From the Head of Junior School
Mr Chris Jackman

Inter-House Public Speaking and Debating Competitions
Next week many of our Primary students will be involved in the Inter-House Public Speaking and Debating Competitions. Both of these competitions give students the opportunity to earn points for their House which will contribute to the overall House Competition. Good luck Esrom and Bradwardine!

Chapel Collection
Over the coming weeks our Chapel collection will be used to purchase gifts for Macquarie Care Centre residents for Christmas.

Orientation Day
Tomorrow, Friday 6th November all of our students will spend the day with their new teacher for 2016 for the first two periods of the day.

Picking Up Early or Arriving Late Procedure
We have now implemented a new procedure to be followed when parents need to pick up their children early from school and when they are delivering them to school late or after an appointment. All parents need to sign their children in or out at the Junior School office if they arrive after 9.15am or if they are picked up before 3.15pm. This forms part of the changes we are making moving to the Edumate school administration system.

Junior School Assemblies
All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9.00am.

Take Heart Australia Day 2015 is going to be BIG and we want you to take part in it!

En masse, people have done some pretty incredible things for Guinness World Records – they’ve danced with umbrellas, dressed up as Smurfs and even impersonated Elvis.

Now we’re asking you to do something incredible too: learn CPR!

Take Heart Australia Day is about teaching people to save lives, and with over 500 Australians suffering a fatal sudden cardiac arrest every week, the more people we train the better. So, on the 30th of November we’ll be hosting multiple events across NSW in an attempt to break the Guinness World Record for most people trained in CPR within 24 hours. All Saints’ College has been asked to host one of the regional events, so for one day we will endeavor to train as many Students, Parents and members of the public as we can. These free sessions will take around 30 minutes and are provided by qualified trainers. For more information please contact the clinic on 02 6332 7300 or by email: sister@saints.nsw.edu.au.

Join us in making history, and more importantly – learn what to do when cardiac arrest strikes. In the end, all it takes to save the life of another Australian is you and your two hands.

Uniform Shop Hours: Monday 8.30am to 4.30pm; Tuesday closed; Wednesday closed; Thursday 12noon to 4.30pm; Friday 9am to 3.15pm
Cash, Cheque, Eftpos available; Phone: 6332 7303 or email l.moller@saints.nsw.edu.au
This week puts us halfway through our final term of Pre-Kinder. We continue to explore being thankful in many ways and our Christmas concert practice is in full swing. We are finishing off the last couple of digraphs for the year and this week looking at 'er'. We have told the gingerbread man story and made gingerbread play dough and also some incredibly tasty and good looking edible gingerbread biscuits. No wonder the Gingerbread man ran away. They smelt amazing while they were cooking and were soooo delicious to eat. We had some exceptionally talented people using our adding machine to do some very tricky adding. They also found a hundreds chart and counted the whole way!!! In news we were talking about children from other countries. We read the Christmas spider story as is told in Germany among other places. We made our own Christmas spider that may also get to hang on our Christmas trees at home this year.

**Elle and Callum made a zoo with animal hospital included**

**Tyson’s incredible Star Wars ship created a lot of attention.**

**Eliza and Jaydon painting Christmas trees.**

**Felix was super clever sequencing numbers up to 20.**

**Anna loved making real gingerbread biscuits.**

**Nia made a gingerbread family from gingerbread playdough.**

**Bridget helped Amelia create her echidna costume for our concert.**

**Phoebe couldn’t wait to eat her marvelous real gingerbread girl.**

**Molly brought in her gorgeous butterfly mask for news.**

**Jenson’ s fabulous Christmas spider.**

**Eli brought some delicious food to donate to the Bathurst Christmas Miracle Appeal.**

**Eli brought some delicious food to donate to the Bathurst Christmas Miracle Appeal.**

**Tarani has written beautiful things.**
Greetings,

There is so much happening as we rush towards the end of the year that I thought it timely to take a minute or two to review the events (perhaps as much for my benefit as yours!)

**Wedding Bells**

This Saturday at 3:30pm I will celebrate the marriage of former Saints’ student Alexandra Boole to James Fearnley. Alex completed Year 12 in 2007 and is the daughter of our Blayney bus driver, Kevin. We wish Alex & James all of God’s blessings for their new life ahead. It is wonderful to see former students return to our Chapel for their weddings and their children’s baptisms.

**Confirmations**

Nine students will be confirming their faith this Sunday at 4pm. Jono Gardiner, Jessica Green, Amy Horne, Dylan James (Yr.6), Megan Davis, Stella Gavey, Natalie Mawhood (Yr.7), Scott Mawhood (Yr.8), and Caitlin Willcox (Yr.9) will all be making their public decision to be a disciple of Jesus. As always, we will be joined by our Bishop, Ian Palmer, for this service. Please feel free to join these students in this celebration.

**End of Year Carols Service**

A reminder that this year we are holding two Carols’ services on Wednesday 2nd December, a Junior School service starting at 5.30pm followed by a Senior School service starting at 7pm. These services will have significant student involvement from singing in choirs, reading the Bible, praying, and leading the service. I know that Kindergarten and Yr.6 are already practicing the readings and nativity and Mrs McLeod and Mr Clipsham have the choirs and musicians rehearsing their carols. I trust that the new format will allow more parents and families to join us in these services.

**2BS/Bathurst Lions Christmas Miracle Appeal**

Our start to this appeal has been a little slow. We are collecting non-perishable food items to be packed into hampers for distribution to the needy in our community. I have suggested to all students that rather than waiting until their chapel day they could bring a food item into their class or house any day and then bring them down to chapel. Please consider supporting this worthy cause.

**Can you spare an hour?**

Can you spare an hour or two each week to assist our Junior School Christian Studies programme? We are still in need of one or two more volunteers so that the load can be shared. Please call or email me if you think that you can help. The more helpers we have the less each needs to do. All of the lessons are planned out with great ideas to make this a fun time for all.

**CRU Holiday Camps**

The long Christmas holidays can be a challenge for families. It seems that it’s not long into the holidays when the kids are bored and have nothing to do! Then there is the challenge of juggling work commitments and finding someone to look after the children.

CRU Camps have been running for 80 years and provide well planned and resourced holiday camps ranging from one day to a week. These camps are run by properly trained leaders with first aid qualifications. There are a variety of camps offering different activities to suit all ages and interests. Camp costs include meals, accommodation and transport during the camp. Your child may have brought home a camp catalogue…or you can check out [www.crucamps.com.au](http://www.crucamps.com.au) for more information.

With every blessing,

Rev. Tony Card.

---

**KANGA 9s**

Kanga U9s were at home to RUCC this week. Banjo lead from the front as this week’s captain and managed well with a couple of regulars missing due to illness. It was an incredibly close match overall (Ave 13.5 to 13.0), with amazingly even individual performances right across the paddock. 7 of our 8 bowlers took a wicket, with Lachlan M taking two, 4 of our 8 player equal top scored: Lachlan P, Lachlan M, Banjo and Blake. Player of the match was award to Baxter in recognition of his good footwork and powerful hitting at bat, and excellent understanding in the field. The end result was RUCC 108 runs, 8 wickets, Ave 13.5 very narrowly pipping ASC 52 runs, 4 wickets, Ave 13.0. You could not get the runs--per-wicket much closer than that. The protection of the boy’s wickets when at bat, and the much improved calling when running between wickets was excellent. Also a big thanks to Sean M for coaching mid-week. *Mr Dion Killiby*

---

**10 YEARS CRICKET**

The under 10’s cricket team, led by captain Noah Siede, played another excellent game of cricket on Saturday the 31st of October. We played a formidable team, RUCC Ashton Agar. Having lost the toss, we fielded first and took a lot of well-earned wickets. It was obvious to see the skills the boys have developed in training and they made for a more efficient game with the boys really getting the ball down the middle of the wicket. In batting the boys were very clear with their calls and made some sneaky runs with their sliding bats. Overall the skills and sportsmanship of the boys is improving every week, as they learn the importance of being a team member and team player. A big ‘thank you’ to Mr Tom Stonestreet for his great umpiring, training and encouragement. Mention must go to Charlie Rendall who not only was a great wicket keeper but scored the most runs in the match. Charlie R was awarded the player of the match. *Mrs Maggie Walsh*

---

**12 YEARS BLUE CRICKET**

On Saturday the 31st October, the All Saints’ Under 12 blue cricket team completed their game against R.U.C.C. In a very high scoring game, R.U.C.C. managed to defeat ASC with 5/240. Of the 213 runs scored by ASC, the notable batters were Gus Parsons not out 46, Hugo Goodlet 33 (retired) and Pat Walker 26 (not out). In a high scoring game bowling was difficult but Aveer Gill and Will Purvis did well to keep the run-rate down during their bowling spells. Thanks Mr Siegert for umpiring and coaching.

---

**12 YEARS RED CRICKET**

On Saturday, ASC Red finished their two week game against Blayney at Stiles Oval with a victory. The match was evenly balanced at stumps last week when Blayney finished with 4/94 after their first 25 overs. As we returned to the field, some exciting and accurate bowling allowed us to gain the upper-hand and bowl Blayney out, 10/105. Great bowling figures for Tom Siede 4/6, Max Corbett 0/7, Tom Martin 2/4 and Andy Jackman 1/5. Our batters returned to the crease and didn’t take long to pass the Blayney total. Special mention in batting to James Edwards who was not out 13 and showed real maturity, patience and skill to keep his wicket over two weeks. Thank you Mr Siede and Mr Monico for umpiring the game. *Mrs Jo Nicholls*

BYO: Drinks, plate of nibbles to share
RSVP: Friday the 6th of November, rsvp’s and payment to the front office

from the LIBRARY

This week will be the last week for borrowing books and other materials from the Library.

All loans need to be returned by Friday 13th November as a full stocktake of both Junior and Senior Libraries will begin on Monday 16th November.

Please check with your children about any books they may have out and remind them to return them by the due date. A “mummy” look in their rooms may be needed!

Mrs O’Brien
Your donations at work

Each donation, no matter how big or small, helps to fund Cancer Council’s research, prevention and support services.

$5 can help us give a newly-diagnosed cancer patient important support and information resources to help them through their cancer journey.

$10 can help offer free exercise programs that assist cancer patients in building strength and fitness during and after treatment.

$25 can help transport cancer patients to and from hospital for treatment.

$50 can help the Cancer Council 13 11 20 provide free and confidential information and support on all aspects of cancer.

$100 can help provide free accommodation for cancer patients, their families and carers during treatment.

$500 can help pay an overdue electricity, phone, gas or rates bill for a cancer patient who has not been able to work.

$5000 can help fund ground-breaking research into new and better ways to prevent, diagnose and treat cancer.

Hope Lives in beating cancer

SOPHIA’S STRINGS
traditionally handmade instruments

Presents DAVID PEREIRA and FRIENDS in “A FIST FULL OF FIRSTS”
The world premiere in a major concert of his new Bass Violin based on the “Servais” style of which only 5 were made by Antonio Stradivari, only one remaining unaltered in the Smithsonian.
It is believed to be the first of this type of instrument made anywhere since around 1710.
The first concert in the Central West to include both of the best-loved cello quintets on the same program and with the same artists. (Boccherini and Schubert)
The premiere of the remarkable Reid Australian Timbers quartet of strings, illustrated below.
The first quartet of string instruments with bellies made from a single 1000 year old King William pine and otherwise all rare Australian timbers to feature throughout a concert.
A string quartet from All Saints College help us announce a new chamber music scholarship program for the use of the Reid quartet of strings.

FRIDAY DECEMBER 4TH 2015, 6:30 FOR 7PM AT ST. STANISLAUS’ COLLEGE PERFORMING ARTS CENTRE
(Top gate in Bentinck St., Bathurst.) Adults $50, $30 after Concession, school age students in uniform free.
