**Weekly Revelations**

**FROM THE ASSISTANT HEAD OF COLLEGE (SS)**

**HSC CREATIVE SHOWCASE EVENING**

On Friday 21st September we will hold our inaugural HSC creative showcase evening. This night is for parents to come to the school and view some major works from HSC students from the D & T, Art, Drama and Dance faculties. Drink and nibblyes will make this a convivial evening. Look out for more details.

**INFLUENZA ‘A’**

We have been outlining in recent Revelations information on the influenza ‘A’ virus. We believe there has been a case reported in a school in Bathurst. Please be aware of the symptoms and contact your Doctor if unsure. We ask that you keep your son or daughter at home if they are experiencing any symptoms so they do not spread the virus.

**OPEN DAY**

Tomorrow is Open Day and parents and their friends are invited to attend the school from 12pm onwards to witness what happens in our learning community. I look forward to seeing many new faces on the day.

**SPRING FAIR**

A glorious day and a wonderful occasion! Thanks to the P&F, parents, staff and students that made the day a success. The variety of stalls and activities was superb and my only criticism was that I was 1 kg off winning “guess the weight of the Angus Bull”. I should have at least got a second prize!

*Thught: You must eat an elephant one bite at a time. African Proverb*

---

  - Yr 10 IST Excursion RE
- Tuesday 18 September
  - Musica Viva Concert
  - CIS Athletics
A scholarship at CSU. What have you got to lose?

As the HSC looms and the year 2008 fast approaches it is time you assessed your study options at Charles Sturt University.

Have you thought about applying for a scholarship to help you into your first year of study? There are a huge range of scholarship options to provide financial assistance for people who wish to study through CSU.

Scholarship selection is not only based on academic achievement. Other criteria include motivation to succeed, commitment to school, university or community life, or residence in a particular area.

The Charles Sturt Foundation operates an extensive scholarship program for those undertaking study at CSU. The Charles Sturt Foundation has assisted more than 2000 on campus and DE students to complete their studies.

In addition, CSU has approved the allocation of AU$3.25 million over three years (2006 – 2008) for the purpose of providing equity scholarships to assist students from disadvantaged groups to study at CSU. These scholarships are valued at AU$2000 for one year and are available to full-time on campus Commonwealth supported (i.e. HECS-HELP) students — whether new or continuing — who can demonstrate financial hardship.

CSU students can also apply for a wide range of industry-related and special scholarships. These vary across campuses and are available for different courses or career areas across all faculties.

Thinking Dentistry? Think CSU 2009

As part of the government initiative to support our inland communities, federal funds have been allocated to CSU for the founding of a new School of Dentistry and Health Science.

The first student intake will be in 2009. This is an exciting opportunity for students like you to follow a challenging and exciting career pathway with excellent financial prospects, unparalleled job security and an opportunity to work for the betterment of regional communities. The new School will form part of a solution to the rural dental health crisis and is a perfect example of how CSU is responsive to the needs of inland NSW.

Preference for intake into the course will be given to students from rural areas, ensuring that we retain talented graduates where they are needed most.

Spring Fair Raffle Winners

FIRST PRIZE: RUSSELL FAMILY.
SECOND PRIZE: TRINITY LA VELLE.
THIRD PRIZE: LEANNE SANDERS
FOURTH PRIZE: GLADYS KO
FIFTH PRIZE: KATE LA VELLE
SIXTH PRIZE: ROBYN BRODIE
