Book Club will be handed out today or tomorrow to all Junior School students and is due back by 20th February to Mrs Keogh in the Junior School Office.
We have had a wonderful start to Pre-Kindergarten this year. The children have engaged really well with each other and are showing their creative sides. We are exploring All About Me this first term. This has been done through singing, throwing and catching beanbags, reading stories, reading books on the Activeboard, drawing, printing, painting their name, practicing good pencil grip, creating at the craft centre, using scissors, speaking clearly to the class at news time, learning about reading and handling books carefully, making sprouting egg heads, watching our tall sunflower grow and much much more. We are exploring circles, the colour red, rhyme and rhythm through Humpty Dumpty as well as sun safety. Why did Humpty really fall off the wall? We’ll let the children reveal all. Look out for the Humpty display.

Callum is measuring himself against our sunflower. We look forward to harvesting it in week 3.

Tyson made a fabulous truck with peg boards.

Harrison, Callum and Felix are enjoying reading time after lunch.

Elleesa enjoys painting her raised textured name.

Tarani got creative at the craft table.

Phoebe made pictures of her whole family.

Anna brought in wonderful photos for our news topic, All about me

Bridgit was concentrating very hard when cutting out her shapes to make Humpty Dumpty.

Tyson, Eli, Eliza and Elleesa matched pegs to varying shades of colours.
“After this the Lord appointed seventy others and sent them on ahead of him in pairs to every town and place where he himself intended to go.” (Luke 10:1)

First off, a belated welcome back to Saints’. I was so wrapped up in preparing for the year last week that I completely forgot to write my column!

You have probably caught up with the events of last week, especially our inspiring Commencement Service. We were blessed to have Father Grahame Yager address the College. Grahame is the Principal of the Company of the Good Shepherd (CGS). The CGS has the responsibility for Anglican ministry in the north-west of our Diocese, including Bourke, Brewarrina, Cobar, Coonamble, Nyngan, and Warren. This is a huge area spanning more than half of the Diocese, (the Diocese covers almost a third of NSW). The CGS is made up of a number of priests and lay people who work collaboratively to minister to the people in these isolated communities.

Dr. Miller has asked me to consider what we can do to support these hard-working and dedicated people, many of whom drive several hundred kilometres each week to share God’s word. The most effective way that we can support them is financially as the limited population in these communities means that they struggle to meet the costs of ministry.

Over this term we will be directing our chapel collection to CGS. If every student could bring $1 each week to chapel then we could greatly assist CGs with a gift of over $4,500 at the end of term. Please consider supporting this call. We have a strong and generous community at Saints’ and the potential to make a real difference to others.

With all the blessings of Christ,

Rev. Tony Card.

Thought for the week: “He said to them, ‘The harvest is plentiful, but the labourers are few’” (Luke 10:2 NRSV)

What is a Scholastic Book Club?

Scholastic Book Club is the easiest, most reliable way to get your child excited about reading! There is a Book Club for every grade level from Pre-Kindergarten through to Year 6. Each Club is exclusively school-based, and is run by Mrs Moller.

Each issue in the Scholastic Book Club student brochure, your child will find a terrific selection of new and noteworthy fiction, classics, award-winning titles, perennial favourites, reference books, sports books and more.

Book Clubs offer a convenient way to purchase the best books at huge discounts. Prices are as low as $1.00.

By participating in Scholastic Book Clubs, your child’s school library can earn FREE books. Every order you or your child places earns bonus coupons, to be used to purchase items for your school.

How Does a Scholastic Book Club Work?

1. Twice each term, teachers distribute the Book Club brochures to their students.
2. Students take the flyers home to select books, software or other items with their parents. Students have two weeks from date of receiving Book Club to order.
3. Students return order forms and payments to Mrs Keogh in the Junior School Office.
4. Orders are placed with Scholastic Australia.
5. Within a few weeks, the books arrives in your child’s classroom. The day that the books arrive is one of the most exciting for students and teachers!

When your child gets to choose their very own books, reading becomes a joy and an adventure. That excitement can carry over into a lifelong love of reading. Also, the earlier students become independent readers, the more likely they are to succeed in school.
