crossed as we hope to make the grand final.

We would like to thank Mrs Murray and Bronson who have coached us all year and our parents who always turn up to cheer for us.

Caitlin Sharp (Yr 7) for the ASC Lollipops Team

### Bathurst Junior Girls Hockey – District Trials continue

The ASC Magicians concluded their wonderful season with a comprehensive victory over St Pats last Saturday. Captain Travis Cartwright won the toss and chose to bowl first. The team responded admirably claiming wickets at a steady rate.

Fifteen wickets fell during the innings with Lachlan Wilkinson (4 wickets), Roan Van Heekeren (3 wickets), Lachlan McAloney (2 wickets) and Gyan De Silva (2 wickets) in particular, troubling the opposition batsmen. The team also fielded brilliantly with a number of excellent catches and run outs.

The boys’ improvement in ground fielding has been most encouraging and they regularly put their bodies on the line to stop the ball. Their throwing and backing up was also first rate and this has been most encouraging and they regularly put their bodies on the line to stop the ball. Their throwing and backing up was also first rate and this on the rough St Pats outfield. Their throwing and backing up was also first rate and this on the rough St Pats outfield. to bowl first. The team responded admirably claiming wickets at a steady rate.

At the conclusion of the innings St Pats had scored 57 runs at an average of just 3. The ASC batsmen took the crease and backing up was also first rate and this made it difficult for the St Pats batsmen to score runs.

The ASC batsmen took the crease confidently with David Cant getting his team off to a good start scoring an undefeated 12. Henry Marson (11 runs) batted fluently and ran intelligently between the wickets, while Hugh Elbourne continued his excellent form scoring 16 runs, highlighted by 2 powerful boundaries. Christopher Blattman plundered the St Pat’s attack hitting 5 fours on his way to top scoring with 32 runs, while Peter Cobcroft played a delightful innings with a powerful, but controlled knock of 15 runs.

Blake Sanders brought the crowd to their feet with some audacious stroke making in his entertaining innings of 8 runs. Blake also ran intelligently between the wickets and kept the fielders on their toes. The innings concluded with Joshua Thong (16 runs) and Travis Cartwright (9 runs) contributing a productive last wicket partnership which put the icing on the cake for the team. ASC had scored 153 runs for only 5 times out, giving them an average of just over 30. It had certainly been a dominant display by the team and a tremendous way to finish the season.

The final Baggy Blue was awarded to Gyan De Silva who bowled, batted and fielded beautifully. Gyan has shown great improvement in the short time he has been playing in the team and is to be congratulated on this excellent effort. The team enjoyed the obligatory post match ice block (courtesy of the Cartwright family) and turned their thoughts to the Parents versus Children’s Match to be held at All Saints this Saturday.

No doubt the thought of the mums charging in off the long run will send a shiver through the boys’ bodies in the lead up to this much anticipated match. In conclusion I would like to thank all of the parents who supported the team during the season (too many to mention individually). The team enjoyed great support with parents umpiring, scoring, bringing ice blocks, helping with training and being there supporting and cheering the boys. It has been a wonderful season and I look forward to another great summer of cricket next season.

Mr Cant

---

**End of Season Cricket Presentation**

The end of season presentation will be held on Saturday (24th March) on the Junior School Oval from 10:00 am. This will be a relaxed day with a Parents versus Children Match, as well as a lunchtime BBQ. Please bring your own meat, salad, drinks etc.

**Junior School Tennis**

The Saturday morning tennis players who will be competing in the first round of the semi are:

- Division 1: Harry Bland
- Division 2: Conrad Meulman
- Division 2A: Jake Griffin
- Division 3: All Players
- Division 4: All players

Good luck to everyone competing and if you have a question please come and see me before Saturday. Miss Sally Gosper
