Grandparents’ and Special Friends’ Day
Tomorrow, Friday, 20th February, we will be welcoming our Year 5 students’ Grandparents’ and Special Friends to the school for the day. It is always a privilege to have these people visit us and we look forward to a fun day.

WAS Swimming Carnival
On Thursday, 26th February our Junior School swimming team will be heading to The Scots School for the annual Western Associated Schools (WAS) Swimming Carnival.

Hats and Sunscreen
In this hot summer weather could you please ensure that your child applies sunscreen before they come to school. It is also essential that they have their school hat at school each day.

Junior School Assemblies
All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9.00am.

Our theme for week 4 continues to be All About Me and we have been exploring growth and change and growing up. It was an exciting week as we harvested our large sunflower that was planted by last year’s PK 5 class. We examined the whole plant and individual parts and shared wonderful observations that are recorded on our welcome door. We painted sunflowers, made a class wall of sunflowers, learnt how they grow and follow the sun, harvested the seeds and even cooked a sunflower seed slice. We have been exploring yellow things, triangles and twinkle twinkle stars. The picnic on the Junior School oval was a wonderful night and it was lovely to catch up in such a relaxed setting.

Molly adds the wet ingredients to the dry for our pancakes.

Zoe had fun being a human Spirograph making great circles and using lots of upper body and core strength.

Phoebe definitely enjoyed Pancake Tuesday. It was fun to spread our own pancakes with butter and jam too.

Milky, Zoe and Amelia feel the weight of our amazing sunflowers.

After harvesting our sunflower we made wonderful observations of all parts of the sunflower.

Music with Mrs McLeod is great fun.

Tyson, Nia, Phoebe, Harrison, Zoe and Felix with their wall of sunflowers.

CALLUM AND JAYDON HAD FUN POSTING POMPOMS IN THE TUBES AT THE FINGER GYM TABLE.

Tarani, Anna, Molly and Amelia loved frozen finger painting on our hot days.

Henson, Amelia and Anna are working hard to harvest the sunflower seeds.

**KANGA CRICKET**

All Saints’ Kanga 9s played against RUCC Ashton Agar, on the Junior School Oval, on Saturday. Baxter Killiby was our captain this week. RUCC won the toss and elected to field first. RUCC had some great bowlers in their team and runs were difficult to come-by. Our top scorers for the week were Charlie Gibbons (13); Will Helms and Blake Van Yzendoorn (with 8 runs apiece) and Lachlan Munns (7). It was great to see running between the wickets improving, with fewer run-outs. RUCC’s strong batting meant wickets were difficult to capture. Towards the end of the innings, Charlie Gibbon’s unorthodox style was rewarded when he bowled a player and some brilliant fielding by Maayan Leibenson earned ASC a run-out. Some more strong performances meant there were two players of the week again. This week Charlie Gibbons was acknowledged for his tireless team-effort fielding and Baxter Killiby for his focus and overall improvement throughout the game. *Mrs Jo Nicholls*

**10 YEARS CRICKET**

It was a great match on Saturday, with the boys playing a very patient game of cricket in the heat. Some fantastic fielding and some well thought out batting. Special mention should go to James Edwards for some clever bowling and Gus Parsons who hit some amazing balls. Well done boys and thank you to all the parents who offer every week to score. Maggie Walsh

**11 YEARS CRICKET**

The 11 years boys cricket team played its closest and most difficult match of the year against ORC. Played over 2 weekend the match was in the balance after the first week. ORC were 2-104 with Andy Jackman and Aveer Gill taking the 2 wickets. After a few early wickets Gus Rendall (35) and Jonah Siede (24n.o.) steadied the innings to end the day 8 runs behind. On Saturday the game concluded with ASC completing their innings at 182. Hamish Siegert (30n.o.), Tom Siede (17n.o.) and Aveer Gill (14) all contributed to a good total. ORC recommenced their innings requiring only 77 to win. Jonah Siede (1-8) and Gus Rendall (3-10) took early wickets with Andy Jackman (1-9) and Hamish Goodlett (1-6) also contributing wickets. The match concluded with a spectacular one handed catch by Andy Jackman giving ASC victory by 12 runs. Gus Rendall was man of the match.

This year our Junior School swimming carnival had a change of format. Firstly, the carnival was held on a Thursday and secondly the Kindergarten and Year 1 swimmers swam at the conclusion of the relays instead of the beginning of the day. This proved to be a popular decision for numerous reasons.

The carnival began with all students from 8-13 Years swimming a freestyle heat. These races were the highlight of the carnival, everyone was involved and engaged in some healthy competition - House against House. I particularly commend and congratulate those students who find swimming challenging. I am so impressed with their effort and willingness to give it a go!

Many students spent most of their time in the marshalling area or in the pool, and pleasingly some students competed in all four individual events and both relays. It is without a doubt that these students threw many points on the scoreboard for their House.

We currently have a number of very talented swimmers amongst the Junior School and this was reflected by the 12 records that were broken on the day. A swimming record demonstrates who has been the fastest student in their age group to ever swim at an All Saints' College swimming carnival, so it is very exciting to break and hold a record. Particular mention must go to Mitchell Nelson who not only won every race he participated in but also broke all six records for his age group. Breahna Burgess was also a star in the pool. Breahna also won every individual race for her age group and broke four individual records. Young Oliver Roach showed terrific form and speed in the 9 Years backstroke breaking a long-standing record. Mention must also go to Patrick Saint who also won every individual event for his age group. Congratulations to the senior boys relay team who shaved three-tenths of a second off the 4 x50m freestyle relay - well done to Angus Rendall, Patrick Saint, Andrew Jackman and Mitchell Nelson.

The Infants races were loads of fun and it was exciting to see all of these young students demonstrate to their teachers and parents their swimming capabilities. Well done infants! I would also like to thank the staff and parents who assisted in so many ways to make the carnival a great success.
