FROM THE DIRECTOR OF CURRICULUM
Mr Greg Jones

Year 8-10 invitations to Parent Teacher Interviews have now been sent out. If you have not received an invitation, please contact me at the College. Year 7 Parent Teacher Interviews will take place on Friday, 20th June followed by the House Music Festival in the Bickerdike Centre at 7:30pm.

The process of making subject selections for next year will begin with Parent Teacher Interviews next term and I would encourage all parents of students from Years 8 to 10 to discuss options with their children as the process continues. Information about subject selections will be distributed shortly.

FROM THE CHAPLAIN

I think we are all in need of a mid-term break and I wish the boarders a safe ride home for the weekend.

As we prepare for the House Music Festival we will be using the day chapel times for practise but having an all school chapel at the beginning of the Tuesday assemblies. I was very pleased with the readers last Tuesday and I was able to speak on the concept of God forming us through the adversities which we have to face.

The steps are found in the first 6 verses of Romans 5, We ended with a prayer by John Bailie which begins with the words: ‘Teach me, O God, so to use all the circumstances of my life today that they may bring forth in me the results of holiness rather than the results of sin......’

Still being formed. Father Paul.

TRIVIA NIGHT
To raise money for new play equipment for the Junior School
Saturday, 14th June
Tables of 8-10
$10 a head
Book your table at the J. Sc. Office on 6332 7317

Term 2 ends Thursday 26th June. Boarders depart Friday 27th June

Term 3 commences Tuesday 22nd July. Boarders return Monday 21st July. Travel arrangements to be finalised and given to HoH by Thursday 12 June.

Wolaroi School, Ph. 6392 0356, bpaine@kws.nsw.edu.au
**Attention Parents and Year 10 Students**

The University of Sydney invites you to attend a free information evening designed to help you:

- select subjects for Year 11 and 12
- understand commonly used terms
- learn more about the UAI, scaling and university entrance
- find out more about career pathways
- gain an insight into University life

This evening is tailored to assist Year 10 students and their parents to make choices about the future. Sessions will be held on June 2nd, June 4th, June 10th and June 12th.

Go to www.usyd.edu.au/year10evening for more details.

---

**Multi Sports Camp**

The NSW Department of Sport and Recreation will be holding a Multi Sports Camp for children between the ages of 9 to 14 years in the next school holidays.

The week long program will include Circus Skills, Touch Football, Australian Football, Cricket, Traditional Indigenous Games, Basketball, Gymnastics, Wall Climbing, Fencing, BMX, Canoeing and Archery. These activities will be conducted by suitably qualified instructors and coaches in these areas.

The camp will be held at Borambola Sport and Recreation Centre, which is located 25kms east of Wagga Wagga on the Sturt Highway.

This is a fantastic opportunity for children to have a go and improve their skills in a variety of sports with instruction provided by qualified coaches and instructors.

In order to secure a place in this program, students must ensure that they meet the age criteria and return a completed enrolment form to the following address by 4th July 2008.

NSW Department Sport & Recreation, Southern Region, 1980 Sturt Highway, BORAMBOLA via WAGGA WAGGA NSW 2650

See Rachel in Reception for Application forms and more details.

---

**SCIENCE OPPORTUNITY FOR YEAR 9 STUDENTS**

The Siemens Science Experience, a three-day hands-on science, engineering and technology program, will be conducted again in Australian universities in 2008/2009 for students who will be entering Year 10 in 2009. Each program includes a wide variety of practical activities together with interesting presentations by leading scientists and engineers.

It is a Rotary Youth Services Project and fully supported by the Australian Science Teachers Association. The cost of the three-day program is $105 (includes GST). Local Rotary clubs are often willing to pay this fee.

Further information and application forms are available from the school’s Science Department, Rotary clubs and from www.scienceexperience.com.au. Early application is advised.

Any Year 9 student is welcome to attend.
