Craft Stall

An exciting addition to the craft stall this year will be fridge magnets/badge making machine.

Magnets and badges make an excellent present for dads for Father’s Day and are loads of fun to make. There will be materials available at the stall on the day to create a badge. Alternately you could bring a photo, magazine picture of your favourite star or a design of your own. On page 2 is an actual size template of the size of the badge/magnet. Whatever fits inside the circle will be the magnet. Use it as a guide when choosing photos etc. PLEASE DO NOT CUT THE PHOTO AS THE MACHINE WILL DO THIS. Happy designing. Cost of creating a badge will be $2.00

Trash & Treasure - Items can be placed on the verandah of the Senior School Book Shop. Please do not leave broken items. Please note: we cannot sell baby car seats or used electrical appliances.

Books - Books can also be left in bags or boxes on the Book Shop verandah.

Garden - Great time to put cuttings into pots; please keep them safe until a bit closer to Fair day.

Cakes - Start thinking about baking please. It is helpful to list ingredients on each item. Please remember that our school is NUT FREE!

Craft - All craft items would be greatly appreciated.

Baskets - Could you put a few items in a box/basket? Sometimes it is easiest to have a theme such as coffee and chocolate, girls hair products or champagne celebration.

Bottles - The bottle stall loves donations of full bottles or jars for example - lollies, wine, jam, pickles etc.

Donations - If you have a business and would like to donate an item for our chocolate wheel please contact Anne Clifton.

Help - Your Year Parent will contact you shortly to ask for your help in working on a stall or contributing to the Fair in any other way. It would be great if each family could help for a couple of hours to spread the work load.

Trash and Treasure

A reminder for everyone to sort through their old bits and pieces and deliver anything unwanted to the bookshop verandah ready to sort for the Trash and Treasure stand at the Spring Fair. Please remember that no preloved electrical goods can be sold.
### 6 YEARS MUSTANGS
The Mustangs team of Alex, Andy, Lachlan, Matilda and Mitchell played against Macquarie United. The team showed great enthusiasm. Matilda made a number of strikes on goal. Andy scored two goals and Lachlan one goal, all helped out by the rest of the team. Mitchell was strong in defence, helping to leave the opposition scoreless. Player of the match was Alex who put in another gutsy performance in both attack and defence. Well played Mustangs! Mr R. Roach

### 6 YEARS BRUMBIES
The Brumbies encountered a talented Red Tops team last Saturday and enjoyed getting back on the paddock after a bye the previous weekend. Hugh showed he is still improving and made some powerful kicks forward. James worked hard and kept chasing the ball throughout the game. Ben showed excellent dribbling skills and Nadia scored a fantastic goal with a great kick. Angus was strong in attack and defence and Patrick won the Player of the Match award for his enthusiastic play and some excellent kick ins. Well done Brumbies on another great match. Mr Cant

### 7 YEARS COLTS
The colts had another marvellous game last Saturday at Proctor Park. Bailey Jardine was player of the match after some stunning kicks. Anna Van Heekren also had a super attacking game. Charles Crowley was a superstar when taking kicks. Sam Nugent looked great in defence and attack and Kian Blackshaw’s dribbling skills were excellent. Great game colts! Miss Keene

### 9 YEARS SOCCER
Our team had most of the regular players back on the field this week but we were still down a few with illness. Thanks to Victor Chua for again filling in with much needed skill and speed. Although our boys started strongly, Churches United Seals were very well matched to All Saints. They managed to close down most opportunities and kept the pressure on. We gave away possession a few too many times resulting in the game remaining scoreless throughout all of the first half and most of the second. Our back line defence was Henry, Bud and David Goodman this week who all held positions well, kicked solidly and provided a wall of defence that helped immensely in what was a tight game. Good ball control and team work was displayed by Thomas with a couple of outstanding goal attempts which only just missed. Sam also had a great attempt at goal under pressure, again only just missing. Victor was another who played a very solid attacking game and only just missed out on scoring a goal for the team. Cameron delivered the only goal of the match with great skill, accuracy and speed giving All Saints a sweet victory 1-0. Well done Cam. In all, a great game was played and with good team spirit. It was particularly good to see the sportsmanship of our boys when a Churches played was injured, our boys went to his aid with concern. Well done everyone. A well deserved player of the Match went to David Goodman for great improvement this week. Congratulations David. Mr I. Redpath

### 10 YEARS SOCCER
The ASC U10’s finished off their season with an excellent performance against Bx 75 Whites. Although they went down 2-1 the result may well have been very different. But this game wasn’t about a result, this game was about some fabulous skills and teamwork. Henry played like a demon, saving corner kicks. The back and running the ball into the attacking zone at the other end. Fletcher controlled the midfield with great confidence while his midfield partner Matthew also showed impressive confidence and maturity. Will’s decision-making at the back signalled that he had come of age whilst Alexander showed that he had got up to speed with his team mates in very quick time (earning the final player of the week award). Hayden and David’s left side partnership blossomed and proved challenging for the opposition throughout the entire game. Lachlan Wilko’s fancy footwork mesmerised us all and he also nearly provided the goal of the year with a wonderful header that was somehow saved by the 75’s keeper. Victor never gave up and was constantly on the hunt for scoring opportunities while Roan and Lachy Mac handled the GK tag team routine with experience and professionalism. The boys turned a 2-0 deficit into a game that went right to the wire and deserved a more equitable result. The team knew it would be the last time they would play together and they rose to the occasion to show just how much of a team they had become. One spectator was overhead saying “this is just like a real game of soccer”, indeed it was for this group of boys are now footballers – they understand the game, they have developed skills and they play with absolute confidence. They certainly proved that on Saturday – a fitting finale for a team of champions. Mr Van Heekeren

### NETBALL REPORTS
Saturday was a beautiful day and fantastic netball was played by the Bunnies, Superfrogs and Redbacks. The Puppies had to finish the season with a bye. This was followed by a presentation for the Funnet players, Puppies and Bunnies. Some Puppies have been wearing their beautiful medals all week. Congratulations to Superfrogs who are progressing to the semi-finals this week. Please come along on Saturday at 11am to cheer on this team. Well done to all players for a great season. Thank you to all parents, coaches and supporters for your wonderful support and encouragement this year. Gabrielle Darlington. Gabrielle Darlington.

**ASC Superfrogs Vs Collegians Sparkles Crt 8 at 11.00am**

**ASC Superfrogs:**
played, I think, the best game out of all the games we have played. We played the Collegians Groovy Chicks. The score was 13/4 our way. Sophia and Lily were very good in the centre third with their passing and determination for the ball. Stephanie and Catie got some great intercepts and rebounds. Catie, Sophie and I got all the goals after receiving some great passes into the goal circle. Emma and Hannah were very good assets to our team. Thank you to our coaches Emma and Lauren. Libby Crampton

**ASC Redbacks:**
On Saturday 30th August the ASC Redbacks played a very exciting game with the Eglinton Rascals. All the way through, first to fourth quarter the game score was very tight but in the end the Eglinton rascals just beat the Redbacks. With our excellent defence, Emily, Olivia, Vanessa and Camilla grabbed the ball and passed it to our wonderful attackers Sophie, Logan and Hannah who passed it to our fabulous shooters Courttenay and Alex who evened up the score in the second to third quarter. But in the end, Eglinton Rascals had overtaken us in points and won. A massive thanks to our wonderful coaches Rosie Barnett and Shannon Hurley who coached us the whole netball season and a special thanks to the wonderful parents who cheered and encouraged us through the season too. Camilla Paton

UNDER 11’S HOCKEY REPORT

The Under 11’s played an exciting and challenging match to end the 2008 season. In this semi-finals match against Oberon they played an evenly matched game to be narrowly defeated 1-0. The halves, Eliza, Sarah Farraway and Melanie, played to their usual high standard, tirelessly defending and attacking. Sarah Goodman had a great game as goalie, keeping out many goals. Our younger players, Hannah, Anna and Erin contributed significantly, Anna earning player of the match for her excellent effort. All the girls played their best hockey and are to be congratulated for their wonderful attitude and commitment. We’ve greatly appreciated the outstanding support of family and friends throughout the season. They’ve certainly kept our spirits up and helped us maintain our positive attitude. Thank you everyone for your wonderful support. Ruth Clements.

11yrs GIRLS MAKE HOCKEY SEMI-FINALS

On Saturday 30th, the Under 11 girls played the semi-finals of hockey. The girls versed Oberon. At the start the girls were keeping the ball down at the goal ready to score. They played the first half very well nearly scoring a few goals. At half time the score was nil all. The girls came back on determined not to let Oberon score. Late in the second half Oberon received a short-corner and scored making the end score 1-0 to Oberon. Well done to Anna Cartwright for winning player of the week. Thank you to Mr Miller, Mr Ross and Mr Jackman for coming and watching.

UNDER 11 HOCKEY PARTY

Next Wednesday the Hockey party for Under 11 will be held. It will be at 3.30-4.30pm taking the place of After-School Sport. Please bring a plate of food to share.

Transition News

WOW ... Father Paul has been spending a lot of time making the children in transition very happy and engaged in learning experiences associated with the ‘ch’ sound. He spent lots of time shopping for ‘ch’ products to share with the teachers and the children and even brought his chook to visit us. T3 and T5 had a memorable time in the chapel with Father Paul and Bob the frog. We have also been busy with the ‘sh’ sound this week and making very special presents for our wonderful Dads. Happy Fathers Day from all of the team at Transition.
