MOYEMBER
Let the challenge begin. November is the month where men's health issues are highlighted for the public by the growing of moustaches. A binge of All Saints' staff has taken up the cause. Will the best Mo be Father Paul's 'Mexican' shape or Mr. Buckley's 'handlebars'? Other teachers saving razor blades include Messrs Thornton, Gardner, Cant, Bidwell and Ross. We are not counting Mr. Eagleton because he jumped the gun on Monday – two days early.

DENTAL ASSESSMENT
The Western Area Health Service is visiting tomorrow to do a free dental assessment for Year 7 and 8 students. Forms have been issued to our students and were due back today – Thursday. I will accept them back first thing on Friday if parents want to take advantage of this service.

WORLD SKILL
Last week I mentioned that our Hospitality students were competing in the Western region section of the World Skills Competition. Congratulations to Annabelle Kennett who won the Food and Beverage section and Josephine Haley who placed second. Our Commercial cookery teams are competing again, this time in Wellington to see if they take gold.

Thought: Stop worrying about the potholes in the road and celebrate the journey! Barbara Hoffman

YEARS 7 & 8 MUSIC NIGHT
Thank you to the parents who turned up to hear the musical items from Years 7 & 8 last night. For many this was their first public performance. David Krebs' Clarinet solo was very professional as was the Year 8 Band. The biggest applause was for the Year 7 Beginners Band as they played 'The Spook' and 'Rockin' the Blues'. Thanks must go to the music staff, especially the peripatetic instrumental staff for their assistance.

Attention Years 7 & 9 Parents
All Saint’s College is participating in a research project being conducted by Sally Fitzpatrick, who is undertaking a Doctor of Psychology at Macquarie University, on 23 November, 2007. The research, titled Peer Friendship and Relational Bullying will examine how peer friendship may serve as a protective factor against relational bullying.

Relational bullying differs from physical bullying (hitting or pushing) and verbal bullying (calling names) by focussing on behaviours which are intended to cause harm to others by spreading rumours, gossiping, excluding others from the group, or by ignoring them. Students in Years 7 and 9 will be invited to participate. If you consent for your child to participate, he/she will be asked to complete a 50 minute questionnaire during school hours. Passive consent will be used in this study. This means that unless you advise us that you DO NOT want your child to participate, we will conclude that you agree to your child’s participation. To cover these two approaches, consent forms will be sent home and if you do not wish your child to participate in the study, you will be asked to return the form to Mrs Michele Thornton, Executive Assistant, ASC. If you are willing for your child to participate, you will not be required to return the form. You are encouraged to discuss this research with your child prior to the information sheet and consent form being sent home.

Scholarship Fund official launch
The College will be holding the official launch of the Scholarship Fund on Friday, 23rd November at 8.00pm on the front lawn of the College. Wine and finger food will be served. The cost of the evening is $15 per head. Scholarship wine will be available for purchase via order forms available on the night or on the website.

Please register your interest by 5.00pm Friday 16th November with Rachel McMahon at Reception.

FROM THE HEAD OF COLLEGE
With the imminent closure of St Joseph's at Perthville, Bishop Richard Hurford approached Bishop Patrick Dougbery of the Catholic Diocese to offer assistance in a spirit of ecumenical support. An initial offer was made for some St Joseph's girls to board at All Saints’ whilst still attending Mackillop for their classes. Negotiations are still in the very early stages between Mr Steven Todd, Principal of Mackillop, Sister Mary who is in charge of St Joseph’s and I. I will endeavour to keep you informed of any developments.

Dear parents and friends, please find below the breakup of the profit made on the various stalls at this year’s Spring Fair. You will see there is also included the 2006 figures for comparison. Again, well done everyone and many thanks for your hard work. Leigh Tindall, Spring Fair co-ordinator.

P&F Sponsorship

For several years the P & F have provided sponsorship to students within the school who are chosen to represent the STATE in their chosen sporting field. The P & F sponsorship of $500.00 helps to offset costs for uniforms and travel.

To receive this sponsorship your child is required to complete a form, stating the area of achievement and a brief outline of the levels achieved prior to selection to State level.

If your child has been chosen to represent a sport at State level a form is available either through their Head of House or at Reception. The form should be completed and sent to the P & F Secretary via the School. The P & F meet twice a term.

If you have any questions regarding sponsorship please contact Anne Clifton at oaklea1@westnet.com.au

School of St Jude

There has been considerable interest in my new venture for next year and for those parents who are interested I have received some new brochures which are available from Mrs Keogh in the Junior School office. The school website is of particular interest and well worth a visit at: www.schoolofstjude.co.tz

I also have copies of the book titled “St Judes – A girl from Guyra, a school in Africa and the patron saint of hopeless causes!”. This book, a great read, retails at $32.95 but is available from the office for only $25. Please call in and pick up your copy.

The Assistant Head of College – Senior School, Mr Stewart Ross, has made available, through a mutual friend at Qantas, over 200 blankets for the new boarding houses being built at the school. These blankets are being delivered, to a shipping container leaving Brisbane, by the kind assistance of an All Saints parent, Mr Charlie Hall. This wonderful support is very much appreciated.

I am also aware that the farewell function for Mrs Bidwell and I is planned as a significant fundraiser for the school for which we are both extremely grateful, as will be the School of St Jude. Thank you.

JR Bidwell

## Match report All Saints’ 1st XI

All Saints 1st XI passed their first real test in their 2nd division campaign with a hard fought win over St Pius X at Watson Oval on Saturday.

After winning the toss and electing to bat on a slowish wicket, All Saints’ lost 2 early wickets to be in trouble at 2/22. A steady partnership of 65 between Ryan Smiles (61) and Scott Bell (20) got Saints’ back into the match. Another partnership of 60 between Smiles and David Schwab (25) set the platform for what should have been a score around 200, but the innings fell away and All Saints’ had to settle for a total of 9/161 after 50 overs.

Accurate bowling and early wickets to Smiles and Andrew McDougall put pressure on the St Pius middle order and they never really recovered, although some wayward bowling in the middle of the innings allowed a score of 111.

Chief wicket taker was Bell 3/42.

3 other bowlers took 2 wickets including Smiles 2/15, Cameron Dean 2/2 and Andrew McDougall 2/12.

Next week All Saints’ have the bye followed by Stannies at Stannies.
