Pre-Kinder have been having a brilliant week exploring dental hygiene, 2D lines and things about ‘b’. We have had many opportunities for craft, art and movement but a particularly wonderful morning was spent on exploring how to write their own book. We looked at different books for inspiration as the children began to create stories, illustrate, and write titles for their own books. Some even making up to two sequels to their original story. With pride they took these books to Mr Jackman who acknowledged their wonderful work with a special sticker. Dr Theresa came to speak to the children about dental hygiene and used her wonderful assistant Sebastian as an awesome demonstration of how to clean teeth properly. A big focus was also on letting parents clean our teeth each night to make sure the job is done well.

Be still, and know that I am God… (Psalm 46:10)

We all lead busy lives. Despite the prophecies of social commentators our lives seem to keep getting busier and harder, not easier and more relaxed. I recall being told back in high school in the early 1980s that by the time I was 30 I would only be working 20-30 hours per week and would spend most of my time in leisure pursuits. Now I find myself rapidly approaching 50, working 50+ hours each week and struggling to find any time for leisure! The promises in the rapid rise of technology to make life easier and simpler have also proved to be hollow. We would once write a letter, post it, and not expect a reply for a week or so. Now we send an email and expect an instant response. Society’s demands on our time mean that we often find it impossible to spend quality time with those we love and we see families breaking down as a result.

It’s time for us to stop!
It’s time for us to be still!
It’s time for us to listen to God!

Different day, different time, same big effort

ASC Under 9 Minkey Hockey

A change of day and time saw the ASC U9’s play at the unfamiliar time of late Friday afternoon.

But apart from having to borrow a few players from Souths to even out the teams it appeared to have no negative affects with both teams relishing the chance to play after an extended weather layoff.

ASC passed the ball around really well and worked hard to stay in position so it was always easy to find a team mate in support.

Charlotte took Hockey Bear home for the week after being awarded Player of the Match for her passing and tackling.

The psalmist who wrote Psalm 46 must have experienced a frantic and stressful life. It would seem that this psalm was inspired by a time of trouble and uncertainty. The writer reminds us that when we are in trouble it is God who is our refuge and our strength. It is only when we take the time to stop and engage with God that we truly experience the best of what this relationship has to offer.

So I encourage you to take the time, find a quiet place, open your Bible and listen to God - he is speaking to you through its pages.

With every blessing,

Rev. Tony Card.

The Bellbird tolls but the Orangutans fight to the end

ASC Under 10 Orangutans vs Superstars Bellbirds

ASC Orangutans met a red hot Superstars Bellbirds on a rare sunny Saturday morning.
The ASC girls were faced with a slick, fast-moving team but despite this, they didn’t stop trying for one moment.
Charlotte and Caitlin played an awesome first half in defence, intercepting the ball frequently and proving to be a handful for their opponents.

Olivia was everywhere as centre, giving 110% for the entire half.
Sarah was another who was playing well, with her excellent passing helping Mia get the team on the scoreboard midway through the second quarter.
The second half was a much more even affair, with the ASC girls doing an awesome job in defence.
Ella’s intercepts and return plays were crucial while Sarah was very unlucky not to score on a few occasions.
The Orangutans managed to limit the opposition to just five goals in the second half - well done girls!

Ella was awarded player of the match.

**Garden Stall at Spring Fair**

Hi everyone it’s time to be thinking about what you have in the garden that could be divided and potted up in time for September. We are seeking donations of plants, produce and flowers but for the time being potting seedlings into pots to grow out a bit or dividing plants and giving them time to settle into new pots is what we would love you to do if possible.

Don’t hesitate to contact Jo Murphy with questions 0412525526 or jomcmastermurphy@gmail.com

**From the Library**

**Book Week** is coming up in Week 6 (August 22nd) and we are busy preparing our classes for the activities during that week. Our infants classes (K-2) are looking at one of the Children’s Book Council of Australia Shortlisted Books in the Early Childhood category each week and in Week 5 they will vote for their “Book of the Year”.

As we did last year, there will be a “pyjama and pizza” night on the Tuesday 23rd where we will have a trivia game based on the books as well as announce the Book of the Year.

This year we would like to do something for the primary students as well. We have allocated each class a category of the CBCA shortlisted books and the students will work in small groups to create a book trailer for one of the books. We will have a special screening of the book trailers on the Thursday 25th and invite parents to come and have a sausage sizzle lunch.
