VIM Week 29

We have come to the end of our Chapel series: From Sameul to Soloman with the sad division of the kingdom behind Rehoboan and Jeroboam. The picture shows the Year 4 students illustrating one of their Christian Studies lessons on the Tower of Babel. The task was to build the tallest structure which would stand alone for 10 seconds from 150 straws and a roll of sticky tape. The Tower of Babel was for self aggrandisement; let’s build for something that outlasts us.

6 YEARS MUSTANGS
The Mustangs contested strongly in their last match of the season. Using the skills developed over the season, the Mustangs finished with a positive attacking game. Mitchell scored his best goal of the season from an acute angle after weaving through the defence. Andy backed up the scoring shortly afterwards with a goal on the run. Alex was ever present in defence, Matilda made a number of great passes and Alexander was swift around the field and never far from the action. Player of the match was Lachlan. Congratulations to the Mustangs on a great season, and it was great to see all of the players develop their skills with each match they played Mr R. Roach

6 YEARS BRUMBIES
The Brumbies played their last match of the season on Saturday and finished the season in great style. From the opening kick off the team chased and kicked the ball with great determination. James Donovon showed some excellent dribbling skills with some fantastic runs towards the opposition. Angus Crozier was very solid in defence and also showed great sportsmanship. Ben Cant chased the ball all over the field and Hugh Miller showed great improvement with his hard straight kicking. We missed Nadia and Patrick on the weekend, but we hope that they will join us all at the Presentation Day this Saturday when the parents take on the kids! Mr Cant
