We are all very excited to have our dads and granddads visit the school for the Father's Day breakfast this week! We can't wait to give dad his special handmade present! We have read many stories about dads and granddads including, Piglet and Pappa from one of our favourite authors, Margaret Wild. Our letter for this week is 'v'. We painted some violets in a vase and found some violets growing in our playground. We eagerly waited for our very own volcano to erupt in the sandpit and watched some amazing YouTube clips of real volcanoes erupting. We listened to the beautiful sound of the violin in music with Mrs McLeod and had a go at making a sound ourselves. In Maths we graphed everyone's eye colour as well as the number of letters in our name. I encourage lots of Pre-Kinder families to take the opportunity to come along and support our annual Spring Fair on September 13th. It's a fabulous day out for the whole family! Kind Regards, Deb Porter.
Congratulations to the U12s who won the major semi-final on Saturday in a very exciting game and go straight through to the Grand Final which which will be on Saturday Sept 12. Well done, Leopards!

Gabrielle Darlington, Junior School Netball Coordinator

Match Report: Saturday Aug 29

ASC Leopards

A couple of weeks ago the Divas tried to out muscle our Leopards…they failed.

Take two, this weekend, Divas once again tried … and once again, they failed.

The ASC LEOPARDS played an inspiring game of netball. The defensive effort was superb. Each and every time the Divas offence penetrated our defensive third our LEOPARDS stepped it up, fighting for every loose ball and jumping for every rebound, applying pressure and forcing the Divas to make hasty and frustrated decisions causing errors on a number of occasions. This is where our slightly smaller and much fitter midfield took over. The transition between our defensive third to our offensive third was seamless. All the hard work the girls put in at training showed as the midfield pocket rockets ran corridors and created space for one another. Their passes were clean, quick and crisp. Once the ball made the hands of our shooters, which was quite frequently during the game, it inevitably ended up in the ring for another goal.

For the first three quarters of this game the scoreboard reflected the closeness of the contest, it was a to and fro battle with each team trading goals. The fourth quarter was where our Leopards...Snow Leopards (because they were cool as ice under pressure) came into their own. They kept applying defensive pressure, that pressure turned defence into attack and that’s right...another goal from the two hawkeyes wearing GA and GS. In the end, the clean fair fight, the fitness and the dedication each and every one of our Leopards put in, prevailed over the Divas. Final score ASC LEOPARDS 28 - Divas 21.

Keep it up young ladies, keep fighting for each other, contest every ball, push yourself when you’re tired, scream support when you’re on the sideline, run faster, jump higher, shoot truer ...... play fair and have fun. Good luck in the Grand final!

Our awesome ASC LEOPARDS Pip, Meg, Kate, Charlotte R, Jess S, Charlotte W, Georgie, Lauren, Sophie and Breahna. Thank you to our coaches Mrs Cant and Sophie.

Mr Burgess and Breahna

We are looking for donations of old books and LP’s for the 2015 Spring Fair.

So why not have a good old fashioned clean out! Get the whole family together to go through those cupboards and old boxes. You can enjoy a few past memories and help create some new ones for someone else by and bringing in your old books and LP’s. These are all great retro treasures and who knows you just might get some new ones for yourself on the day.

Items can be left on the Student Liaison Office verandah in the corner closest to carpark. These donations will be cleared away each day.
FROM THE CHAPLAIN
Reverend Tony Card

Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God. (Hebrews 13:16, NRSV).

We are rapidly approaching the end of term which also means that we are rapidly approaching the end of our Operation Christmas Child campaign. So far we have had about 150 empty boxes go out to be packed but only about 20 come in, so there’s obviously quite a few still to be packed. This coming week will see our last chapel services for the term so it would be very helpful if you can get your boxes packed and returned. If you have a box that you have taken that you can’t get packed please return the box so that we don’t waste them.

I understand that the All Saints’ community is asked to support many fundraising efforts and this is yet another, but I ask that you consider where these gifts are going. Generous Australians contribute some 300,000 Christmas boxes each year and these make a real difference in the lives of children. For many children this is the first gift that they have ever received. As important as the gift is, it is not what’s in the box that makes a difference but what the box can do. The box has incredible power. Each box shows the child and their community that they are loved and are not alone in the world – other people do care for them. It also helps open doors for Samaritan’s Purse to improve life in these communities.

Samaritan’s Purse volunteers are on the ground right now in Vanuatu and Nepal assisting with aid for the thousands displaced in the cyclone and earthquake. They provide programs for water and sanitation, health and nutrition, education and vocational training, people at risk, and animals and agriculture to communities around the world. It is often the shoebox program that opens the doors of governments, allowing these other development programs to take place.

So I encourage you just as the writer to the Hebrews did to share what you have and help to make a difference.

With every blessing,
Rev. Tony Card.

Thought for the week: Jesus said, “I came that they may have life, and have it abundantly.” (John 10:10, NRSV)

Confirmation forms due soon … if your child is planning to be confirmed this year could you please return your forms as soon as possible so that I can complete planning of the preparation classes which will begin with Term 4. Thanks!

Don’t forget to save TRASH AND TREASURE items for the All Saints’ Spring Fair in September

We will take donations of good quality second hand toys, kitchenware, clothes, etc. (no electrical please) to sell on September 13th

This year’s theme for Book Week was “Books Light Up Our World” and in the library we celebrated with students and families of Kindergarten, Year 1 and Year 2 with a story and pizza party. The Junior Library was lit up with fairy lights and lanterns decorated as book characters, including those from the finalist books of the Early Childhood category. We had Elsas, Tashi, Star Wars charcters, animals, Geronimo Stilton, dinosaurs, Wally, superheroes and a multitude of cool pyjama clad kids battle it out in the trivia quiz based on the finalist books while The Cat in the Hat, Thing 1 and Thing 2 served up pizzas.

Imogen Ellis (Year 2) and Grace Byrnes (Kindergarten) correctly chose Go to Sleep, Jessie! by Libby Gleesoon for the Book of the Year, as voted by the Children’s Book Council of Australia. A copy of the book was given to each of the girls as their prize.

Kosema Finau (Kindergarten), Ayla Johnson (Year 1), Oscar Withers (Year 1), Harry Jenkins (Year 1), Sophie Lewis (Year 2) and Aston Hornery (Year 2) took out first prize in the trivia quiz and won a box of goodies each to take home. The library staff would like to extend a big thank you to all the students and parents who participated in our celebration of Book Week as well as Mr. Jackman who is already working on his costume for next year! Last, but not least, thank you very much to Mr. Poole for battling the crowd to take the wonderful photos. Check out the photos in the gallery on the school website.

Don’t forget your Earn & Learn stickers! You can help by bringing your stickers to the school library and dropping them in the box.
