From the Head of Junior School
Mr Chris Jackman

Year 5 and 6 Camp
Year 5 and 6 students enjoyed wonderful weather at their annual camp to Newnes in the Wolgan Valley last week. I would like to thank Mrs Mandie Burgess, Mr Andrew Dowd and Mr David Gardiner for their assistance on the camp.

WAS Chess Tournament
On Friday, 30th October our Junior School chess teams will be travelling to Orange Anglican Grammar School to participate in the Western Associated Schools Chess Tournament.

Mighty Minds Muster
On Thursday, 22nd October we will have a number of our Year 5 and 6 students participating in the Mighty Minds Muster which will be held at The Scots School.

Picking Up Early or Arriving Late Procedure
We have now implemented a new procedure to be followed when parents need to pick up their children early from school and when they are delivering them to school late or after an appointment. All parents need to sign their children in or out at the Junior School office if they arrive after 9.15am or if they are picked up before 3.15pm. This forms part of the changes we are making moving to the Edumate school administration system.

Junior School Assemblies
All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9.00am.

Week Date Class
3 23 October Year 6
4 30 October Year 5
5 6 November No Assembly - Orientation Day
6 13 November Year 4 - last assembly of the term
7 20 November No Assembly - Infants Thanksgiving Service

Important Dates for the Calendar
25/10/15 Pre-K 2016 3 Day Orientation Day
26/10/15 Pre-K 2016 2 Day Orientation Day
27/10/15 Pre-K 2016 5 Day Orientation Day
30/10/15 WAS Chess Tournament
9/11/15 Inter-House Public Speaking
11/11/15 Inter-House Debating
17/11/15 Cox Plate Triathlon
18/11/15 Inter-House Ball Games Carnival
20/11/15 Infants Thanksgiving Service
20/11/15 Year 6 Chapel Service and Valedictory Dinner
30/11/15 Infants Macquarie Care Centre Visit for Carols

NSWPSSA Athletics
Henry Palmer and Todd Nelson represented All Saints’ College, HICES and NSWCIS at the NSWPSSA Athletics Carnival.

Henry, our incredibly talented sprinter, has had a string of successes since the Inter-House Carnival where he broke three records. After a succession of carnivals he qualified for the 200 metres at NSWPSSA. Mid-morning, Henry was in great company standing alongside the fastest 12-year-olds in the state. Henry ran this race with finesse and speed managing a personal best time which guaranteed him a spot in the semi-final. After a short time to recover, the 18 fastest 200 metres athletes faced the line again across two semi-finals. With plenty of determination, Henry dug deeper and completed the race in a blistering 26.57 seconds, another personal best! Overall, Henry placed 11th in the state which is an outstanding achievement. Congratulations, Henry!

Todd, our legendary para-athlete (formally titled AWD), had a busy programme on Day 2 of the NSWPSSA event. He was involved in four events on the day competing against up to 20 athletes in his age group. Riding on the back of his cross country success this year Todd ran a fantastic 800 metres, his success in this event placed him on the podium in third place. From there he jumped out of his skin to take another bronze in the long jump. Todd will continue his athletics journey at the School Sports National Championships held in Canberra in early December. Congratulations Todd on a terrific meet.
We love term 4. Our Being Thankful theme has turned practical. We are doing jobs to help around the home and earning some money to be able to purchase some really useful gifts from the TEAR catalogue. We hope to decide on which gifts we will purchase this Friday. Some children have been making the entire family’s beds. Others are unpacking dishwashers, setting tables and putting away their toys. We hope this enthusiasm continues for many weeks to come. We made an African staple food called Nsima. I think we will all be thankful for our yummy food tonight.

Speaking of thankful we are learning the digraph th. We have been threading, doing amazing things with thumb prints, painting with feathers and playing in the extremely popular and gloriously textured Goop. The cornflour/water mix is thick and a solid when played with fast and then drips thinly through the fingers. In Mathematics we are exploring area. We decorated our learning area with scarves before reading The Very Scary Bear. We then decorated the bear’s lounge room by covering the entire area of the floor each with a unique rug. Our new 2016 Pre-Kinders have their orientation with us this week. It is a very exciting time for all.

Jenson has been very helpful at home. Vacuuming, making the salad, watering dads new lawn and putting toys away.

Eli uses great two-handed coordination to feed the tennis ball mouth at the finger gym table.

Nethu and Tarani playing a game of quoits.

Eli’s thumb print and feather hat looks great.

Phoebe got eaten by our shark from last week.

Tyson and Jaydon threaded the exact same pattern of pasta. Great thinking.

Bridget, Anna, Amelia and Nia painted so gently with feathers.

Tyson ‘carpeted’ the floor rug area of Bear’s house with stripes.

Eliza’ s thumb print and feather hat looks great.

Tarani is making a traditional African staple food Nsima.

From the TEAR catalogue.
Take Heart Australia Day 2015 is going to be BIG

and we want you to take part in it!

En masse, people have done some pretty incredible things for Guinness World Records – they’ve danced with umbrellas, dressed up as Smurfs and even impersonated Elvis.

Now we’re asking you to do something incredible too: learn CPR!

Take Heart Australia Day is about teaching people to save lives, and with over 500 Australians suffering a fatal sudden cardiac arrest every week, the more people we train the better. So, on the 30th of November we’ll be hosting multiple events across NSW in an attempt to break the Guinness World Record for most people trained in CPR within 24 hours. All Saints’ College has been asked to host one of the regional events, so for one day we will endeavor to train as many Students, Parents and members of the public as we can. These free sessions will take around 30 minutes and are provided by qualified trainers. For more information please contact the clinic on 02 6332 7300 or by email: sister@saints.nsw.edu.au.

Join us in making history, and more importantly – learn what to do when cardiac arrest strikes. In the end, all it takes to save the life of another Australian is you and your two hands.

KANGA 9s

The boys came oh so close to their first win in just their second game at home against ORC on Edgell Oval. Well led under the captaincy of Aston, our guys were chasing down 70 runs, but finished just a few short on 62 (albeit with a few extra wickets lost which effected the average – but still a fantastic result). This week’s batting award goes to Banjo with 20 runs and no lost wickets, with an honourable mention to Lachie M with 12 runs and also no lost wickets. Bowling award goes to Baxter with the figures of 2 wickets for just 4 runs, with honourable mentions to Lachie P who took 2 wickets for 10 runs, and Aston with 1 wicket for 6 runs. Fielding award to Lachie M for staying focussed in the field at all times, which resulted in the best pickups, stops, chases and throws. Overall recognition for a standout performance in his first full game of proper cricket in a real team went to Oscar, with particular mention to his very straight and accurate bowling. Reminder that the game next week is at Blayney High school, so make some phone calls, get some car-pooling happening, and make it into a terrific little road trip. (Remember Blayney has a great little playground, so maybe those that have time could come for a play after the game). Mr Dion Killiby

10 YEARS CRICKET

All Saints’ 10 years cricket team put on a great game against St Pat’s Blue on Saturday 17 October. We won the game – but more importantly we had a lot of fun. We were one man down with Shubhang in Sydney, but we still managed to field and bat well. Some of our fielding achievements were: active fielding by Nick Fogo, Callum McClymont did well backing up the wickets; Jude Sutton was very accurate throwing at the wicket and bowling – he took three wickets. Charlie Gibbons’ mum will have to soak his trousers after some big diving slides to stop balls getting to the boundary; James Burgess showed a lot of improvement in his bowling – he was very powerful and I was wicket keeper and managed to catch someone out. Some of our batting achievements were: Noah and I opened the batting with a strong partnership; Noah scored three 4s and had some awesome strokes; Charlie Rendall hit three 4s. He had some fast running between the wickets and good communication with the other batsman. Lucas Kamper played very well for his second game playing at this level. He really had his eye on the ball and he did a great job. We have an amazing team and really enjoy playing together. Congratulations to Noah Siede who won the Player of the Match with a very nice 109 runs to St Pats 84. Well played to all The boys came oh so close to their first win in just their second game at home against ORC on Edgell Oval. Well led under the captaincy of Aston, our guys were chasing down 70 runs, but finished just a few short on 62 (albeit with a few extra wickets lost which effected the average – but still a fantastic result). This week’s batting award goes to Banjo with 20 runs and no lost wickets, with an honourable mention to Lachie M with 12 runs and also no lost wickets. Bowling award goes to Baxter with the figures of 2 wickets for just 4 runs, with honourable mentions to Lachie P who took 2 wickets for 10 runs, and Aston with 1 wicket for 6 runs. Fielding award to Lachie M for staying focussed in the field at all times, which resulted in the best pickups, stops, chases and throws. Overall recognition for a standout performance in his first full game of proper cricket in a real team went to Oscar, with particular mention to his very straight and accurate bowling. Reminder that the game next week is at Blayney High school, so make some phone calls, get some car-pooling happening, and make it into a terrific little road trip. (Remember Blayney has a great little playground, so maybe those that have time could come for a play after the game). Mr Dion Killiby

12 YEARS BLUE CRICKET

On the weekend All Saints played St Pats White for the other innings. After the excitement of last week’s game we were ready to continue the match. It was a good game with Henry bowling a very accurate ball at the stumps and knocking them over. Will P then caught a ball off a St Pats bat in the midfield, it was an amazing catch! It was great team work by Hugo and Aveer. Hugo produced an excellent ball right to the stumps forcing the batsmen to hit it right into Aveer’s hands. Dylan had an amazing over by getting a St Pats player out. Good job to Robert who batted very well with a good 13 runs. All Saints won the match with a very nice 109 runs to St Pats 84. Well played to all the All Saints Blue team and thanks again to Mr Siegert.

12 YEARS RED CRICKET

On the weekend All Saints played ORC at their second week against St Pat’s Black. With the game already in St Pat’s favour, we needed some early magic to gives ourselves a chance to be competitive in the game. Through some terrific bowling and fielding (Gus Rendall and Tom Siede) and keeping (Andy Jackman with a crucial stumping), we gave ourselves a chance to chase down the total of 9/110. As our batting innings resumed, we faced the fearsome bowling of St Pat’s quickest and most accurate bowlers. Jono and Jonah made a solid start, both adding more runs to our total with some fine defensive batting and some lovely strokes resulting in 4s. Next in were our Tom’s (Siede, McCumsie and Martin), I commend the courage of these players facing some deadly bowling, but in the end we ran out of wickets at 96 runs. The game was a fine display of sportsmanship from both side. The enthusiasm from ASC and their effort and encouragement right up until our last wicket fell was fantastic. Thanks to Mr Siede for Umpiring. Mrs Jo Nicholls

CONGRATULATIONS TO

Nicole and Mark Dicker on the arrival of Ivy Grace born on 8th October.

Ivy is a sister for Quinn in Pre Kindergarten 3 Day.

CONGRATULATIONS TO

Kate and David Tallentire on the arrival of Zara Katrina on 20th October.

Zara is a sister for Lucy from Pre Kindergarten 2 day.

SHOEBOXES MAKE THE FIRST PART OF THEIR JOURNEY

Our infants students got the Christmas boxes off on the first part of their journey this week, loading them into Rev Tony’s ute to go to the local collection centre. This year we collected 134 boxes which was a little down on the previous two years but, judging by the weight of many of them, they were jammed full of generous gifts. Thank you for your support of this campaign again this year. (See photos below).

2BS/BATHURST LIONS CHRISTMAS MIRACLE APPEAL

Saints’ is again supporting this wonderful local initiative to help make Christmas that little bit brighter for many in the Bathurst community. Next week we begin collecting non-perishable food items to be packed into the hampers. We need to focus on the following: no nuts, no glass, nothing that’s out of date. Please support this as you are able.

As we approach the end of term I will be letting students know about the set up and packing day. Last year we had a number of students come to the Thursday set up day to get everything ready for the Saturday packing day, which many of our College families supported. I have been encouraged by the number of senior students who have come to me to get their diaries signed for an ASC Award after having served this appeal last year.

CALL FOR HELP!

We are in need of one or two more volunteer teachers to take on the responsibility of teaching Christian Studies in the Junior School so that the load can be shared. Please call or email me if you think that you can help.

GOD’S LOVE FOR US

Indeed, rarely will anyone die for a righteous person—though perhaps for a good person someone might actually dare to die. But God proves his love for us in that while we still were sinners Christ died for us. (Romans 5:7-8, NRSV). Chapel this week focused on God’s amazing and overflowing love for us. The New Testament writers are all in agreement that God’s love is best shown to us in the person of Jesus, what he said, and, more importantly, what he did. This understanding was captured succinctly by Bob Dylan in the words of his song “Make you feel my love.” This song has been covered by Garth Brooks and, more recently, by Adele.

Now I’m not saying that Dylan wrote this song as anything but a love song, but if you imagine it to be Jesus singing when you hear the words it makes perfect sense. Reading some blogs about the meaning of these words, many bloggers have suggested it is about the person expressing their utmost love but at the same time being totally vulnerable as they face the possibility of rejection. Jesus does just that. He reaches out to us but at the same time faces rejection from us. Even if we hate him, even if we reject him, he still loves us.

When the rain is blowing in your face
And the whole world is on your case
I would offer you a warm embrace
To make you feel my love
When the evening shadows and the stars appear
And there is no one to dry your tears
I could hold you for a million years
To make you feel my love
I know you haven’t made your mind up yet
But I would never do you wrong
I’ve known it from the moment that we met
There’s no doubt in my mind where you belong
I’d go hungry, I’d go blind for you
I’d go crawling down the avenue
But you ain’t seen nothing like me yet
There ain’t nothing that I wouldn’t do
To make you feel my love

May you know, accept, and experience his love for you.

With every blessing,
Rev. Tony Card.

THOUGHT FOR THE WEEK:

Whoever does not love does not know God, for God is love. (1 John 4:8, NRSV)
The All Saints’ College Council invites you to a COCKTAIL FUNCTION to Farewell Dr Peter & Naomi Miller on Friday, 27 November from 6.30pm until 8.30pm at Rydges Mount Panorama. RSVP and payment to Scott at Reception by Friday, 13 November 2015.

Join Karen Boyes

at

7pm on Thursday 29 October 2015

All Saints’ College - Library

to discuss:

Ways to

Future Proof Your Child

Karen Boyes is a passionate Australasian speaker and trainer with 21 years’ experience. She champions personal success, learning and teaching, peak performance and Habits of Mind. Karen was the NZ Business Woman of the Year in 2001 and is a popular speaker both across Australia and internationally.

Karen will lead a discussion on:

- strategies, tools and approaches to build resilience,
- how to foster effective communication between parents, student and educators
- recognising relationship pitfalls and perils impacting on schooling and
- where parent engagement contributes to the student outcomes.

This is a great workshop to help parents be better prepared and skilled at dealing effectively with student wellbeing issues with particular focus on resilience and self-esteem. Your chance to obtain some helpful and evidence based tips to assist your child.

“Tools were given... to engage a student with that learning and to help them concentrate and remain found at the task in hand” Deputy Principal New Zealand

“Karen is a breath of fresh air in this challenging space. Parents want a set of worthwhile and practical tools to help their children tackle the pressures of today’s education environment.” CEO NSW Parents Council.

Please rsvp to All Saints’ College Reception by Tuesday 27 October – 6331 3911
