Welcome back to Term 3!

It was great to see all of the smiling faces of the students on Tuesday morning eager to get back to school after the three week break. I look forward to a term jam-packed full of exciting learning experiences.

Junior School Parent/Teacher Interviews

During Week 3 of this term parents are invited to meet with their child’s class teacher to discuss their Semester 1 report and progress.

Congratulations Soana!

During the holidays one of our wonderful Kindergarten students, Soana, attended a special Mayoral Morning Tea at the Bathurst Regional Council Chambers to celebrate as one of the winners of the 2016 Kindy Kit colouring in competition. Well done, Soana!

Junior School Inter-House Athletics Carnival

The children are glad to be back and are enjoying cooperative play activities with their friends once again. We are excited to announce that three new Gap Students, Miss Sophie, Miss Flo and Mr Paddy from the United Kingdom will be helping out in Pre-Kinder. Their assistance in Pre-Kinder is greatly appreciated! The letter we are covering this week is 'u'. The children painted colourful umbrellas as well as developed their facial muscles while blowing through a straw to create drippy raindrops on fluorescent umbrellas. We listened to children's books featuring the 'u' sound in words including Joey's Umbrella by John Tarlton, Crunch the Crocodile by Josephine Croser and Duck in a Truck by Jez Alborough. In Mathematics we explored the number 0 and enjoyed completing handwriting, cutting and pasting activities. This week the children also have been reminded of good hygiene practices, in particular, hand-washing procedures. I would like to take this opportunity to compliment the children for their hard work and amazing progress over the last two terms. I look forward to having the opportunity to chat to parents during the parent teacher interviews in week 3 or 4.

Regards,
Deb Porter

Garden Stall at Spring Fair

Hi everyone it’s time to be thinking about what you have in the garden that could be divided and potted up in time for September. We are seeking donations of plants, produce and flowers but for the time being potting seedlings into pots to grow out a bit or dividing plants and giving them time to settle into new pots is what we would love you to do if possible.

Don’t hesitate to contact Jo Murphy with questions 0412525526 or jomcmastermurphy@gmail.com

FROM THE CHAPLAIN

Reverend Tony Card

Tank yu tumas!

Welcome back to Term 3! I trust that you all found time for rest and relaxation with those you love over the break.

As you know, I took part in a Samaritan’s Purse team rebuilding kindergarten classrooms on Tanna Island for two weeks of the holidays. This was a fantastic and rewarding experience. I joined up with three young uni students to work with local builders to commence construction on a kindergarten at Lowanatom, a village on the west side of Tanna Island.

We had to start from scratch, marking out the site, removing vegetation, building up the centre of the slab, digging foundations, concreting and finally getting the wall frames up. It was hard work as there were no excavators or concrete trucks - everything was done by hand. We had to leave the locals to finish up the building which should be completed now.

One of the great joys that I had on this trip was to take over the gifts that the All Saints’ Community had so generously provided. The Junior School raised $160 through chapel collections last term. This, along with some staff donations meant that I had a big shopping spree buying books, balls, and other resources for the new class. These items, combined with some things I had at home meant that I used up my entire baggage allowance on classroom resources. Thankfully I was going to a warm climate and so managed to pack enough work clothes into my carry-on baggage allowance.

The gifts were presented on our final day on Tanna at a lunch hosted by the village. The children and teachers were very excited to receive these gifts. The kindy children all gathered around and gave a shout “Tank yu tumas!” which means “Thank you very much!” in Bislama, before heading off to play soccer, volleyball, and rugby, while others gave the skipping ropes a good workout.

It was an honour and a privilege to work alongside the people of Tanna and to give these gifts on your behalf.

Speech & Drama Update

A huge congratulations to all of the All Saints’ College students who performed in the Encore In-House Drama Festival on Friday 24th & Saturday 25th June at the Panorama Motel. The festival was a great success and the students had a wonderful time with some fantastic results! Well done to all students! We are now busily preparing for the Bathurst Eisteddfod in September.

Laptops needed - can you help?

During my visit to Tanna one of the things that struck me was the absence of many of the things that we take for granted. Classrooms were lucky if they had working lights. There were no smartboards, computers or projectors. Teachers expressed a need for them but there isn’t the money in their education system to provide them. I asked a couple of people if the laptops or computers that we Aussies have replaced would be useful. The answer was a resounding yes. They don’t need the latest and greatest machine with fast graphics, truckloads of RAM and awesome sound - they just need something that will efficiently run Microsoft Office with the potential to connect to the internet (internet coverage is a patchy 3G service on Tanna).

So, I plan to do something about this. I want to gather up those old laptops that are sitting around gathering dust, reformat the hard drive, update where necessary, install Microsoft Office and send them over to Tanna with Samaritan’s Purse for distribution. This is a project that will involve some of our technically minded students during a lunchtime each week.

If you have an old laptop that you think might be suitable, could you please send it to school? It would be helpful if it came with Microsoft Office licensing but this is not essential.

With every blessing,
Rev. Tony Card.
Clewsy’s woozy after Gorillas land a knockout blow

ASC Under 12 Gorillas vs Panthers Clewsy’s

ASC Gorillas climbed to the top of the table on Saturday 25 June with a great win over the previously unbeaten Panthers Clewsy’s.

Clewsy’s beat ASC 24-8 in their first round encounter but the Gorillas turned the tables to win 24-9 this time around.

It was even more impressive as the Gorillas were down one player for half the match.

But while the scoreboard looked convincing it was a very tough match with Panthers playing some hard and fast netball.

The team would like to thank Mrs Allen, Mrs Cant and all their supporters for cheering them on the whole time in freezing cold weather.

The Gorillas take on Bulldogs Popstars this Saturday.

ASC Under 12s vs Bathurst ’75 Cruisers

The Under 12’s played their first game back from the holiday break against a determined Bathurst ’75 Cruisers side at Proctor Park last Saturday.

The first half was one of All Saints best performances this season.

Fintan, Tom, Bella and Josh defended very well and James pulled off a couple of key saves.

Joey, Gus, Will P, and Will M passed crisply in the midfield.

But despite their dominance and a plethora of scoring opportunities the Saints just couldn’t capitalize.

All Saints’ didn’t start the second half well but Will S scored a goal to turn things around.

Will T made some dashing runs up the right sideline and crossed the ball well.

Will M did a huge job marking one of 75’s key players right out of the game.

Will M, Will S and Will P scored further goals to make it 4-0 at full time.

Player of the match was Will M.

As a young child Beatrix spent many hours making intricate sketches of animals and plants, revealing an early fascination for the natural world that would continue throughout her life.

Two of Beatrix’s earliest artist models were her pet rabbits. Her first rabbit was Benjamin Bouncer, who enjoyed buttered toast and joined the Potter family on holiday in Scotland where he went for walks on a lead. Benjamin was followed by Peter Piper, who had a talent for performing tricks, and he accompanied Beatrix everywhere.

One of Beatrix’s earliest stories, that of Peter Rabbit, was rejected by several publishers before Beatrix decided to publish it herself. She printed an initial 250 copies for family and friends in December 1901. The book’s instant success encouraged the publishers to reconsider their decision, offering to take it on as long as Beatrix re-illustrated it in colour. On publication in October 1902, it was an immediate bestseller. The following year, Beatrix published The Tale of Squirrel Nutkin and The Tailor of Gloucester with Frederick Warne, and the rest of her legendary tales followed.

To celebrate the birthday of Beatrix Potter in the library, we are holding a COLOURING IN COMPETITION. Print the picture on the next page or come into the library and grab a copy. Make sure your entries are handed in by Monday August 4th to be in the running for some great prizes!
“Now, my dears,” said old Mrs. Rabbit one morning, “you may go into the fields or down the lane, but don’t go into Mr. McGregor’s garden: your Father had an accident there; he was put in a pie by Mrs. McGregor.”
