FROM THE ASSISTANT HEAD OF COLLEGE (SS)

HSC EXAMINATIONS
The HSC examinations start today with most students attempting their first examination tomorrow – English. This can be a trying yet exciting “right of passage” for students as they complete their formal schooling. We wish them all the best. I ask all other students to avoid making any noise around the Performing Arts Centre for the next few weeks.

LADAKH – INDIA
It was disappointing that I missed the all the formal activities at the end of last term when I was overseas attending the opening of a kindergarten school I have been associated with in a remote valley in Himalayan India. I thank Ms Williams for the opportunity to see this project to completion. By all accounts the Benefactors’ Service, Prefects’ Induction and Valedictory Dinner were superb occasions. I am particularly interested in initiating a similar overseas trip with a community based project to All Saints’ College in the future.

SUMMER UNIFORM.
Most students have returned wearing their summer uniform with pride. Well done! I am impressed that nearly all long sock are pulled up yet there are some shoes in need of a clean and some haircuts needed. I will be asking the Prefect body to concentrate on monitoring all aspects of uniform this term.

Thought: We must learn to live together as brothers or perish together as fools.
Martin Luther King

Vaccinations: HPV
NSW Area Health will return to ASC on Friday, 26th October, to administer the HPV vaccine. The vaccinations will take place in the clinic at 9.30am.

FROM THE CHAPLAIN
It is good to be back for the last term. I would like to have the Boarder’s Chapel on Monday and Tuesday of this coming week, as I will be in Canberra on the weekend to remember a member of my family who died 90 years ago in the First World War battle of Ypes.

I have much planned for this term’s Chapels: in particular, for our Junior School I will be doing the narrative of how the Gospel made its way from Bethlehem to Bathurst.

At work, Paul
