Infants Performing Arts Night
Congratulations to all of the Infants students who performed in “The Button Box” last Thursday night in the Kemmis Building. A special thank you to all of the parents who contributed in so many ways in making the night a success. This week the children took their show on the road and performed the musical at Macquarie Care Centre to a very appreciative audience.

Junior School Assemblies
All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9.00am.

HICES Debating
Congratulations to the Junior School HICES Debating team. The team travelled to Orange on Monday to debate against Kinross in the third round of the competition. Important Dates for the Calendar
22/5/15 Festival of Art Opening Night
29/5/15 HICES Cross Country
11/6/15 CIS Cross Country
18/6/15 Last day of classes for Term 2
This week our class work has been associated with the letter ‘r’, the number 5 and responsibilities. We love moving like robots to the ‘Robots’ song by Gary and Carol Crees. In Mathematics, we will be completing hands-on activities to help children to identify, name and write the number 5. Responsibility is also our news topic for the week. It has been interesting hearing about each child’s responsibilities. In the stories, ‘Shutting the Chooks in’ by Libby Gleeson and ‘Milly, Molly and Taffy Bogle’ by Gill Pittar we learn about how the characters are responsible for caring for animals. I hope you can spare some time over the weekend to view the amazing Pre-Kinder art at the Festival of Art as well as enjoy the refreshments on offer. Some children have already commented on the yummy cakes and slices that their families have planned on bringing. Thank you in advance to those families! Kind Regards, Deb Porter
the Spirit gave them ability.

All of them were filled with the Holy Spirit they experienced was nothing short of the Spirit would be manifest to them. What they had promised. Even though there were thousands who had gathered in Jerusalem for the festival.

The impact of the Holy Spirit did not end there. The disciples were given confidence to speak with knowledge and wisdom. They were able to perform miracles just as Jesus did. And they had a joy, peace and sense of community that hadn’t been seen before. That day they went from being a small band of believers to a community of over 3000.

The promise of the Holy Spirit was not just for the original disciples. This promise is for all who declare faith in Jesus. Without the Holy Spirit we are powerless to do the things that Jesus has planned for us. With the Holy Spirit there is nothing that we can’t do.

May we all take the time this Sunday to ask the Holy Spirit to be part of our lives. With every blessing,

Rev. Tony Card.

Thought for the week: All were amazed and perplexed, saying to one another, ‘What does this mean?’ (Acts 2:12, NRSV)
Minkey Hockey

Last Saturday morning, the ASC Under 7s Minkey team played on the grass fields. We were a few players short but were fortunate to be able to borrow a few players from Souths Sky, our first opponents. During the game we saw some strong defensive clears from Harry and two exciting goals from Sian. Sam, Charlotte and Lily had more opportunities to get involved in the play in the second round where we played one of the St. Pats teams. Our beginners, Charlotte and Lily are quickly developing new skills as well as learning the rules of the game. Sian was awarded player of the day and got to take “Hockey Bear” home until the next game. Thank you of the game. Sian was awarded player of the day and got to take “Hockey Bear” home until the next game. Thank you to the parents who cheered us on from the sideline. Please note that the Bethurst Hockey Association will be trialing new game times for various age groups from May 30th until the school holidays.

DUBBO BOARDING SCHOOLS’ EXPO 2015

Last weekend the Registrar’s team represented the College at the Dubbo Boarding Schools’ Expo 2015. This proved once again to be a most useful forum for our regional families to assess the suitability of All Saints’ for their children. The Expo held in the Dubbo Regional Convention Centre on Friday 15 and Saturday 16 May, attracted a large number of families, many of whom were visiting far-flung centres like Bourke where there is a strong All Saints’ connection. A number of current and past friends and associates also popped in for a chat at the All Saints’ presentation.

DUBBO ‘MEET AND GREET’

In the wake of the Dubbo Boarding Expo Dr Miller will host a follow up informal gathering on Tuesday 26 May at 7.00pm to be held in the Longyard Room of the Cattleman’s Country Motor Inn, 8 Whylandra Street, Dubbo. These informal meetings are a vital way of ensuring that our amazing school maintains a living presence in our regional communities. They provide an essential service to our families who are making the ‘big decisions’ about schooling for their children. Please pass on the invitation and rsvp for this event to Mrs Lisa Ellery lisa.ellery@saints.nsw.edu.au.

FOR THE ATTENTION OF THE FAMILIES OF YEAR 6

Families of our current All Saints’ Year 6 are encouraged to please return their completed application for Year 7 2016 to the Year 6 class teacher. (No further documentation is required). Year 6 families should notify this office if their child will not be continuing in 2016 into Year 7. (No enrolment fee is payable for current, continuing students).

ALL SAINTS’ AT THE FAMILY FUN DAY

The amazing All Saints’ College Pre-Kindergarten Team supported by Mr Chris Jackman represented the College at the Bathurst Family Fun Day at the Peace Park last Saturday. A beautiful autumn sunny day ensured big crowds and lots of excitement. Members of the team commented that “it was great to see so many families enjoying a wonderful day out with many child care centres and schools on display and the free sausage sizzle was a real hit. There were plenty of visitors to the stand and a great day was had by all.” Thank you to Mr Chris Jackman, Mrs Deb Porter, Mrs Sally Parsons, Mrs Jacinta Rivett, Mrs Jane Parkinson and their families for giving up their time to assist the College promotion of the Pre-Kindergarten Programme.

PRE-KINDERGARTEN 2016

Please encourage any families known to you who are considering enrolling their child in the All Saints’ Pre-Kindergarten classes for 2016 to get in touch urgently. Interviews for the 2, 3 and 5 day groups have now commenced and the groups are filling fast.

A note of sincere welcome to new students Fynn Corbett in Year 7 and Laura Dunstall in Year K.
