FROM THE ASSISTANT HEAD OF COLLEGE (SS)

BENEFACTORS’ SERVICE AND PREFECTIONS’ INDUCTION

Tradition is very important in a school like All Saints’ College. An important example of this is the forthcoming Benefactors’ and Prefects’ Induction service to be held at All Saints’ Cathedral, September 27th at 1:30 pm. This is a very special time in the life of our College. As a consequence, it is compulsory for students to attend. We welcome parents to this important occasion.

CONDO SHOW

My wife and I had a great time meeting and talking to many of our Condoblin students and parents at the show last weekend. We were very impressed with the sense of community the show displayed. I was particularly interested in the sheep, shearing, cattle and poultry exhibitions. These are helping to “countrify” my education.

HSC VISUAL ARTS & DT MAJOR WORKS.

I am sure the Year 12 students are relieved that they have completed and submitted their major works for assessment. I have been impressed with the variety of innovations made from collapsible luggage to a barbed wire re-coiler in DT. Also the assemblage sculpture, textile images and digital media pictures in Visual Arts. These items will be on display Wednesday 5th September. From years of experience viewing students work, I can thoroughly recommend you see these imaginative works.

Thought: Small opportunities are often the beginning of great enterprises. Demosthenes

Year 12 Valedictory dinner RSVP

A reminder for Year 12 parents that the RSVP date for the Valedictory dinner is tomorrow (Friday).

FROM THE CHAPLAIN

Yes, it is a very full weekend coming up. I hope to see you at least at one of the events. If you have not already met me please rock up and say hello.

I have the Diocesan Synod to fit into the weekend too - somewhere. Father Paul

Friend's of Rugby AGM

The AGM for the Friends of Rugby is to be held on Saturday 1 September 2007 at 1.00pm in the Performing Arts Centre (this is immediately prior to the Boarders P & F which is set down for 2pm). All welcome.

Year 7 Camp 2007

Camp time is rapidly approaching. The information letter for camp was sent home in July and students should be checking the gear list to ensure they have all the correct equipment.

It is essential that the medical form (and the Asthma/Allergy form, if appropriate) is completed and returned to Miss Rachel McMahon at Reception as soon as possible (FAX 63322236) and no later than 4th September. If there are any changes in medical condition after the form has been returned, could you please let Rachel know in a separate letter or fax, so that the medical information can be updated.

Ian Ishbister (Outdoor Education Coordinator)

Host family for next holidays

All Saints’ College Registrar, Helen Schwab is seeking a family to host one of our students during the next holidays - 28th September until 14th October. Please contact her for details.

GARDEN STALL

Year 4 are holding a garden stall at the Spring Fair on Sunday, 2 September. We are looking for any donations of pots, plants or other general gardening items to sell on the stall. Any items kindly donated can be left in the Year 4 classroom.

Basket Stall

To all basket cases!!!!! Most families in the Junior School will be receiving a basket soon, if not already, with a note asking for your support. Please consider providing a basket of goodies to sell (as per instructions with basket). We are looking forward to your support. Year 3 parents, Linda Cant, Leianne Sanders and Jane Corbett-Jones. Thank You.

---

BOTTLE Stall

The Boarding P&F will be running the Bottle Stall at the Spring Fair.

Donations of any of the following would be greatly appreciated:

- Bottles of wine
- Jams
- Chutney
- Pickles
- Jars of lollies
- Any other ideas or creations

Donations can be left on the book shop verandah or brought in on the day.

HELP!!! We will require the assistance of parents during the day to help set up and man the stall from 9 am to 3 pm. If you are able to spare an hour during the day to help! please contact Di Perry on 68332014 or email: sldperry@bigpond.com.au

Cake Stall

All cakes, slices and biscuits will be gratefully received on the morning of the Spring Fair. Could you please remember when you are baking that All Saints’ is a NUT FREE school therefore we do ask that any type of nut is avoided. If possible could you please label the ingredients? Thank you for your help with the Cake Stall.

GARDEN AND FRESH PRODUCE STALL

Allyson’s top 15 suggestions for donations are:

- Divide and pot agapanthus or other plants from your garden;
- Divide and pot succulents from your garden;
- Donate fresh fruit and vegetables from your garden;
- Pot self-seen plants from your garden;
- Use your workshop and your creativity to make a garden ornament, wind chime or fairy mobile;
- Purchase and donate a wind chime;
- Purchase and donate a garden ornament;
- Purchase, decoupage and donate linen type garden gloves (sew on interesting buttons and beads);
- Donate your empty garden pots;
- Check through your shed for surplus garden tools;
- Donate your empty garden pots;
- Purchase and donate a wind chime;
- Check through your book shelves for unwanted gardening books;
- Donate seed packets;
- Check through your book shelves for unwanted gardening books;
- Donate your empty garden pots;
- Purchase and have your children brightly paint terracotta pots; and
- Pot bulbs that are due to flower at the time of the spring fair.

I suggest that the division and potting of plants occur in the very near future to give them a chance to establish prior to the fair, if required, pots and potting mix can be cheaply purchased from hardware stores or nurseries. It is probably too late to take cuttings.

Please bring your gardening items on the morning of the fair or if you cannot attend leave them at the school on the Friday (outside the Year 4 Classroom).

If you have any questions please give me a call.

Craft Stall

Calling all arty crafty people! Year 1 and 2 would appreciate donations of craft items or materials for the craft stall. Please leave all donations in Year 1 classroom.

Not sure what to make, how about play dough, keyrings, painted glassware, wheat pillows, ballet bags, Christmas decorations, things for dolls, decorated candles, photo frames, etc. the list is endless.

Cakes, biscuits and slices can be cheaply purchased from hardware stores or nurseries. It is probably too晚 to take cuttings.

Please advise me in advance whether your donation will be bacon or eggs to enable an even supply. Lorraine Rogers 6331 6595.
Influenza (usually called “flu”) is a respiratory infection caused by a virus. There are several kinds of influenza virus, and they seem to keep changing just when we seem to be immune to them. However, they all produce a similar illness.

The diagnosis of influenza is made on the presence of 6 of the following 8 criteria during an influenza epidemic:

- sudden onset, less than 12 hours
- fever
- dry cough
- rigors or chills
- muscle aches and pains
- prostration or weakness
- absence of upper respiratory signs
- influenza in close contacts ie friends and family

These may be followed by a sore throat, cough and runny nose. Many people refer to the common cold as the “flu”, but influenza is a more serious respiratory infection that usually makes the victim sick enough to go to bed. Flu tends to go to the chest and makes the whole body ache, the common cold usually only affects the upper respiratory passages causing a runny nose, sneezing and sore throat.

The main risk of influenza is that the infection may spread to the lungs, causing bronchitis, or worse, pneumonia.

Like any viral infection influenza must run its course. Symptoms can be eased and complications prevented by proper care and common sense.

- Rest: go to bed as soon as the symptoms begin and STAY there until you feel better and the fever is gone.
- Analgesics: pain relief such as a codeine compound tablets are effective at relieving cough and aching
- Fluids: drink as much water and fruit juice as possible at least 8 glasses a day.
- Special Remedies: any remedy that makes you feel comfortable is good. Freshly squeezed lemon/orange juice with honey is very good.

The flu usually lasts 3-4 days sometimes longer.

STUDENTS NEED TO REMAIN AWAY FROM SCHOOL WHILE THEY ARE EXPERIENCING SYMPTOMS SO THEY DO NOT SPREAD THE VIRUS. THE SCHOOL WOULD APPRECIATE THE HELP OF PARENTS IN ADHERING TO THIS ADVICE.

Please consult your family doctor with any concerns or feel free to contact the College Clinic on 6332 7300 for advice.

**Thinking Dentistry? Think CSU 2009**

As part of the government initiative to support our inland communities, federal funds have been allocated to CSU for the founding of a new School of Dentistry and Health Science.

The first student intake will be in 2009. This is an exciting opportunity for students like you to follow a challenging and exciting career pathway with excellent financial prospects, unparalleled job security and an opportunity to work for the betterment of regional communities. The new School will form part of a solution to the rural dental health crisis and is a perfect example of how CSU is responsive to the needs of inland NSW.

Preference for intake into the course will be given to students from rural areas, ensuring that we retain talented graduates where they are needed most.
Weekly Revelations is distributed on Thursday afternoons to all senior school students. Items for inclusion should be submitted to Cherylene Anderson or Michele Thornton by Tuesday.

Does your child have diabetes?

Ever wondered why some young people, aged 8 to 19 years, seem to manage their diabetes better than others? We have too. If you are interested in helping us answer this question we would like to invite you and your family to be involved in an exciting new study being conducted by University of Western Sydney and The University of Sydney.

To find out more about this study please contact Dr Jane Overland on 02 9515 5930 or drat@uws.edu.au

Contact Mel Jones for details.
