CONDOBOLIN MEET & GREET
I will be travelling to Condobolin tomorrow, Friday, for our annual Meet and Greet. This is a slight deviation from the past as it is not tied into the show as that was on last week. This is a great opportunity to showcase the school for prospective parents and to catch up with current parents. I thank in particular, Sarah Wrigley and Orlana Butt for trying to raise awareness of this activity within the community.

EARLY ENTRY AND UAC
A number of universities provide an early entry scheme to some courses with CSU and UNE being two such institutions. Two representatives from CSU came to school last week. One Senior team Year 9 and one Open’s team Year 11. Special mention goes to the Middle Team of Year 8 who won all their Preliminary rounds in the Central West against, Kinross, Orange Anglican, Blue Mountains and The Scots School. This team of Sophie Hines, Anna Van Heekeren, Paxton Hewitt, Declan Duncan-Keeene and Charlie O’Neill went on to the Finals of the Preliminary round against Wollondilly. They won this round and then went to the Quarter Finals against Moriah College in Sydney. The topics at this level are impromptu and the teams are given the broad area before the day and on the day given the topic and an hour to prepare. The topic in the Quarter finals was ‘That tourism to Antarctica should be banned and we were the negative. Despite some very solid arguments and a very high standard of debating, Moriah just clinched the debate. However, Charlie O’Neill had won the overall best speaker of the Preliminary rounds across all the areas and he goes to receive his award on the Grand Final day in Sydney. This is indeed a great achievement as is the achievement of the whole debating team. Thank you to all who helped coach, transport and assist in the organisation and thank you to Mrs Kay Murray and Mrs Kristine Christian for their assistance over the year.

FAST FACT
Homework - do you love it or hate it? Parents, educators and early childhood experts seem to fall into two very distinct camps on the topic of homework. However you feel, homework is bound to be a part of your child’s school life. Australian seven-to eight-year-olds spend an average of 954 hours in the classroom annually, according to the OECD Education at a Glance 2009. Australia is one of the highest of the OECD countries and excludes time spent on homework. In the last 15 years or so, setting homework for primary school students has become a wider practice – but whether young children should have to do homework is regularly and widely debated. Last week we discussed how sin had changed the world and ruined the image of God within us. This week we have the words of the Apostle Paul reminding us what the image of God looks like. We see it in the person of Jesus Christ. If we are to regain the image of God then we need to look to Jesus for inspiration and example.

Thought for the week: ‘And you who were once estranged and hostile in mind, doing evil deeds, he has now reconciled in his fleshly body through death, so as to present you holy and blameless and irreproachable before him’ (Colossians 1:22, NRSV)

He showed love to and acceptance of all people regardless of their background. He spoke with the Samaritan woman at a time when Samaritans were hated by the Jews. He forgave prostitutes and adulterers. He called tax collectors to follow him. He healed the Roman centurion's child, even though Rome had invaded his country. He even healed the ear of one of his captors when it had been cut off by Peter. Jesus didn’t accept the sin that these people had committed but he did accept the person. His act of going to the cross for us exemplifies his love for sinners. His life was defined by the command to love your neighbour as yourself.

As we try to regain God’s image in our lives we can learn from and follow the example of Jesus - to have a committed relationship with God and to love all regardless of where they are from and what they have done.

With every blessing,
Rev. Tony Card

MEN’S SHED SEWING MACHINE APPEAL

An appeal headed by Geoff Higgins from Dubbo Community Men’s Shed.

A few months ago the island of Leyte, in the Philippines, was devastated by typhoon Yolanda. As a result of the typhoon many people in Leyte have lost their livelihood. This is particularly true of coconut growers, because all the coconuts have been stripped from the trees.

An organization called Livelihood Integrated Support Organization, based in the city of Ormoc, headed up by Roberto Martinez, is trying to get typhoon victims back on their feet and provide them with a means of supporting themselves. (Roberto is a personal friend of Geoff Higgins). Sewing machines would be of great value to the organization, and they will take as many sewing machines as they can get.

As well as distributing sewing machines, Roberto is already holding classes to instruct people in the use of sewing machines.

Don't panic, attend the ESSAY WRITING WORKSHOP!

Date: Monday 8th September
Time: Lunchtime
Bring: Takeaway lunch, pen, paper
RSVP: Mrs O’Neill LLC
s.oneill@staints.nsw.edu.au (02) 6332 7331

Dubbo Community Men’s shed is inviting people to donate sewing machines. In Bathurst machines can be left at All Saints’ College.

Two men from Dubbo Community Men’s Shed, Colin Brown and Allan Parker, will be checking the donated machines to make sure they are in good working order before they are dispatched.

Dear parents

Years 3 and 4 are running this year’s garden stall at the Spring Fair – and we need your help! This year we would love to source **Pots of Colour** – they’re a great seller.

**There are a few things you can do to help**

1. For those with a green thumb, we would love you to **pot up some cuttings** ready to sell at the Fair.
2. You could **purchase a large punnet of flowering annuals very soon, and re-pot each individual plant into a small pot**. Pansies and petunias are especially good and inexpensive.
3. You might like to **purchase cheap, low quality stock from the nurseries**. A quick trim back and a dose of seasol will bring them back to life.
4. If your thumb isn’t so green, you can make a **monetary donation** and we will purchase punnets of flowers and pot them up (please send in money in an envelope and mark it Attention: Sarah O’Neill).

**What do I do with the plants?**

Please bring them to the Fair on the day, OR bring them in to the Year 3 or 4 classrooms as soon as you have them ready - we will take them home and tend to them.

Thank you for your support.

If you have any question please contact one of us.

Sarah in Belgium: “I really loved the orientation in Brussels, I had such a fun time. My host family were really welcoming of me and have kept me distracted for the first few weeks, which has helped a lot. In fact, I've barely felt homesick compared to what I was preparing myself for! The students were all very excited to have an Australian around that they could speak English with! During classes I mostly do French worksheets that they have given to me, or try to translate the worksheet that the rest of the class is focusing on.”

Early Bird Special!

WEP is offering students in years 9 to 12 (excluding year 12 in VIC) a $500 discount off the 2014/15 program fee towards a semester or year program to any of the following countries departing in July - September 2015: Brazil, Belgium, France, Germany, Italy, Mexico, The Netherlands, Poland, Spain, Norway, Thailand or the USA.
