HOLIDAY ACTIVITIES
If you are in Year 7 and wondering what to do in the holidays, the Australian Fossil and Mineral Museum has a number of workshops. There is FANTASTIC FLIGHT: learn about the first creatures to take to the air and create your own flyer; FROZEN SCIENCE make your own snow and find out about Antarctica; and POP POP BOATS; make a classic science toy and a simple steam engine. Bookings essential: Ph 6331 5511.

BENEFACTOR’S SERVICE
The school has made a change to the Benefactors service last day of Year 12 on Thursday, 25th September. The service has been moved to the start of the day and a farewell to Year 12 has been combined in the program. This gives the whole school a chance to formally farewell the Class of 2008. Parents are encouraged to attend. More details will be available soon.

MOCK TRIAL
This week the All Saints’ College Mock Trial team travelled to Young to compete against St Francis Catholic College, Leeton in the 3rd Elimination round of the state competition. The case was a complex one as each team had to act as both the prosecution and defence.

We won the trial in a very close battle, 249-248 points. This was our seventh consecutive win and we are now waiting to find out who our opposition will be in the Quarter Final, which will be held in October.

ISA ATHLETICS RESULTS
Our Senior School competed in the ISA athletics carnival last Monday with many pleasing results. The Senior Boys were placed 1st, Intermediate Boys 3rd and Juniors in 4th place in Division 2. The combined results placed them 2nd behind St Stanislaus’. The Senior girls were placed 2nd behind Barker, Intermediate girls 3rd and Juniors 5th. These results placed them second behind Kinross in Division 1. Well done! We may have as many as 30 students representing the College at the next level – the CIS Carnival next week.

YEAR 7 OUTDOOR EDUCATION CAMP 2008
On the last day of this term (Thursday 25th September) there will be a gear check and packing session. Students are asked to bring all equipment on the list on that day in an overnight bag. The staff leaders going on camp will assist students in checking that they have all the appropriate equipment. The overnight bags will then be locked away for safekeeping until the beginning of camp. Any equipment missing will need to be brought in on the day the camp starts. Please note that the College will supply each student with a backpack, a japara (raincoat), a set of thermals, a pair of gaiters and a whistle. Please adhere to the Minimum Clothing and Equipment List supplied and ensure your child has everything on the list.

Next term, students are to meet at 9:00am on Tuesday 14th October in the school car park to enable roll marking and loading of luggage for a 9:15am departure to Dunns’ Swamp. This will ensure we arrive in time for lunch and have adequate time to prepare for the first activity in the afternoon. We plan to be back at school by 3:00pm on Friday, 17th October. Ian Ishister, Outdoor Education Coordinator

Story time at the Historical Museum

We are delighted to announce that Story Time at the Museum will be on again these holidays!

Toni Daymond is well-known for her story telling sessions in the City library and I know many parents and children will be excited to learn that she has agreed to present Story Time at the Museum on Wednesdays, 24th September and 1st October, at 10.30am for primary aged children.

The museum is in the East Wing of the Court House in Russell Street.

There will be interesting stories told about our past after a morning tea. Afterwards, there will be special activities.

Each session will go for two hours and parents are more than welcome to join in.

At a cost of $2 per child, this is a very affordable activity for families to consider for these holidays.

Sponsorship Our Cantoo Team in the
2008 Sydney Running Festival

On Sunday 21st September 2008 the Crawford-Smith family and friends are participating in the Sydney running festival.

We will be running as a team for Cantoo with three All Saints’ students: Camille Akon, Tim Field and Niamh Fingleton (and Daniel & Katie). We have done the run to raise funds for the last 4 years for research into cancer cures.

This year we are very proud to announce that we will be pushing one of our team members in a wheelchair either in the 9km bridge run or, if weather permits, the 21km half marathon run.

We would love to invite you to assist with our target to raise $5,000.

Raising this level of funding makes a significant contribution towards Cantoo research and allows us to direct the funds to specific research work. Cantoo is an amazing organization which has raised $2 million for Cure Cancer since its inception in 2004 (see www.cantoo.org.au).

What an achievement! You can be totally assured that money raised goes directly to fund cancer research. We have been lucky enough to meet some of the scientists that are making the breakthroughs in this research.

We would really appreciate your support and thank you in anticipation.

Yours Sincerely

Julie & Colin Crawford-Smith
