This performance is part of All Saints’ College music education program and builds on preparatory work done in the classroom. We would be delighted if you could come to the performance. There is no charge for parents/guardians and community members.

The cost for this concert is $5.50 and will be added to your child’s account. Transition to Year 8 students will be attending the concert.

Drawing on the music of Asia, Sirocco aims to express the concept of ‘Australia in Asia’ by producing dynamic eastern sounds with a distinctive Australian flavour.

Technology supports much of Sirocco’s repertoire, creating a dynamic blend of live and recorded pieces. This concert provides students with the opportunity to celebrate our diverse cultural heritage as well as sample a wide range of sounds and instruments.
