# PRE-KINDERGARTEN NEWS

*Matilda (PK3) loved playing with the dolls this week.*

This week in Pre-Kindergarten we are learning more about the letter d and the sound it makes. The children drew a dinosaur picture and dictated a story about what was happening in their picture. There were lots of volcanoes erupting in many pictures. In science we sorted our dinosaur models into herbivores, carnivores and omnivores and watched some clever StoryBots dinosaur YouTube clips. In Mathematics we explored the number 7. We sang and marched to the Seven Steps song and enjoyed completing handwriting and pasting activities in our Maths scrapbooks. In Literacy and News we are learning more about Australian animals and read classic Aussie books such as Wombat Stew by and Edward the Emu by Sheena Knowles. We also read a relatively new book, Baby Tawnies by Judy Paulson and learnt more about the lives of tawny frogmouths. Portfolios will be sent home next week so family members and friends can see the fantastic work the children have been doing in Pre-Kindergarten. Kind Regards, Deb Porter

*Happy Birthday, Sianna! (PK3)*

*Archie B. (PK2) is working his way through the Computer Classroom Program.*

*Tess, Sam, Henry, Will and Jasmine (PK2) busy drawing their dinosaur scenes.*

*Happy Birthday, Marli! (PK2)*

*Georgia and Ryan (PK2) build some enclosures for their dinosaurs.*

*Jasmine (PK2) using the stegosaurus stencil.*

*Charlie (PK2) has found some dinosaur fossils in our play dough!*

*Ava, Soana, Alicia, Isabella and Siena (PK3) carefully colouring in their Jazzles worksheet.*

# Netball

**There are no netball games this weekend.** Enjoy the long weekend!

## Match reports Sat May 30:

### ASC Jaguars

This week we played the Collegians Rockstars. Although they put in a good effort we won the game 7 goals to 2. All of the All Saints players put in a great effort. Player of the week went to Kate for her amazing effort all around! Good work this week!

*Charlotte Munns*

### ASC Tiger Cubs

The All Saints' Tiger Cubs had a great game this week. It was

a little foggy, rainy and cold but everyone had fun. In the first quarter things were steady with no goals scored but the girls defended really well which they had been practising this week. In the second quarter things heated up with great passing and defensive moves. In the third and fourth quarters the centre field had excellent control of the ball and the Cubs scored several goals thanks to a fantastic team effort – special mention to Sophie and Poppy who put them through the hoop. Chontelle was a great overall contributor and received player of the match. The girls had a great time as did the opposition along with all the parents and friends watching. The Tiger Cubs won this week as an extra bonus!

## UNDER 6 SOCCER LIONS

We have had a wonderful start to the soccer season with all players improving every week and having lots of fun. Congratulations to Anna, Eliza, Molly, Noah & Harry on always trying their best on the field and developing their skills every week. The girls are thoroughly enjoying running around the field and keeping an eye on the ball, and the boys are right in the mix scoring goals and kicking lots of passes. Well done to all players on a wonderful start to the season.

30/5

We turned up on a foggy winters day and all players were eager. Anna was eager on the field and had some great kicks, Molly watched the ball eagerly and loved interacting with the coach, Eliza was confident kicking the ball to her team mates, Noah was fast around the field and used up lots of energy running from one end to the other and Harry was the player of the week scoring 10 goals. Each week, the players are becoming more independent and growing more and more in confidence. Well done Lions!

## Minkey Hockey Report - 30.5.15

It was pleasing to see so many keen Minkey players braving the cold, overcast morning as well as enthusiastic supporters rugged-up on the sidelines. ASC were part of a triangle rotation and played St. Pats Blue first up and lost 1-0. We then performed drills next and focused on dribbling the ball and defending the goal. We then played Souths Sky and had a nil all draw. I would like to thank Emily and Reece from Souths Sky for joining our team for the game to ensure team numbers were even. Lily was awarded, 'Player of the Day' for her excellent traps and willingness to get amongst the play. *Deb Porter, (Under 7s Coach)*

### DUBBO BOARDING SCHOOLS' EXPO 2014 AND MEET and GREET

Recently All Saints' College was represented at the Dubbo Boarding Schools' Expo 2014. This proved to be a most useful forum for our regional families to assess the suitability of schools for their children. The Expo in the Dubbo Regional Convention Centre on Friday 16 and Saturday 17 May attracted a large number of enquiries from families, many of whom were visiting for far-lung centres like Broken Hill and Wallgett. Many ASC current and past friends and associates also popped in for a chat at the All Saints' booth. In the wake of the Dubbo Boarding Expo Dr Miller hosted a follow up Twilight Information Afternoon Tea in Dubbo this week. These meetings are a vital way of ensuring that our amazing school maintains a living presence in these regional communities. They provide an essential

service to our families who are making the 'big decisions' about schooling for their children.

### YEAR 7 2015 INFORMATION EVENING

Last Thursday evening 22 May saw the Year 7, 2015 Information Presentation in the Kemmis Building. The event attracted record numbers with in excess of 140 mums, dads and children in attendance. Whilst the 55 incoming Year 7 students were getting to know each other in group fun activities, Mr Ross and a number of key staff gave the Mums and Dads excellent presentations on the "Stepping in Year 7" programme. My thanks to the many staff who willing gave up their evening to assist and especially to Assistant Registrar, Mrs Kath Parnell for organising this key event.

### COMING EVENTS

The round of promotional and information events continue for the College as the year rushes past us all. Please note these dates in your diary and suggest them to friends and family:

- June 13 and 14: Wagga Wagga Boarding Schools' Expo to be held at the Kyeamba Smith Hall at the Showground, Bourke Street.

- July 11 and 12: Mudgee Field Days 2014

- July 25 and 26: Narrabri Boarding Schools' Expo to be held at the The Crossing Theatre, 117 Tibbereena Street.

### ENROLEMENTS AND PRE-K 2015

As the enrolments at the College steadily increase, being placed on a waiting list for entry can be unsettling for families. To avoid disappointment, a reminder to any who are considering enrolment of their children at All Saints in the near future to please ensure that an application for enrolment has been submitted to the office of the Registrar. **Please encourage any families known to you who are considering enrolling their child in the All Saints' Pre-Kindergarten classes for 2015 to get in touch.** Interviews for the 2, 3 and 5 day groups have now commenced.

A note of sincere welcome to new student Donovan Hansell in Year 1.
