The Crawford-Smith family is once again running the Sydney Bridge Run to raise money for Can Too. This is an organization that grants money to scientists researching aspects of cancer. All Saints’ College has helped in the past with donations as well as sponsorship. If you would like to help this cause, see Dan or Katie or look at the web site www.can.too.org.au.

ISA ATHLETICS
A team of 70 athletes represents the college at the ISA Carnival at Homebush yesterday. Ms. Williams and Mr. Gardner reports that the team represented our school with distinction. The senior Williams and Mr. Gardner reports that the team the ISA Carnival at Homebush yesterday, Ms. Williams and Mr. Gardner are all placed in the finals of their respective categories. Good luck.

ACIES COLOURS AND HONOURS
We have just received confirmation that the following students have been awarded colours from Independent Coeducational Association of Schools. Kate Kennett, Amelia Burke, Molly Bright for Hockey, Chantel Hodson and her mother Reece for Golf and James West and Meg Bailey for Cross Country. Molly and Chantel are also the proud recipients of Honours (similar to a sporting “Blue”) for achievements in their chosen sport. Congratulations.

NSW VET AWARDS
As Revelations goes to press we are eagerly awaiting the outcome of the Minister of Education Vocational Education Training awards in Sydney. All Saints’ College. All King and Mr. Hughes are all placed in the finals of their respective categories. Good luck.

Thought: A successful person is one who can lay a firm foundation with the bricks that others throw at him. David Brink

Vaccinations: Hep B & HPV
NSW Area Health will return to ASC on Tuesday, 25th September, to administer the 2nd dose of the Hep B vaccinations to Year 7s (and a few others) and the third dose of the HPV vaccine to Year 10-12 girls (for cervical cancer). Consent forms for the 2nd dose of Hep B have been sent home. The original consent form for HPV included all doses of the vaccine so Year 10-12 girls will not need to supply another form for this. Hep B signed forms must be returned to Reception by the 25th. Students can bring them with them on the day. Faxed consent is only accepted at the Nurses’ discretion, so is not advisable.

Year 12 girls will go straight to the Performance Centre following Roll Call. Year 11 & 10 girls will be called from class as needed. Year 7 and other Hep B recipients (aside from any Year 10-12 girls who can receive both vaccines when they present for the HPV) must go to the Performance Centre straight after Recces.

Only students who received the previous doses of these vaccines will be vaccinated. Year 10-12 girls who received their 2nd HPV dose late should not attend on the 25th, but will receive their final dose at the College Clinic during the first week back in Term 4. The date and time for this will be advised later.

Spring Fair thank you
A big big BIG thankyou to parents, teachers, students and friends of All Saints’ College who made this year’s Spring Fair such a success. It looks as if our profit will be up on last year and I will be able to give more accurate figures shortly. It was great to see the school community working together and enjoying itself. Leigh Tindall,

(Closed 10.30 – 11am and 1 – 2pm)
A scholarship at CSU. What have you got to lose?

As the HSC looms and the year 2008 fast approaches it is time you assessed your study options at Charles Sturt University.

Have you thought about applying for a scholarship to help you into your first year of study? There are a huge range of scholarship options to provide financial assistance for people who wish to study through CSU.

Scholarship selection is not only based on academic achievement. Other criteria include motivation to succeed, commitment to school, university or community life, or residence in a particular area.

The Charles Sturt Foundation operates an extensive scholarship program for those undertaking study at CSU. The Charles Sturt Foundation has assisted more than 2000 on campus and DE students to complete their studies.

In addition, CSU has approved the allocation of AUS$3.25 million over three years (2006 – 2008) for the purpose of providing equity scholarships to assist students from disadvantaged groups to study at CSU. These scholarships are valued at AUS$2000 for one year and are available to full-time on campus Commonwealth supported (i.e. HECS-HELP) students — whether new or continuing — who can demonstrate financial hardship.

CSU students can also apply for a wide range of industry-related and special scholarships. These vary across campuses and are available for different courses or career areas across all faculties.

FROM THE CHAPLAIN

We have counted the World Vision 40 Hour Famine money, congratulations $1285 was raised?

This Sunday is a Boarders’ Chapel at 11am. We are preparing for the Benefactors’ Service on Thursday, September 27th.

Soccer Presentation Dinner

6:30pm at Lamplighters on Monday, 24th September
Players, partners and family welcome
$30/head
Pre-pay at Reception by 18th September

Principal’s Report Entry Program (PREP)

Want to get offered a university place before your Year 12 results are available? Charles Sturt University’s Principal’s Report Entry Program (PREP) is open to students like you who live and have completed their schooling in the university’s region. A successful PREP application means you get an offer of a place in your chosen course in the December early round. The offer is made on the basis of the information you provide:

• your NSW HSC Trial or Victorian CAT results
• a statement about why you want to study at CSU and why you think you’ll succeed
• your School Principal’s assessment of your performance.

Ask your School Principal or Careers Adviser for a PREP application form. PREP selection is competitive but if you’re a hard-working, consistent achiever at a school in the University’s region, you owe it to yourself to apply.

For further information on this scheme, visit www.csu.edu.au/study/ oncampus/prep or call 1800 334 733.

Thinking Dentistry? Think CSU 2009

As part of the government initiative to support our inland communities, federal funds have been allocated to CSU for the founding of a new School of Dentistry and Health Science.

The first student intake will be in 2009. This is an exciting opportunity for students like you to follow a challenging and exciting career pathway with excellent financial prospects, unparalleled job security and an opportunity to work for the betterment of regional communities. The new School will form part of a solution to the rural dental health crisis and is a perfect example of how CSU is responsive to the needs of inland NSW.

Preference for intake into the course will be given to students from rural areas, ensuring that we retain talented graduates where they are needed most.

A REMINDER

To all groups who use the Library as a meeting space. If groups associated with the school are requiring the Library as a meeting space, could you please make a booking by phoning 63327348 to avoid booking clashes.

Creative Showcase

Parents and Friends of the school are cordially invited to the inaugural Creative Showcase evening to be held in the Bickerdike Centre on Friday 21st September from 6-8pm. While students will have had an opportunity to view these projects during the school day on Friday, the evening will provide an opportunity for adults to witness some of the creative talents of our HSC students. Major works from English Extension, Design & Technology and Art will be displayed, while live performances of Dance, Drama and Music will showcase the creative talent of our students. Hospitality students will welcome and serve an arrangement of food. An array of junior Drama, Technology, Art and Information & Software Technology projects will also be presented.

N.B. For catering purposes we would ask for your co-operation in contacting Rachel at reception on Ph: 63313911 to indicate your attendance. The evening is free.

Weekly Revelations is distributed on Thursday afternoons to all senior school students. Items for inclusion should be submitted to Cherylene Anderson or Michele Thornton by Tuesday.

A copy of Weekly Revelations is available on the College Website: www.saints.nsw.edu.au
