FROM THE DIRECTOR OF CURRICULUM
Mr Greg Jones

We received news during the week from the Women’s Hockey National Championships. The NSW Under 18 team were successful, winning the final in a tight match against Tasmania. Molly Bright played well throughout the tournament and set up the opportunity for the final goal of the final. Congratulations Molly, and we look forward to hearing of further success!

Parent Teacher Interviews
A reminder that Year 12 parent teacher interviews will be on Monday, 28th April from 3pm. Interview times have been posted home. Following the interviews there will be an opportunity for parents to listen to Dale Spender who has done significant work on the implications that technology has for the way our children learn. Also, Year 11 parent teacher requests are due to the College by Monday, 28th April.

NAPLAN
Another acronym… NAPLAN is the National Assessment Program – Literacy and Numeracy. Each child in Years 3, 5, 7 and 9 has been given a letter with details of the national testing that will take place on 13th to 15th May. This testing replaces the Basic Skills Testing in Years 3 and 5 and the ELLA and SNAP tests in Year 7. If you have any questions regarding this testing, or have not received the letter, please contact me at the College or via email (g.jones@saints.nsw.edu.au).

Notice from Accounts
Due to a computer glitch during the processing of the last accounts the wrong BPAY reference number was sent out. If you are paying your account by BPAY please use the previous BPAY reference number.  David Blackshaw

FROM THE CHAPLAIN
As term draws to a close, my thanks to the staff who have done so much more than expected by way of excursions and sports support.

This Saturday at 3pm in our Chapel we have the ‘wedding of the year’, with Miss Bickford marrying Mr Darren Sturgiss. No less than three of our staff will be best ladies and bridesmaids! We wish Miss Bickford every happiness.

I hope you have a restful break.
Father Paul.

The Educational Advantages of Digital Education

Educator and author Dale Spender will be speaking to parents on Monday, 28th April at 6.00pm in the All Saints’ College Library.

Dale Spender has been an author, a feminist and an educator (and public speaker) for most of her life. She started her career as a high school teacher, went on to become a university lecturer (at James Cook), and received her PhD from the University of London. She has lectured at many universities at home and overseas (including MIT and Cambridge) and given more than 300 international keynote addresses. She has authored/edited more than 30 books (many about women writers), founded academic journals, written and presented television programs (BBC and ABC) and is a regular (and sometimes controversial) commentator in newspapers and other media. She has presented more than 300 international keynotes and is currently writing a book CHANGING MINDS: THE EDUCATION REVOLUTION.

Come along and hear this informative talk. Refreshments provided. RSVP to Rachel on 6331 3911 or email r.mcmahon@saints.nsw.edu.au

From the start of Term Two the College will be sending Weekly Revelations to parents electronically (via email). One of the reasons for this is to make the College’s use of paper more environmentally friendly. Thank you to all the parents who have already sent in their email address. If you haven’t given the College your email address please fill out the form below with your name and email address and drop it to Reception or email c.anderson@saints.nsw.edu.au If you don’t have an email address, the newsletter can be viewed on the College’s Website and a few copies will be available in Reception.
