EARLY ENTRY

Southern Cross University has advised that its STAR program for Early Entry has opened for 2014 online registrations. More information can be found online at http://scu.edu.au/futurestudents/index.php/29. Note the closing date for this is Wednesday, 10 September 2014, as I will then have time to make comments on behalf of the school. Similarly, students will need to see Mrs Sanders about early entry to other institutions. Applications have changed. Some Universities have combined and have UAC as an agency for them. Nevertheless, please be aware of closing dates as I have to make comments on behalf of the College.

AICES NETBALL

Neive Roebuck and Lucy Hobson attended the AICES netball carnival as part of the WAS team last term. They played 6 games on the day, winning 5 out of the 6 placing their team 2nd overall for the day, which was a great achievement as all the teams were very tough. Lucy was selected to trial as possibles and probables for the next level and was lucky enough to be selected as first reserve for the AICES team, in the position of Centre, to compete at the CIS carnival in August. Well done girls.

BOARDING

There is a Boarding P&F meeting this Saturday, 26 July 2014. A get-together has been organised on Saturday night where all are welcome. Please see the below.

LEADERSHIP SEMINARS

Following the close of applications from Year 11 for Leadership, the first of our seminars will take place this Sunday, 27 July 2014 at 3pm. This will be followed up with another next Monday, 28 July 2014 after school.

SCHOOL PHOTO’S

School Photos have arrived and have been distributed to the students. I think on a dreadfully foggy morning they look wonderful, I am sure you will agree. The family photos & student ID cards are a nice addition to our school photos. The student ID cards will be used within the library, if students have not collected these they can be collected from the Library.

Day and boarding families all welcome.
FROM THE
CHAPLAIN
Rev. Tony Card

"Do not fear, or be afraid; have I not told you from
of old and declared it? You are my witnesses! Is
there any god besides me? There is no other rock;
I know not one." (Isaiah 44:8 NRSV)

In the last week of the holidays we heard about
the disappearance of 5 year old Chayce Kofe
in Shellharbour. The media has reported that the
old Casey-lee Hull in a street racing accident at
the surf on the Central Coast. The weekend
news reported the senseless death of 17 year
in the surf on the Central Coast. The weekend
in the surf on the Central Coast. The weekend
on. One of the uplifting aspects of these tragedies is the
way in which people are turning to God in their grief.
St. Mary's Cathedral was full to overflowing on Sunday.
Vigils have been held around the country to remember
the friends of these people who are experiencing. I might be able
to explain these and other events as being the result of
choices made by the people involved or by others, but
in doing so I would sound weak and stiff, and can bring
little comfort or satisfactory explanation.

We are so fortunate that we have a God who loves
us and on whom we can turn to. We were reminded
of this in Sunday's reading from Isaiah quoted
above.

We want to know why these bad things happen. We
want answers. We want justice. We want the evil
ones removed from the world. But in last Sunday's
gospel reading (Matthew 13:42-43) Jesus reminds us
that this is not our job, but his. And it will be accomplished in time.
The weeds will grow among the wheat but they won’t have a place with
him in eternity, when ‘the righteous will shine like
the sun in the kingdom of their Father.’ (Matthew
13:43)

I cannot give you the answers to the why
questions…I can’t find them myself. But I can give
you the answer to the how. How do we deal with
these tragedies? We put our trust in the one
who has overcome death, the one who has promised
that that trust will be rewarded with a perfect
eternity. ‘Let anyone with ears listen!’ (Matthew
13:43) With every blessing, Rev. Tony Card

A group of Year 7 students studying Agriculture as a part of the Technology programme have just completed the design of a chicken meat recipe and cooked it up in a Masterchef style competition in class.

Having done the same with eggs last term, the students have been exposed to the “paddock to plate” concept of food production in the poultry industry. Students have once again enjoyed raising their chickens from ten days to 12 weeks of age and will soon take them home or sell them off to raise money for the Agriculture Department.

Meanwhile Year 11 Agriculture students enjoyed a farm study tour of “Melkiyana” at O’Connell as a part of the preliminary Agriculture studies. It was a cold day but hugging a camel warmed things up! This tour exposed the class to the beef cattle production system in the local area.

The school has once again signed up for the Steggles and Hyline Chicken Competition for Sydney Royal Show in 2015. Year 9 and 10 will begin preparation of laying and meat birds for this exercise next term. Students this year enjoyed visiting the chickens they had prepared at the 2014 Sydney Royal Show, although the farewell was sad for some.

Term 3 will also be a busy one for the Year 9 and 10 classes on account of the Cows Create Careers Programme sponsored by Dairy Australia. We adopt five dairy calves next week which we will raise for the remainder of the term in an effort to gain experience relevant to the dairy industry. Mark Whitfeld

Do you have students considering a rewarding career in Hotels, Event Management, Hospitality, Tourism or Business and interested in completing a Bachelor of Business in Hotel Management?

The Hotel School Sydney (THSS) opens its doors to students, families and friends for their annual OPEN DAY Saturday 13 September 2014.

Held at our Teaching and Learning campus at 60 Phillip St Sydney with the focus on providing information on our Bachelor of Business in Hotel Management degree program, our facilities and application and enrolment details.

OPEN DAY 2014 will bring lecturers, current and graduated students together to discuss the degree with potential and interested students and parents along with answering questions associated with studying at THSS.

The benefit of having current and graduated students present is valuable as they are all employed by various hotel organisations in Australia and comfortably discuss work and university life.

Register your attendance now and meet with our friendly students and staff during OPEN DAY to discuss study options, student life, fee help, career opportunities, university expectations and more.

We are accepting applications for our October 2014 session and we offer early acceptances into our February 2015 session.

There are now only two weeks until Bond University’s scholarship applications close online!

The program offers a large number of full fee and part fee scholarships as well as cash bursaries to Australia’s best and brightest students. Most scholarships can be used for any single or combined program (with the exception of Bachelor of Medicine Bachelor of Surgery). Students wishing to apply for a scholarship must complete an online application form at www.bond.edu.au/apply by July 31.

Below are some words of encouragement to share with your students, from a couple of our current scholarship recipients:

**Phoebe Whitnall**
SCEGGS Darlinghurst, NSW
Scholarship Recipient

I found out about Bond’s Scholarship Program through my career’s advisor at school. The application process was simple and I found the NSW Manager for Schools and Community incredibly helpful with all my enquiries and their passion and enthusiasm for Bond gave me great confidence. Of all the Universities I had contact with, Bond was by far the most encouraging and welcoming. My advice to students thinking of applying for scholarships would be to go for it. It is definitely one of the best decisions I’ve ever made!

**Hannah Duncan**
Darling Downs Christian School QLD
Scholarship Recipient

The application and interview process to Bond was much easier then I anticipated. The communication between Bond was admirable and I was constantly kept up to date with necessary information. Beginning the first semester was great! Admittedly I was quite nervous because I didn’t know anybody but everybody, staff and students, were so friendly and helpful making settling in so much easier.

**Oscar Davis**
Varsity College, Gold Coast QLD
Scholarship Recipient

Studying at Bond University is like nothing I’ve ever experienced before. Having partaken in student for semester programs in other universities around the Gold Coast, I thought I knew what I was in for when I came to the Bond Open Day. I was so surprised to walk in the University to see so many areas to study quietly and research. Class sizes are small enough to maximise teacher-student interaction, even in my lectures it’s often me among a maximum of thirty others! The best part, knowing that I will come out of University a whole year earlier thanks to the accelerated degrees.

More information about the scholarships available this year can be found at www.bond.edu.au/scholarships. Alternatively, please contact me, the Excellence Program Coordinator, on 07 5595 1067 or email scholarships@bond.edu.au.
