**Interested in a career in the minerals industry?**

The NSW Mineral Council, Newcrest Cadia Valley Operations and Northparkes Mine invite senior secondary students to apply for a 2007 Minerals Education Bursary (MEBS).

Year 11 and 12 students from selected schools from the central west region are eligible to apply.

This program is designed to attract and retain senior secondary students’ interest in the minerals industry as a possible future career of choice through a co-ordinated program of activities and contact with the industry and stakeholders such as Cadia Valley Operations, Northparkes Mine, universities and AusIMM.

Bursary winners will receive a cash grant of $500 for Year 11 students and $1000 for Year 12 students sponsored by Cadia Valley Operations and Northparkes Mines.

Secondary school bursary holders who go on to complete the first year of an undergraduate degree in a designated minerals related tertiary course within 12 months of completing their schooling will then receive a $2000 undergraduate bursary.

Bursary holders are still eligible to apply for other scholarships at university.

Written applications close Friday, 30th March. For further information on application forms see Mr Inglis.

**Exchange to Yachiyo**

Here is a great opportunity for a lucky person. All Saints’ College is offering an opportunity for a student to go to our sister school from the end of August to January next year.

You do not necessarily have to be studying Japanese in order to apply. However, you must be in Year 9 or 10. You must be an Australian citizen. You must be interested in learning about Japan. If you fit this category, why not apply? If you are interested and want to know more about it, please come and see Mrs Reekie.

You may like to talk to Jessica Bond who has been there previously.

**Inter Schools Snow Ski Competition**
