Next Rugby home game on 16th June

The next home game will be on the 16th June when ASC will Clash with Blue Mountains Grammar School. This will be a mighty clash where ASC will be looking to capitalise on their improved performances to extinguish the Mountain Men on the Central West Plains. Come and witness ‘Cowboy’ and ‘Red’ rampage through the opposition’s defensive lines. This will be the final game of Term 2 and one which will showcase the outstanding forward drive and illusive running skills of the 1st XV.

We ask for all parents assistance in manning the BBQ or the Sideline Café on the scoreboard side to link Watson and Edgell Ovals together. Unfortunately, the prevailing winds have caused havoc with the Café shelters which have now been relocated to the western sideline. We can once again enjoy the sun on our backs!

The Friends of Rugby, in their enthusiasm to foster a unified spirit for all supporters of the game experimented with the idea of locating the BBQ and Sideline Café on the scoreboard side to link Watson and Edgell Ovals together. Unfortunately, the prevailing winds have caused havoc with the Café shelters which have now been relocated to the western sideline. We can once again enjoy the sun on our backs!

We ask for all parents assistance in manning the BBQ or the Sideline Café for a short while whilst their kids aren’t playing. If parents could also bring along a cake or some slice for the Sideline Café Wendy Dean and her team of helpers would be most grateful. Your support has helped us raise funds that have allowed us to order an additional set of seating for the sideline.

Jackaroo Ranch Horse Riding Camps

1st week: Saturday 30th June – Thursday 5th July
2nd Week: Saturday 7th July – Sunday 15th July

These camps are for ‘horse-mad’ children aged from 6 to 16 years. Five to six hours per day are devoted to horse activities. Previous experience is not necessary as beginners to advanced riders are catered for. This “not just a camp” – it’s a wonderful farm experience your child will treasure forever. Enquiries: Mrs Pattie Hudson Phone 6337 7137.

**YEAR 10 SOCIAL PICNIC**

**SUNDAY 17th JUNE**

12.00 AM

**O’Connell Hotel**

For lunch and maybe a game of touch football or cricket for the athletic ones – depending on the weather. (The pool table and juke box will keep the younger ones occupied if it’s inclement).

Magic spot on a sunny day, but we will be there – rain, hail or shine. The food is great and the company, even better.

This is the first of two annual social get togethers, for our year, so come along, meet other parents and join in the fun. Bring the whole family and enjoy a casual, old fashioned ‘Sunday Out’.

Please RSVP before 10/06/07 so we can organise the catering

The Hoskins Trust Scholarship

The Hoskins Trust has established a scholarship to fund tertiary studies for a resident of Lithgow LGA who is either a current Year 12 student or aged up to 26 years. The scholarship is to a maximum of $25,000 paid over the duration of the course and is awarded every year from 2008. The first scholarship was awarded in 2006.

Full details of the scholarship are available on the scholarship website www.hoskinslithgowscholarship.org.au

EF Student Exchange Program

Families are urgently needed now for students arriving in Term 3. Every year high school students from around the globe come to Australia to share their culture with the Australian community. They come to live with an Australian family and study in a local Australian High school. This gives a wonderful opportunity to form international friendships.

If you could find a place in your heart, your home and at your table for one of these students you could be rewarded with a lifetime of friendship with a new family member. For more information about how you can be part of this enriching volunteer program please call Victoria toll free 1800251877 or Elizabeth on 0247516608 or visit the website www.effoundation.com

The Siemens Science Experience

The Siemens Science Experience, a three-day hands-on science, engineering and technology program, will be conducted in Australian universities in 2007/2008 for students who will be entering Year 10 in 2008. Each program includes a wide variety of practical activities, together with interesting presentations by leading scientists and engineers.

It is a Rotary Youth Services Project and fully supported by the Australian Science Teachers Association. The cost of the three-day program is $95 (includes GST). Local Rotary clubs are often willing to pay this fee.

Further information and application forms are available from the school’s Science Department, Rotary clubs and from www.scienceexperience.com.au. Early application is advised.

ANY YEAR 9 STUDENT IS WELCOME TO ATTEND.
