Last Assembly of the Term
We have the pleasure of welcoming the Mayor of Bathurst, Cr Gary Rush, to our assembly tomorrow to present Citizenship Awards.

Winter Sport Grand Finals
Good luck to our Under 12 Netball and our Under 12 Soccer teams who will both be playing in their respective Grand Finals this Saturday.

Spring Spectacular
We were blessed with fantastic weather on Sunday for our annual Spring Fair. There were hundreds of people in attendance for what was a very fun and action packed day.

A big thank you to the Spring Fair Committee and to all of the Parents and Friends who helped make the Spring Spectacular such a successful event.

This year the Festival of Art was held on the same weekend as the Spring Fair and was well attended over the weekend. The Art Show Opening on Saturday was a wonderful opportunity for art lovers to get together and appreciate the wonderful talent on display.

Give Hot Drinks The Cold Shoulder
Could parents please refrain from dropping children off at school with a hot drink. These inevitably get spilt on children and cause burns.

Driving on ASC Grounds
Please be aware that all roads on College grounds have a 20 km/h speed limit. We also now have a 40 km/h school zone out front of the College on Eglinton Road.

Junior School Assemblies
All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9.00am.

The Pre-Kinder children have been exploring the letter y and time (day and night) this week. We made yellow yacht pictures and dictated some amazing stories about them. We also made our very own yellow butter and spread it on toast for a yummy treat. We painted a night-time picture featuring nocturnal animals and read a funny night-time story called ‘Peace at Last’ by Jill Murphy. We are enjoying our Healthy Living Program and have discussed various sports and forms of exercise as well as the importance of sleep. Term 3 has flown by. It’s hard to believe next week is the last week of term! We would like to thank Mrs Rivett for all her help in Pre-Kinder this term and wish everyone a restful break.

Kind Regards,

Deb Porter
Gorillas to battle Panthers for under 12A title

An Ode to the Rampaging Gorillas by Coach Jodie Allen

With Grand Final day so near,
The ASC Gorillas have no fear!
A tough game I am sure we will face,
Against Panthers Clewsy’s who finished in first place.
With Breahna, Hannah, Kate and Rhiannon in centre court,
They will be feeding the circle without a thought.
Shooting the goals with never a miss,
You’ll find Lauren and Phoebe who are never in a twist.
In defence you will see Bridgette and Georgie Geyer,
The arms on these girls just couldn’t reach any higher.
Charlotte and Sophie, you will surely be missed,
Please remember, without you we could not have done this.
Focused and ready the Gorillas will be,
A fabulous game of netball you will definitely see.
Please come and watch, we need your support,
You will find us playing at 11.30 on the 8th court!

Thanks parents!

ASC Year 7 class parents would like to send a huge thank you to all parents of the school for supporting this year’s Chocolate Wheel and Chocolate Toss at the Spring Fair.
Your generosity was incredible and we really were overwhelmed by all the help we received.
Special mention to all the Year 7 parents who contributed to the stalls and a very big thank you to:
GORGEOUSNESS HOME, GORGEOUSNESS, RAPUNZEL’S HAIR CASTLE, TRINITY HEIGHTS IGA, BAKE, TABLE AND TEA and FISH RIVER ROASTERS.

ASC out to maintain history of dominance over Eglinton

BDSA Under 12 Football Grand Final

They had to do it the long way but ASC will still go into Saturday’s Bathurst District Soccer Under 12 Grand Final against Eglinton with plenty of confidence.

After finishing third All Saints had to qualify via two sudden death playoffs, the first against Bathurst ’75 Cruisers and the second, last Saturday, against Collegians Eagles.

Making things even more difficult the games were less than five days apart after flooded fields forced the BDSA to postpone the first round of finals.

By contrast, their opponents, who defeated Collegians Eagles in the major final, will have played only one game in 10 days by the time the grand final arrives.

However, All Saints’ have one big advantage over their rivals - they have never lost to Eglinton.

Not this year, not last year, not ever and that fact alone may make them favourites against the minor premiers.

In their only clash this year ASC beat Eglinton 3-1 on the back of a big second half after scores were locked 0-all at the break.

ASC took control with two goals early in the second half before Eglinton struck back.

It was a different story in Saturday’s preliminary final with ASC having to come from behind after Collegians Eagles scored inside the first two minutes.

But All Saints recovered quickly from the shock and sustained attacking pressure produced a goal to Will P before half time.

Collegians continued to attack in the second half but Saints’ stepped up their intensity and dominated in defence.

They finally took the lead through a stunning goal to Gus from a corner.

Will S then sealed the win with the goal of the day after dashing from halfway, zipping past three defenders and placing the ball in the corner of the net.

Come along this weekend and support the Under 12’s in their grand final!

Each year All Saints’ College offers students who are Australian citizens a number of Scholarships. The following categories of scholarships will be awarded to students who will be entering Years 5, 7, 9, 10 and 11 in 2018:

- **Academic Scholarships (Years 5, 7, 9, 10 and 11)** are awarded essentially on the basis of the results obtained in the annual cooperative ACER scholarship examination. Applicants should have a commendable academic record supported by a personal resume showing academic and co-curricular achievements. Applicants who are new to the College will also be invited to an informal interview.

- **Head of College Awards (Years 7, 9, 10 and 11)** are made on the basis of the results obtained in the annual ACER examinations as well as on the applicant’s co-curricular achievements. Head of College Awards are by definition not scholarships but are a recognition by the College of the contribution to be made by a genuine all-rounder to the life of All Saints’ College through their participation in all aspects of school life. A comprehensive resume demonstrating the candidate’s achievements is required and applicants who are new to the College will also be invited to an informal interview.

- **Music Scholarships (Years 7, 9, 10 and 11)** are awarded to students who have attained a high level of instrumental performance achievement for their age level. Music scholarships are awarded on the basis of the results obtained in the annual ACER scholarship examinations. In addition, music scholarship candidates are required to prepare for a short audition and to sit a simple theory/aural test. A comprehensive resume demonstrating the candidate’s background and musical achievements is required and applicants who are new to the College will also be invited to an informal interview. A confidential report from the current instrumental tutor is also required.

### Applying for Scholarships
All Saints’ College participates in the national ACER (Australian Council for Educational Research) Cooperative Scholarship Testing Program. Applicants sit the examinations (usually at All Saints’ College) in late February of the year prior to enrolment. For example, for those wishing to apply for a scholarship for Year 7, the candidate must sit the examination while currently in Year 6 – having registered for the examination towards the end of Year 5.

Background to the Nationally Consistent Collection of Data on School Students with Disability

In May 2013, all Education Ministers from Commonwealth, state and territory governments endorsed the implementation of a nationally consistent collection of data on school students with disability in all Australian schools (government, independent and Catholic).

The nationally consistent approach to data collection provides all Australian schools, education authorities and the community with a clear picture of the number of students with disability in schools and the adjustments they are provided to enable them to participate in education on the same basis as other students.

Authority for the collection of information for the purposes of the NCCD

The Australian Education Regulation 2013 (the Regulation) (www.comlaw.gov.au/Details/F2014L01723) requires the operators of government and non-government schools (approved authorities) to provide information to the Australian Government Department of Education and Training (the department) for the purposes of the NCCD.

The information that approved authorities must give to the department is set out at subsection 58A(2) of the Regulation. This includes, in relation to each student with a disability at a school operated by the approved authority:

- the student’s level of education (i.e. primary or secondary)
- the student’s category of disability (i.e. physical, cognitive, sensory or social/emotional)
- the student’s level of adjustment (i.e. support provided within quality differentiated teaching practice, supplementary, substantial or extensive adjustment).
The information **will not identify individual students** (subsection 58A(3) of the Regulation); no information that could reasonably enable the department to identify individual students will be provided by approved authorities to the department\(^1\).

Other details about the information to be collected and the format in which the information is to be provided to the department, will be contained in guidelines approved by the Education Council (the committee of the Council of Australian Governments comprising the Commonwealth and state and territory Ministers responsible for education). The NCCD guidelines are available on the department’s website at [www.education.gov.au/nationally-consistent-collection-data-students-disability-guidelines](http://www.education.gov.au/nationally-consistent-collection-data-students-disability-guidelines)

**Collection and disclosure of school level information**

The information collected by schools for the purposes of the 2016 national data collection will ultimately be provided to the department. In some cases this will involve the school passing the data directly to the department and in other cases the school will provide the data to its state and territory government agency or other relevant body, depending on the school’s particular arrangements. The state and territory government agency or other body will further de-identify school level data, and may aggregate the data at the state and territory level, before providing the data to the department.

The department, on behalf of the Joint Working Group\(^2\), will use the information collected for the purposes of preparing reports for and briefing the Australian Education Systems Officials Committee and the Education Council in relation to the NCCD. For the purposes of preparing these reports or briefing material, the department will ensure that the information is aggregated sufficiently so that no student’s identity could reasonably be ascertained.

The aggregated information held by the department may also be used as an input to policy development for future funding and other policy requirements as required by the Education Council.

\(^1\) In the event that NCCD information given by an approved authority to the department does indirectly enable the department to reasonably identify an individual, the disclosure of that information by the approved authority, and the collection of that information by the department, are both authorised by law for the purposes of the *Privacy Act 1988* (Cth). Nevertheless, the department will seek to de-identify NCCD information that inadvertently contains identifying information.

The department’s Privacy Policy, including further information about how individuals can access and correct personal information the department may hold, or how to make a privacy complaint to the department, is available at [www.education.gov.au/privacy](http://www.education.gov.au/privacy).

\(^2\) The Joint Working Group to Provide Advice on Reform for Students with Disability is comprised of representative members from all state and territory government educational authorities, Independent Schools Council of Australia, the National Catholic Education Commission, the Australian Curriculum, Assessment and Reporting Authority, and the Australian Government.
The department will not otherwise disclose any personal information to third parties, including overseas recipients, without consent or unless authorised or required by law.
