Junior School Parent/Teacher Interviews

During Week 3 of this term parents are invited to meet with their child’s class teacher to discuss their Semester 1 report and progress. These interviews form a valuable part of the assessment and reporting process and I encourage all parents to take up this opportunity.

Well done, Todd!

Congratulations to Todd Nelson who came first in the New South Wales Schools Cross Country Championships at Eastern Creek last week. The full story is on page 3!

20km/h Speed Limit

Please be aware that there is a 20 km/h speed limit in all areas of the College Grounds. We also now have a School Zone (40km/h) on Eglinton Road at the front of the College.

Inter-House Athletics Carnival

The Junior School Inter-House Athletics Carnival will take place on Friday 29th July. Parents are most welcome to come along and support their children. If you can help with time keeping on the day please contact Mrs Nelson. The full programme of events is included in this edition of Junior VIM.

Junior School Assemblies

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9.00am.

Pre-Kinder have had a creative start to the term and especially enjoyed the glimpses of sunshine when it appeared. This week we have been talking about people we can trust. We know we can always tell an adult if we feel sad, mad or bad. We are also leading into learning about community helpers we can trust and looking forward to our fire station excursion next week.

This week we have been creating patterns that repeat over and over and over again. From pasta and bead necklaces, decorating love heart hats, shape printing and loose parts play, the children have really embraced patterns in ever increasing difficulty. Term 3 is action packed with athletics carnivals, excursions, special visitors, travelling shows, Fathers Day breakfasts and more.

We look forward to meeting with everyone at the Parent Teacher interviews next week to discuss progress and goals for your child. It is a privilege to share this journey with you.

Todd runs all the way to the National Championships

NSW PSSA Cross Country

All Saints’ running sensation Todd Nelson will represent NSW at the Schoolsport Australia National Cross Country Championships in Canberra next month.

Todd qualified for the state squad after winning the 11 Years Para Athlete Division of the NSW PSSA Cross Country Championships at Eastern Creek last Friday.

He ran in the 10,11,12 Years age group finishing fifth overall, an impressive achievement in itself as he was up against many older and stronger runners.

Conditions were predictably wet and the track was sloppy meaning Todd, a noted finisher, had to work extra hard to make his way through a pack of 48 runners in the two-kilometre event.

This affected his time which while slightly down on his best was still plenty good enough to give him the Gold Medal and his third state championship in a row, having won the 8/9 Years division in 2014 and the 10 Years in 2015.

Todd will now be looking to improve on the Bronze medal he won in last year’s Schoolsport Australia National Championships at Moonee Valley Racecourse in Melbourne.

The National Championships will be held at Mount Stromlo from Friday 19 August to Monday 22 August.

Todd will participate in the Opening Ceremony on Friday before competing on Saturday.

Each state team will go on an excursion on Sunday before the event wraps up with team relays, time trials, and the closing ceremony on Monday.

Mount Stromlo boasts a dedicated grass cross country running track that provides a mixture of fast flat running combined with some tough challenging hilly sections and sharp turns to test all levels of runners.

It will certainly present a different challenge to the flat track at Moonee Valley and hopefully one that will be even better suited to Todd in his quest for Australian Gold.

A towering task for Matt

Firefighters Climb For MND

All Saints’ College Catering Manager and firefighter Matthew Hitchens will be going to the top of the Sydney Tower Eye to raise funds for Motor Neurone Disease (MND) in October.

The only catch is he’ll be taking the stairs, all 1504 of them!

Matt will join Fire and Rescue NSW (FRNSW) fireies from across the state to race to the top of the tower on October 23 in support of research into this tragic condition.

MND is a progressive, terminal condition that can occur in anyone and directly affects thousands of Australians every year.

There is no cure or effective treatment at this stage, but a team of researchers at Macquarie University hope to change that using funds raised by the event.

“It’s often called ALS, or Lou Gehrig’s Disease but it doesn’t matter what you call it if you don’t want it,” Matt explains.

“Perfectly healthy people like you and me can get MND – it strikes indiscriminately, at any time with no proven explanation.”

MND affects the nerve cells (neurones) controlling the muscles that enable us to move, speak, breathe and swallow, causing them to degenerate and die.

A person’s senses and intellect are not affected leaving them trapped inside a dying body they have no control over.

Matt is currently in training for the race where the firefighters will lug gear weighing 20kg up 98 floors to the top of the tower.

“It’s going to be a tough, grueling, painful slog for all, but not nearly as tough as being diagnosed with a terminal illness,” he said.

“Focusing on the reason we are doing this will help get us through the tough times.”

Matt hopes to raise $1,504 to help Macquarie University continue their important work, and would appreciate any support no matter how small your contribution.

Gorillas in the mist rock out as Popstars fizzle
ASC Under12 Gorillas vs Bulldogs Popstars
ASC Gorillas resumed from the holiday break with a strong 29-6 win over Bulldogs Popstars last Saturday.
The misty and cold conditions did little to deter the Gorillas who were on fire from the outset.
There was some tight shooting from Charlotte and Sophie and centre court players Hannah, Breahna and Rhiannon brought the ball effortlessly down court from the opposite end.
Bridget and Phoebe were strong in defence, keeping the Popstars scoring to a minimum.
The Gorillas really started to find their rhythm in the second quarter and the goals began to mount.
Georgie Geyer went on a scoring spree, piling on the points.
The Gorillas strengthened their stranglehold on the match in the third and fourth quarters with Lauren Cant constantly thwarting their attacking raids.
The team enjoyed red frogs and clinkers to recharge the batteries at the end of the game.

Training pays off for Chimps as goals start to flow
ASC Chimps vs Eglinton Minions
On the 23rd July the ASC Chimps played the Eglinton Minions.
Despite the miserable weather the girls did a fantastic job to keep the ball moving around the court.
The team has been working very hard in training at being proactive in getting the ball and spacing themselves out on the court and this showed in the game when they worked as a team to help Annabelle score two goals!
The ASC Chimps showed fantastic confidence in both their attacking and defending skills as well as wonderful sportsmanship to each other and the opposing team.
Well done Chimps!

Garden Stall at Spring Fair

Hi everyone it’s time to be thinking about what you have in the garden that could be divided and potted up in time for September. We are seeking donations of plants, produce and flowers but for the time being potting seedlings into pots to grow out a bit or dividing plants and giving them time to settle into new pots is what we would love you to do if possible.

As a young child Beatrix spent many hours making intricate sketches of animals and plants, revealing an early fascination for the natural world that would continue throughout her life.

Two of Beatrix's earliest artist models were her pet rabbits. Her first rabbit was *Benjamin Bouncer*, who enjoyed buttered toast and joined the Potter family on holiday in Scotland where he went for walks on a lead. Benjamin was followed by *Peter Piper*, who had a talent for performing tricks, and he accompanied Beatrix everywhere.

One of Beatrix’s earliest stories, that of *Peter Rabbit*, was rejected by several publishers before Beatrix decided to publish it herself. She printed an initial 250 copies for family and friends in December 1901. The book’s instant success encouraged the publishers to reconsider their decision, offering to take it on as long as Beatrix re-illustrated it in colour. On publication in October 1902, it was an immediate bestseller. The following year, Beatrix published *The Tale of Squirrel Nutkin* and *The Tailor of Gloucester* with Frederick Warne, and the rest of her legendary tales followed.

To celebrate the birthday of Beatrix Potter in the library, we are holding a **COLOURING IN COMPETITION**. Print the picture on the next page or come into the library and grab a copy. Make sure your entries are handed in by **Monday August 4th** to be in the running for some great prizes!

“There is something delicious about writing the first words of a story. You never quite know where they’ll take you.”

On July 28th Beatrix Potter was born 150 years ago!
“Now, my dears,” said old Mrs. Rabbit one morning, “you may go into the fields or down the lane, but don’t go into Mr. McGregor’s garden: your Father had an accident there; he was put in a pie by Mrs. McGregor.”
