CONGRATULATIONS
The following students were congratulated at our assembly this week:-
- Molly Bright: Played at the Australian Youth Hockey Championships in Canberra in the last week of the holidays. Her team defeated CS 1-0 in the final giving CIS their first Open girl’s title.
- Chantal Hodson: Was selected in NSW Combined High Schools Golf team. She was also runner up at State Age Championships (played in the holidays) by one shot. Chantal was recently crowned Jack Newton Junior Golf Foundation Champion of Champions.
- Reece Hodson: 4th in the Plate Event at Golf Foundation Champion of Champions.
- Jake Thornton: 65th out of 100 in the NSW All Schools Cross Country Championships on Friday.
- Chantal Hodson: Was selected in NSW Combined High Schools Golf team. She was their first Open girl’s title.

YEAR 8 & 9 PARENT TEACHER NIGHT
The last of our parent teacher nights will be held tomorrow, Friday 27th in the Bickerdike Centre. Letters have been sent home with times for interviews with your child’s teachers. Please contact me if you have not received your letter. As usual, some teachers are completely booked out. We will organise some telephone interviews in the future if this is the case.

TRIAL HSC DRAMA PERFORMANCES
The theatrical talents of our Year 12 HSC drama students will be on show Wednesday 1st August in the Drama room at 6:30pm. Individual work as well as Group Devised Performances will be acted out with flair and gusto. Parents and students from Year 10 and above invited. Break a leg!

YEAR 12 SOIREE
More talent will be on display Friday 3rd August. The HSC music students will be holding a soiree at All Saints’ Cathedral at 7pm. Doors open at 6:30pm. A showcase of performances from classical to jazz will enlighten your eardrums. Limited tickets are available from Rachel in reception. A bargain at only $15.00

Thought: To think is easy. To act is difficult. To act as one thinks is the most difficult. Johann Wolfgang Von Goethe.

Last away game for rugby teams
After an impressive performance against St Paul’s College with Tom ‘Red’ Clifton scoring four tries, the Open Squad is ready to tackle their final three opponents. Playing Redlands away this week will be a challenge that this team is looking forward to. Unfortunately Redlands do not have an U14s team but we would like to wish all teams well as they travel to Sydney this weekend.

Direction to Venue: Follow the M4 into Sydney. Take the M7 through to M2 and follow the M2 until you reach the Macquarie University exit. Move into the left lane at the M2 Toll booths. When you get up to the lights turn right and drive down to Culloden Rd roundabout. Turn right into Macquarie University Playing Fields. Parking now costs $3.00 by ticket.

HSC Online

So, Year 12, you’re in countdown mode and, Year 11, the HSC is literally just around the corner!

NSW HSC Online celebrated its 10th birthday on the 3rd of July and could be your secret to success. The site was conceived and initiated by Charles Sturt University (CSU) a decade ago giving students access to virtually all the material they require as part of studying for their HSC, including practice exams, readings, tutorials and online tours. The website is also an invaluable source of information for teachers and parents.

The proof of just how popular NSW HSC Online is as a reference website can be seen in the increase in pages viewed over the past 10 years. When the project began in 1997, around 857,000 pages were viewed on the site. Last year alone more than 15.6 million pages were delivered! So log on to www.hsc.csu.edu.au today.

Riding in Synchronicity

3 Day Course with Mel Fleming in Bathurst

This 3-day course will be held at Kelloshiel Park, McGregor’s Road on September 15th, 16th, 17th.

An Introductory Presentation will be held on Friday, September 14th from 6.30pm-9.00pm.

This 2.5-hour presentation is an overview introducing you to the philosophies and concepts taught in the horsemanship courses. Topics include:-

- How horses want to connect with people
- The emotional nature of horses
- Behavioural problems - Do they stem from the mind or body?
- Assessing horses’ external appearance to understand what’s happening on the inside
- Biomechanics for Soundness and Performance
- Riding Dynamics
- Saddle Fitting
- Course Outline for the 3 day Course

This course will be aimed specifically for riders who have competent riding skills, it is not a beginner’s course. It will be absolutely beneficial for riders who are looking for more connection, harmony, balance and softness in their horses.

Benefits that riders will gain from this course:-

- A better connection and communication with their horse taking away some of the frustrations for the horse and rider.
- A deeper understanding of the qualities and biomechanics needed for horses to move with balance and self carriage, essential for dressage but also for any horse to be sound, athletic and enjoy their work.
- How to use groundwork with horses to develop confidence, calmness, communication, attention and responsiveness. The essential ingredients to harmonious riding.
- How saddles influence horses ability to move well.
- Learning riding techniques that allow horses to move with self carriage.
- Developing body awareness and body balance so that riders are able to implement these riding techniques.

When riders have a lot of restrictions in their bodies it is impossible to ride with the quality that horses need. There will be dismounted sessions to develop your independent seat and improve your movement patterns. Learn how to make riding therapeutic for both you and the horse.

Start and Finish times: 9:00am - 5pm each day, Cost $450 for riders, $55/day for observers.

Any interested in more information, brochures and application forms please see Mrs Jones.

Weekly Revelations is distributed on Thursday afternoons to all senior school students. Items for inclusion should be submitted to Cherylene Anderson or Michele Thornton by Tuesday.

A copy of Weekly Revelations is available on the College Website: www.saints.nsw.edu.au
