WORLD ENVIRONMENT DAY
To celebrate World Environment Day next week, a number of Year 10 students will take place in a tree planting program on Thursday. This is part of the Classrooms to Country Program and is supported by Greening Bathurst and Conservation Volunteers Australia. Our student will plant trees in the local community that they have been growing in our agricultural units.

FRIDAY’S PARENT TEACHER NIGHT
I ask Year 11 parents to be prompt to their appointments and please keep to the allotted times. The schedule is quite tight and we do not want to create some “bottle-necks”. I look forward to meeting you on the night.

COONABARABRAN SHOW
Good luck to our 15 strong Equestrian team as they head off to the Coonabarabran Show this weekend. They will be competing in Dressage, Show Jumping, Cross Country, Polocrosse and Sporting events.

STOP PRESS
As Revelations goes to press, we have just found out that Arianne Gilany has won a speech/drama scholarship at the Cowra Eisteddfod. Well done Arianne.

Report from the P & F
On behalf of the P & F I would like to thank Ros Reese for an outstanding job organising the Art Show again this year. Although we don’t have final figures, I am told the Arts Show was financially more successful this year than last. Ros has had a great group of assistants to back her up in many areas, Liz Moller, Jock Bidwell, Lesley Bland, Jenny Woodhart and of course Graham Reese made a huge contribution. I also compliment Mr John Hughes and his Hospitality students for their contribution on the opening Friday night. The students kept a smile on their face and oozed confidence and professionalism. Well done!

Ros has decided this is her last year as co-ordinator for the Art Show. If anyone is interested in helping to co-ordinate the Art Show next year would you please contact me.

The P & F are happy to donate a sum of money to any student who is chosen to represent the State in their field. The funds provided assist in travel and uniform costs. An application for funds is available with the Head of House. If you have any questions regarding the application for funds, please contact me.

Our next P & F meeting will be Tuesday 12th June at 7.30 in the Library. Everyone is welcome.

Anne Clifton

SCHOOL PHOTOS
The photos have been received and have been distributed through houses. The cost of the photo pack is $25 and will be billed to your account. Group photos (such as House groups) can be ordered through reception at a cost of $15 each. A copy of each photo is available for viewing. The deadline for ordering these photos is Thursday 7th June.

If you have any questions regarding photos please contact Greg Jones.

FROM THE CHAPLAIN
This week we had a Youth representative from World Vision speak at Chapel.
It was most challenging, and the 40 hour famine weekend is on August 17, 18 and 19.
This Sunday boarders’ chapel will be after the evening meal - 6pm.

**EF Student Exchange Program**

Families are urgently needed now for students arriving in Term 3.

Every year high school students from around the globe come to Australia to share their culture with the Australian community. They come to live with an Australian family and study in a local Australian High school.

This gives a wonderful opportunity to form international friendships.

If you could find a place in your heart, your home and at your table for one of these students you could be rewarded with a lifetime of friendship with a new family member.

For more information about how you can be part of this enriching volunteer program please call Victoria toll free 1800251877 or Elizabeth on 0247516608 or visit the website www.effoundation.org.

---

**Overseas Exchange Opportunity**

EF High School Year Overseas offers students the opportunity to study in USA, Canada, Great Britain, Ireland, France, Germany and Japan. If you are interested please see Mrs Thornton, Executive Assistant, for more information or go to www.ef.com.

**SCIENCE OPPORTUNITY FOR YEAR 9 STUDENTS**

The Siemens Science Experience, a three-day hands-on science, engineering and technology program, will be conducted in Australian universities in 2007/2008 for students who will be entering Year 10 in 2008. Each program includes a wide variety of practical activities, together with interesting presentations by leading scientists and engineers.

It is a Rotary Youth Services Project and fully supported by the Australian Science Teachers Association. The cost of the three-day program is $95 (includes GST). Local Rotary clubs are often willing to pay this fee.

Further information and application forms are available from the school's Science Department, Rotary clubs and from [www.scienceexperience.com.au](http://www.scienceexperience.com.au). Early application is advised.

*Any Year 9 student is welcome to attend.*
