A Busy End to the Year
Welcome back for our last school term of 2016. Term 4 is always very busy with a range of sporting and cultural events that involve all students in some way. I encourage everyone to keep a close eye on the school calendar to ensure that they are aware of upcoming events.

Year 5 and 6 Camp
Our Year 5 and 6 students will be participating in their annual outdoor education camp to Newnes in the Wollemi National Park from Wednesday 19th to Friday 21st October. They will be visiting the shale oil mine ruins and hiking to the Glow Worm Tunnel. This camp provides a wonderful opportunity for the students to develop both self-independence and group work skills.

Summer Sport
Our summer sport co-curricular programme begins this week. Students should ensure that they are prepared with equipment and uniform for their first matches this week and that they know where their first fixture is being played.

Hot Drinks
Could parents please refrain from dropping children off at school with a hot drink. These inevitably get spilt on children and cause burns.

Driving on ASC Grounds
Please be aware that all roads on College grounds have a 20 km/h speed limit. We also now have a 40 km/h school zone out the front of the College on Eglinton Road.

Junior School Assemblies
All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9.00am.

Welcome back to an awesome and productive start to the term. It was lovely to celebrate two holiday birthdays and hear the wonderful things that children did on their holidays. We have had a lot of fun with the digraph ‘ch’ by practicing with chopsticks, experimenting with wet and dry chalk and creating large train tracks (Choo Choo!). Mrs Parkinson made some amazing ricotta cheese with the children and we all loved watching it separate into curds and whey and of course the taste test. We watched a Chinese Dragon festival on the Activboard then cut out our painted Chinese dragons. After putting them together with a concertina fold body we drummed and danced our dragons around the room in our own festival. We also had great fun filling, measuring and pouring in the sandpit and rice tub while exploring volume.

Mrs Sally Parsons
Junior School musicians not afraid to go solo

Congratulations to our Junior School students who performed as solo musicians in the recent Bathurst Eisteddfod.

It was wonderful to see so many students participating and sharing their passion for music at such a young age.

Our trio of piano boys, all aged under 8, are definitely young musicians to keep an eye on.

Charles Croaker, Year 1, placed 1st in the 12 years and under piano duet and was also awarded two seconds and a third.

Leonidas Klonis, Year 2, placed third in the 8 years and under contemporary section and was also highly commended in classical solo.

William Randall, also Year 2, placed first in both any age grade 1 piano solo and 8 years and under popular vocal solo.

He also collected a 2nd, 3rd, and a highly commended.

In the 9 and 10 years age group, Isabel Randall was awarded 2 first places and a 2nd in the 9 and 10 years solo woodwind sections on her flute.

She also picked up another two 2nd places in her vocal sections.

Jemima McLeod placed 2nd in the popular piano solo section and was highly commended in 2 other piano sections.

A special mention to Blake Van Yzendoorn who participated in his first eisteddfod as a solo trumpeter and did a great job.

In the 11 and 12 years section, Isabella Taylor and Toby Gough were also first time performers.

Toby was awarded a 2nd place on his bassoon in the restricted woodwind section.

Isabella was awarded a 1st and a 3rd in the 11 and 12 years orchestral strings solo sections and a most impressive first in the 14 years and under Mitchell Conservatorium Orchestral String Championship Accompanied solo.

Mrs Frances McLeod
Co-ordinator of music, Junior School

Junior cricket this Saturday

Cricket

The cricket season is starting again and Saturday is the first game!

I am looking forward to some terrific reports of the upcoming games and I hope everyone enjoys the season and develops their cricket skills.

Thank you to those who are coaching the teams this season - I appreciate the time you are volunteering to our school.

Parents and grandparents, if you are able to come and help-out with scoring, umpiring or cheering the team on, that would be fantastic!

This season the BDJCA is having difficulty scheduling venues for all the games due to limited cricket grounds.

I will always include fixture details in the VIM, but please check the BDJCA website in case there are any last minute changes (www.bdjca.nsw.cricket.com.au).

Enjoy the season!

Mrs Jo Nicholls, Junior School Cricket
Co-ordinator

Saturday 15th October  All Saints’ Cricket Fixtures

Kanga 7s vs St Pat’s at Brooke Moore 2
Kanga 9s vs City Colts at Edgell Oval, ASC
11 Years vs RUCC Copeland at Raglan Public School

Please be at the ground at 8:30am for an 8:45am start (unless your coach asks you to be earlier).

If there is wet weather, please check the Bathurst District Junior Cricket Association Facebook Page on Saturday morning to check if games are still on.

Good luck to all teams!

ASC P&F Meeting
Monday 17 October 6:00pm

Each year All Saints’ College offers students who are Australian citizens a number of Scholarships. The following categories of scholarships will be awarded to students who will be entering Years 5, 7, 9, 10 and 11 in 2018:

• **Academic Scholarships (Years 5, 7, 9, 10 and 11)** are awarded essentially on the basis of the results obtained in the annual cooperative ACER scholarship examination. Applicants should have a commendable academic record supported by a personal resume showing academic and co-curricular achievements. Applicants who are new to the College will also be invited to an informal interview.

• **Head of College Awards (Years 7, 9, 10 and 11)** are made on the basis of the results obtained in the annual ACER examinations as well as on the applicant’s co-curricular achievements. Head of College Awards are by definition not scholarships but are a recognition by the College of the contribution to be made by a genuine all-rounder to the life of All Saints’ College through their participation in all aspects of school life. A comprehensive resume demonstrating the candidate’s achievements is required and applicants who are new to the College will also be invited to an informal interview.

• **Music Scholarships (Years 7, 9, 10 and 11)** are awarded to students who have attained a high level of instrumental performance achievement for their age level. Music scholarships are awarded on the basis of the results obtained in the annual ACER scholarship examinations. In addition, music scholarship candidates are required to prepare for a short audition and to sit a simple theory/aural test. A comprehensive resume demonstrating the candidate’s background and musical achievements is required and applicants who are new to the College will also be invited to an informal interview. A confidential report from the current instrumental tutor is also required.

---

**Applying for Scholarships**
All Saints’ College participates in the national ACER (Australian Council for Educational Research) Cooperative Scholarship Testing Program. Applicants sit the examinations (usually at All Saints’ College) in late February of the year prior to enrolment. For example, for those wishing to apply for a scholarship for Year 7, the candidate must sit the examination while currently in Year 6 – having registered for the examination towards the end of Year 5.

For further details please contact the College: admin@ saints.nsw.edu.au
Triathlon Season is here!
Come down and join the fun!
Sunday 23rd October

King Cain Wallabies (long/short) Race:
$15* Adults, Students $10*:

Nationally Consistent Collection of Data on School Students with Disability

Background to the Nationally Consistent Collection of Data on School Students with Disability

In May 2013, all Education Ministers from Commonwealth, state and territory governments endorsed the implementation of a nationally consistent collection of data on school students with disability in all Australian schools (government, independent and Catholic).

The nationally consistent approach to data collection provides all Australian schools, education authorities and the community with a clear picture of the number of students with disability in schools and the adjustments they are provided to enable them to participate in education on the same basis as other students.

Authority for the collection of information for the purposes of the NCCD

The Australian Education Regulation 2013 (the Regulation) (www.comlaw.gov.au/Details/F2014L01723) requires the operators of government and non-government schools (approved authorities) to provide information to the Australian Government Department of Education and Training (the department) for the purposes of the NCCD.

The information that approved authorities must give to the department is set out at subsection 58A(2) of the Regulation. This includes, in relation to each student with a disability at a school operated by the approved authority:

- the student’s level of education (i.e. primary or secondary)
- the student’s category of disability (i.e. physical, cognitive, sensory or social/emotional)
- the student’s level of adjustment (i.e. support provided within quality differentiated teaching practice, supplementary, substantial or extensive adjustment).
The information will not identify individual students (subsection 58A(3) of the Regulation); no information that could reasonably enable the department to identify individual students will be provided by approved authorities to the department¹.

Other details about the information to be collected and the format in which the information is to be provided to the department, will be contained in guidelines approved by the Education Council (the committee of the Council of Australian Governments comprising the Commonwealth and state and territory Ministers responsible for education). The NCCD guidelines are available on the department’s website at www.education.gov.au/nationally-consistent-collection-data-students-disability-guidelines

Collection and disclosure of school level information

The information collected by schools for the purposes of the 2016 national data collection will ultimately be provided to the department. In some cases this will involve the school passing the data directly to the department and in other cases the school will provide the data to its state and territory government agency or other relevant body, depending on the school’s particular arrangements. The state and territory government agency or other body will further de-identify school level data, and may aggregate the data at the state and territory level, before providing the data to the department.

The department, on behalf of the Joint Working Group², will use the information collected for the purposes of preparing reports for and briefing the Australian Education Systems Officials Committee and the Education Council in relation to the NCCD. For the purposes of preparing these reports or briefing material, the department will ensure that the information is aggregated sufficiently so that no student’s identity could reasonably be ascertained.

The aggregated information held by the department may also be used as an input to policy development for future funding and other policy requirements as required by the Education Council.

¹ In the event that NCCD information given by an approved authority to the department does indirectly enable the department to reasonably identify an individual, the disclosure of that information by the approved authority, and the collection of that information by the department, are both authorised by law for the purposes of the Privacy Act 1988 (Cth). Nevertheless, the department will seek to de-identify NCCD information that inadvertently contains identifying information.

The department’s Privacy Policy, including further information about how individuals can access and correct personal information the department may hold, or how to make a privacy complaint to the department, is available at www.education.gov.au/privacy.

² The Joint Working Group to Provide Advice on Reform for Students with Disability is comprised of representative members from all state and territory government educational authorities, Independent Schools Council of Australia, the National Catholic Education Commission, the Australian Curriculum, Assessment and Reporting Authority, and the Australian Government.
The department will not otherwise disclose any personal information to third parties, including overseas recipients, without consent or unless authorised or required by law.

**Contact**

For further information about the collection, use or disclosure of information for the NCCD please contact: SWDPolicyTeam@education.gov.au.
