Welcome New Staff and Students

I would like to begin this term by expressing a very warm welcome to the new staff and students. Mr Peter Miller, the new Head of College, and his family have arrived safely and are enjoying the country air. I wish them all the very best for the upcoming term.

While Mrs Liz Rolfe is away in Long Service Leave for Term 3, Mrs Lisa Roffe will be teaching Transition 5 day students. Lisa is a passionate and most enthusiastic teacher who has already fitted into the school well.

We have many new students in the Junior School this term. Kirrily Edwards (Year 2) has joined us at the end of Term 2 and has made a fantastic start to her schooling at All Saints’ College. Hugh Miller (Kinder Red), Phoebe Miller (Year 2) and Alexander Miller (Year 4) have joined us from Sydney. Angus McLean and Finn Corbett both are starting in Kinder Blue. Max Corbett is coming into Transition 2 day and Taylah Wade is coming into Transition 3 day. Erin Cobcroft, a former All Saints’ student, has rejoined us in Kinder Blue. Max Corbett is coming into Transition 2 day. If you would like to assist could you please email me or leave a message with Mrs Leonie Keogh.

Junior School Athletics Carnival – Calling for Parent Helpers

Junior School Athletics Carnival – Calling for Parent Helpers

The Junior School Athletics carnival is on Friday 8th August. The first event begins at 9.15am and will be on Stiles Oval. I would be grateful of any parent assistance on the day. If you would like to assist could you please email me or leave a message with Mrs Leonie Keogh.

Junior School Assembly NOW 9.00am on Fridays

In order to make it easier for parents to attend Junior School assemblies, we will now hold them at 9.00am so that it enables parents to stay after they deliver their children to school. I encourage all parents to attend.

The Jackman Challenge

Question: I have two numbers. When you add them together you get 20. When you take the smaller one from the larger one you get 8. What are my two numbers?

Entries due to Mrs Keogh by 10.00am on Thursday 24th July.

Important Dates

29 July ICAS Mathematics Competition Test
4/6 August JS Parent/Teacher Interviews
8 August JS Athletics Carnival
12 August ICAS English Competition Test

IF YOU WOULD LIKE TO BE INVOLVED IN THE OPERATION AND ORGANISATION OF THE SPRING FAIR YOU WOULD BE VERY WELCOME.
ANY QUESTIONS PLEASE CONTACT ANNE CLIFTON 63314547 OR oaklea1@westnet.com.au

Transition News

Transition learnt the phoneme ‘Z’. We made maps of a zoo, painted zebra ears and graphed zoo animals, buzzed like bumblebees ZZZZ and danced to Zum Gali Gali.

We have had a ‘buzzy’ week.

We had a wonderful first Chapel last Wednesday. I think it must have been the presence of Mr Miller that made the students sing so gleefully.

This term we will be looking at the lives of four greats of the Old Testament, the series ‘From Samuel to Solomon’, also included are Saul and David.

I look forward to the Year 6 students taking an even bigger role in our Wednesday Chapels.
9 YEARS SOCCER
Saturday 21st June

As a contrast to the previous week, the last Saturday of the Financial Year was a beautiful day for a game of soccer. The boys were in good spirits as were the parents. The official team motivator Mr Morgan, was in fine form and since taking on the Honorary role 8 weeks ago, the boys have produced 8 straight wins. No small coincidence perhaps.

Sideline motivation aside, the boys played well. Jack, Chris and Sam took turns as goal keeper and literally saved the day with excellent goal keeping, driving the opposition way and keeping the hopes of the Panda for a win dampened. Henry Morgan and David Goodman kept a solid wall of defense and with a strong boot, continually returned the ball to our goal scoring end of the field. Sam, Thomas, Jack, Victor and Morgan and David Goodman kept a solid wall of defense and with a strong boot, continually returned the ball to our goal scoring end of the field. Sam, Thomas, Jack, Victor and Cameron are benefiting from teamwork under pressure all of which helped produce a good win this week.

Thomas earned himself Player of the week for his assistance in setting up goals for Cameron (scoring 2) and Sam (scoring 1). Special thanks and appreciation for continued support is given to Victor Chua, Henry Marsden and the unstoppable Ben Cant. Ben not only spent the whole game tackling the taller opponents with courage, he dribbled around confused opponents and kept the parents on the sideline entertained the whole time as well.

Congratulations to everyone for a great game and to Coach Geyer for producing a top team this year. Mr Redpath

Netball

Two fantastic games were played by the Superfrogs and Redbacks on Saturday 28th June. Thanks so much to Emma, Hanna and Ella who played for the Superfrogs in very cold conditions. It was a great game.

Later in the morning Sophie, Libby and Catie played in the Under12’s game and played magnificently, helping the Redbacks to a fantastic win. Well done everyone.

Good luck to all teams on Saturday. Gabrielle Darlington

Saturday 28th June, ASC Superfrogs V Collegians Charmed Ones

This was an enjoyable game. The first half saw many attacking raids and great teamwork by Sophia, Catie, Libby and Sophie. The games was going goal for goal. The crowd was excitable. Hannah Armstrong displayed some great defense in the first half. The second half saw two lovely goals by Ella Kovac who was ably supported by Alexandra Corbett-Jones and showed great positioning in the circle.

Emma maintained a high level of defence throughout the half. The Collegians Charmed Ones scoring combination and wonderful defenders put their foot down and headed for an 11-6 win. Thanks to Ella, Hannah and Emma who played up this week and congratulations to the team for a great game played in a sporting manner.

Sophie Cant

Breast Cancer Fundraiser

The Australian Cancer Council and the Jane McGrath Foundation are organising an event to raise funds for Breast Cancer research. They are seeking to break the record for the longest chain of bras ever assembled.

Women are asked to drop any old and unwanted bras to the Salvation Army by 15th August. These will be sent to Bundaberg where the record-breaking attempt will take place. This is an important event for a very worthy cause and your support is most appreciated.

10 plus 10 equals ... less colds

Common cold viruses can get on our hands when we touch infected hands, surfaces and objects. When we put our unwashed hands in our mouth or rub our eyes with them we can infect ourselves with a cold virus.

Correct hand washing is one of the most effective ways to help prevent the spread of colds.

- Wash hands thoroughly, especially before eating food and after blowing the nose, coughing or sneezing.
- Here’s how:
  1. Lather with liquid soap for 10 seconds
  2. Rinse with running water for 10 seconds
  3. Dry hands.

Antibiotics don’t work on viruses so they won’t stop a cold from spreading.

For more information go to www.nps.org.au/commoncolds.
