**From the Director of Curriculum**

**Year 7 Testing**
Next Friday, 9th February, Year 7 will complete a series of tests conducted by an outside testing service, Robert Allwell and Associates. Mr Allwell conducts tests for many independent schools in NSW and Victoria. The results will be used to help us in implementing our overall programs, and will also be used to identify specific areas of strength and weakness in individual students. The results will be forwarded to parents later this term.

**Photos**
The first set of photos will be taken on Monday, 12th February. These will be individual and most year group photos. All students in Years 7 to 12 will be required to wear a blazer (and for the boys, long trousers) for the photographs. If you require additional sets of photos, please write a note to that effect and have your child hand the note to the photographer when they are having their individual shot done.

**Festival of Art**

18th, 19th, 20th of May

How time flies, it’s that time of the year again. Our first meeting for The Festival of Art will be on Wednesday 14th February at 7:30pm in the library. Everyone is welcome.

This year the positions of Artists Co-ordinator and Infrastructure Co-ordinator need filling. I have currently been doing the Artist Co-ordinator position as well as chairman. I will work closely with the new coordinator to show them what is involved and what needs to be done. Graham Rees is Infrastructure Co-ordinator and would like someone to assist him in this position. It mainly involves setting up art panels and organising sound and lighting.

You can contact Ros Rees on 63322135 if more information is needed.

**From the Chaplain**

The Boarder’s Chapel will be held this week after the Sunday evening meal.

We are privileged to have the National Director of the Australian Board of Mission, Dr. Linda Kurti come to be at the College this Wednesday, 14th February. She will address a special Wednesday morning assembly, and speak at the Cathedral that night.
