**MOCK TRIAL**

Last Friday All Saints’ Mock Trial team competed against Red Bend Catholic College from Forbes at Orange Court House in the first elimination round. The team consisted of Tom Nobes and Maddy Crowe as barristers, Sophie Jones as solicitor, Rebecca Cole and Laura Van Uum as witnesses and Hannah Armstrong as court officer. We were acting as the defence in a criminal prosecution where we had been charged with inflicting grievous bodily harm. We submitted that we had acted in self-defence and had not intended to hurt the victim. We did not convince the magistrate that we were frightened of our victim but the prosecution failed to prove that we had intended to harm her. We won the important skills side of the trial quite convincingly 249-234 points. The team now moves onto the second elimination round.

**SPRING FAIR**

Just a reminder that the Spring Fair is coming up, and you will find all details in flyers included in this newsletter. This will give your child unlimited access to all rides on the day, excluding the climbing wall. The climbing wall will be $4 per ride. We are looking forward to a great event!

**CAREERS MARKET**

A reminder that the Careers Market School from Monday, 18th August. This will give your child unlimited access to all rides on the day, excluding the climbing wall. The climbing wall will be $4 per ride. We have some fantastic new rides and there will be lots of excitement for the children! We are looking forward to a great event!

**FAST FACT**

It’s not just eating vegetables that comes in handy. Selling them could work in your favour too. The Leverhulme Trade Charities Trust offers bursaries of up to £3,000 a year to UK students who are the son, daughter, spouse, widow or widower of a grocer – or indeed a chemist or travelling salesman – and are in need of financial support.

**Thoughts:** We cannot hold a torch to light another’s path without brightening our own. Ben Sweetland
The Year 10 and 11 Careers Market will be on again Thursday, August 21 from 7pm in the Kemmis Centre.

FROM THE CHAPLAIN
Rev. Tony Card

‘Where can I go from your spirit? Or where can I flee from your presence?’ (Psalm 139:7 NRSV)

Like many I was shocked this week to hear of the death of Robin Williams. I was even more shocked to hear that he took his own life. I don’t spend much of my time reading entertainment news so I didn’t know about his battles with substance abuse and depression – I only saw the funny man, the highly talented actor who could make everyone laugh. He seemed to have it all but something was obviously missing.

Events like this can leave us questioning our own lives. Have we been successful?

What about our failures? Have we realised the dreams of our youth? In our darkest moments we can feel alone, questioning everything that we have done and everything that we are. Psalm 139, written by King David, speaks to these times. David was known not just for his successes but for his abject failures. As we read through the account of his life in 1 & 2 Samuel and his own writings in the Psalms we see a man who knew the heady heights of success but also knew the deepest, darkest depression. In verses 1-18 of Psalm 139 David reminds us of the attributes of God that can help us through the dark times; God knows who we are (v. 1-6), God pursues us (v. 7-12), God made us with intricate detail (v. 13-16a), and God has plans for us (v. 16b-18).

I encourage you to read and meditate on these verses and I am sure that you will come to the same conclusion that David did – that in God we find a loving Father who will be with us always – no matter what. With every blessing, Rev. Tony Card

Thought for the week: ‘I come to the end - I am still with you.’ (Psalm 139:18)

Operation Christmas Child – Are you in business?

Do you own a retail business or work in a business that is given or gives away promotional items? Then perhaps you could assist our Operation Christmas Child appeal. We need items like school items, solar powered calculators, children’s clothing, small toys, hygiene items, water bottles, sunglasses, craft kits, stickers and the like to help bring God’s love to a child. If you have stock that is being written off due to its age or damaged packaging, or promotional items like pens, water bottles etc then perhaps you would consider donating them. The more we get the more joy we bring.

MEN’S SHED SEWING MACHINE APPEAL

An appeal headed by Geoff Higgins from Dubbo Community Men’s Shed.

A few months ago the island of Leyte, in the Philippines, was devastated by typhoon Yolanda. As a result of the typhoon many people in Leyte have lost their livelihood. This is particularly true of coconut growers, because all the coconuts have been stripped from the trees.

An organization called Livelihood Integrated Support Organization, based in the city of Ormoc, headed up by Roberto Martinez, is trying to get typhoon victims back on their feet and provide them with a means of supporting themselves. (Roberto is a personal friend of Geoff Higgins). Sewing machines would be of great value to the organisation, and they will take as many sewing machines as they can get.

Due to its age or damaged packaging, or promotional items like pens, water bottles etc they would be of great value to the organisation, and they will take as many sewing machines as they can get.

As well as distributing sewing machines, Roberto is already holding classes to instruct people in the use of sewing machines.

Dubbo Community Men’s shed is inviting people to donate sewing machines. In Bathurst machines can be left at All Saints’ College.

Two men from Dubbo Community Men’s Shed, Colin Brown and Allan Parker, will be checking the donated machines to make sure they are in working order before they are dispatched.

For more information, or to book, call PCYC Bathurst on 6331 2191.

Please bring your gift to chapel.
“Innovative Snacks” for Year 7 Technology students

One of the Year 7 Technology classes has been developing an “Innovative Snack” product this semester. Students were required to modify an existing recipe or develop their own to create a new product. Food Product Development is a very competitive sector of the Food Industry with new product flavours, textures, shapes and creations continually being developed.

This unit of work enabled students to challenge their creativity with food design and develop some basic skills in food preparation.

Dear parents

Years 3 and 4 are running this year’s garden stall at the Spring Fair – and we need your help! This year we would love to source **Pots of Colour** – they’re a great seller.

**There are a few things you can do to help**

1. For those with a green thumb, we would love you to **pot up some cuttings** ready to sell at the Fair.
2. You could **purchase a large punnet of flowering annuals very soon, and re-pot each individual plant into a small pot**. Pansies and petunias are especially good and inexpensive.
3. You might like to **purchase cheap, low quality stock from the nurseries**. A quick trim back and a dose of seasol will bring them back to life.
4. If your thumb isn’t so green, you can make a **monetary donation** and we will purchase punnets of flowers and pot them up (please send in money in an envelope and mark it Attention: Sarah O’Neill).

**What do I do with the plants?**

Please bring them to the Fair on the day, OR bring them in to the Year 3 or 4 classrooms as soon as you have them ready - we will take them home and tend to them.

Thank you for your support.

If you have any question please contact one of us.

Children are amazing! They master most of their speech and language skills in their first five to six years of life. Many children around the world become competent communicators in more than one language. However, some children have difficulty with speech and language, regardless of the number of languages they speak. Communication is a basic human right, and it is important to facilitate children’s communicative capacity. This presentation will offer a world tour of the research undertaken during Professor McLeod’s four-year Australian Research Council Future Fellowship. Insights will be provided about supporting children’s communication based on her work with Indigenous and non-Indigenous Australians, as well as with children from Vietnam, Fiji, Turkey, Zambia, Hong Kong, Germany, US, Iceland and many other countries. Audience members are encouraged to bring their smart phones, tablets, or laptop computers to access online resources during the presentation.

About Professor McLeod:

Professor Sharynne McLeod is the professor of speech and language acquisition within the Research Institute of Professional Practice, Learning and Education at Charles Sturt University and a senior researcher in the Excellence in Early Years Education Collaborative Research Network. She is an elected Fellow of both the American Speech-Language-Hearing Association and Speech Pathology Australia and is the Vice President of the International Clinical Phonetics and Linguistics Association. Professor McLeod’s research foregrounds the right of everyone (particularly children) to participate fully in society.

We recognise that you have more to offer than your academic results. Our Early Achievers’ Program is open to school leavers and non-school leavers and considers the contribution you have made to your community through your school or workplace, local community organisation, cultural and/or religious group.

Eligibility Requirements

You are eligible to apply for EAP if you are enrolled in Year 12 and/or are a non-recent school leaver (not currently enrolled in Year 12), if you:

• Can demonstrate involvement in your community, such as sustained and regular voluntary contribution to your school, church, local community, sporting or cultural organisation;
• Select the ACU course you have applied for on your EAP application as one of your preferences on your TAC application;
• Have undertaken the relevant Year 12 prerequisite subjects for your chosen degree OR have undertaken studies or prior learning which enable you to satisfy specific entry requirements for your chosen degree.
• Receive a minimum ATAR (or equivalent OP/Rank*) of 70.00 for Law, Law dual degrees and Physiotherapy, 65.00 for Occupational Therapy and Speech Pathology degrees or 58.50 for all other ACU degrees.

*Refer to the 2015 QTAC Guide Year 12 results conversion tables.

THE BENEFITS

One of the biggest benefits of the program is that successful applicants receive an offer well ahead of the usual tertiary admissions announcements.

EAP applicants will need to have completed the relevant prerequisite subjects for their course and achieve the University’s minimum eligibility requirements.

The Application Process

1. Apply for admission for an ACU course through your tertiary admissions centre (QUTAC, VCAT or UAC).
2. Prepare your community service statement ensuring you have accurate email contact details for the referees you nominate to support this statement. Complete the ACU EAP online application prior to the closing date.
3. Watch your email in late November for further information.

“I’m really glad I got accepted based on who I am, not the score I got on my Year 12 results. I volunteered as a netball coach, at a church and at Edmund Rice camps for disadvantaged children and families, so I think it’s great that they recognised me for these attributes. In coming to university, I know that I’m putting myself in a good position for the future. University is not just about coming to learn, it’s about developing yourself as a person.”
