ASC to support house fire victims

You have probably heard about the two devastating house fires in Bathurst in January. In separate incidents the Mark family and Demanuel family both lost their homes and much of their possessions. Both families also had members, including children, who were burnt in the fires. These families both have connections to our school in that they are members of the Cathedral parish that we too are part of. They need help as they rebuild their lives.

Our College will be providing financial assistance; the chapel collections for Term 1 will be shared between them. The Senior School Prefects and Junior School SRC are both planning fundraising events as well. I encourage you to support these endeavours as much as you are able. Please remind your child to bring some money to their chapel service each week and support the other efforts.

Let’s make a difference. Rev. d Tony Card

Class parents for Senior School are urgently needed for all years. Please contact Catherine Garment on 0408 650 394. Class parents are the contacts for your year for organising volunteers for the up and coming Festival of Art and Spring Fair

Jesus said, “Love your enemies and pray for those who persecute you.” (Matthew 5:44, NRSV)

Have a close look at the picture. It is quite confronting. We see Jesus walking along a road with a German officer from WW2…and He is not just walking with him but He is carrying the officer’s pack and rifle. Most of us would consider the officer to be our enemy, the enemy of God’s people, and the enemy of God. But Jesus isn’t like that and he doesn’t want us to live like that either.

It is a difficult task for us to love those who are our enemies; after all they wouldn’t be our enemies if we loved them! The world tells us that we should hate them, we should demand that they be crushed and pay for their cries against us, however as Christians we are called to be different to the rest of the world. We are to shine out into the world. We are not to conform to the ways of the world but are instead to live a life that brings about change in people…one person at a time. It is often only when we walk the extra mile with someone that we gain the credibility and authority to speak to them about our life and our faith.

One of my favourite artists is Garth Brooks. In his song ‘The Change’ he sings about challenges of standing up against the world. I find the chorus motivating:

And I hear them saying you’ll never change things
And no matter what you do it’s still the same thing
But it’s not the world that I am changing
I do this so this world will know
That it will not change me

There is of course danger as we do this. Sometimes we will be the lone voice shouting into a howling wind. Sometimes it will be costly. We only have to look at the life of Nelson Mandela to appreciate the costs of standing up against the crowd. We need courage to live the Christian life and it is in Jesus that we find the courage we need.

With all the blessings of Christ, Rev. Tony Card.

Thought for the week: “…and if anyone forces you to go one mile, go also the second mile.” (Matthew 5:41, NRSV)
Agriculture has hit the ground running in 2014 with an increase in enrolments for the subject and a number of new activities starting up to ensure that Term 1 provides plenty of opportunity for students to try something new.

The new Year 7 class has taken stock of day old chickens and each student has been allocated a chick to care for and monitor for the rest of the Term 1.

Years 9 and 10 have stocked the Aquaculture ponds with yabbies which we are hoping to hook them up to the hydroponics system that has also been planted out. Both these classes have also established vegetable gardens and have enjoyed the great rains of the last week.

Both Senior and Junior classes have benefited from the dissection of a chicken digestive system and in the photo above it looks like Gabby Elias looks as if she is particularly enjoying the experience.

The Cattle Team has started up again for both the Senior and Junior School and all students are welcome to come along after school on the off sports days.

Finally, the Bathurst Show Society is hosting another Steward Training Day to be held at the showground on Saturday, 1st May 2014. Anyone aged 12 and over is welcome to attend and join this enthusiastic group of keen young agriculturist who will all perform official duties at the show in May.

Any enquiries for any of these activities can be directed to Mark Whitfeld.
