**HEAD OF SENIOR SCHOOL**
Mr Stewart Ross

**EARLY ENTRY**
Southern Cross University has advised that its STAR program for Early Entry has opened for 2014 online registrations. More information can be found online at http://scu.edu.au/futurestudents/index.php/29. Note the closing date for this is Wednesday, 10 September 2014, as I will then have time to make comments on behalf of the school. Similarly, students will need to see Mrs Sanders about early entry to other institutions. Applications have changed. Some Universities have combined and have UAC as an agency for them. Nevertheless, please be aware of closing dates as I have to see Mrs Sanders about early entry to UAC.

**AICES NETBALL**
Neive Roebuck and Lucy Hobson attended the AICES netball carnival as part of the WAS team last term. They played 6 games on the day, winning 5 out of the 6 placing their team 2nd overall for the day, which was a great achievement as all the teams were very tough. Lucy was selected to trial as possibles and probables for the next level and was lucky enough to be selected as first reserve for the AICES team, in the position of Centre, to compete at the CIS carnival in August. Well done girls.

**BOARDING**
There is a Boarding P&F meeting this Saturday, 26 July 2014. A get-together has been organised on Saturday night where all are welcome. Please see the below.

**LEADERSHIP SEMINARS**
Following the close of applications from Year 11 for Leadership, the first of our seminars will take place this Sunday, 27 July 2014 at 3pm. This will be followed up with another next Monday, 28 July 2014 after school.

**SCHOOL PHOTO'S**
School Photos have arrived and have been distributed to the students. I think on a dreadfully foggy morning they look wonderful, I am sure you will agree. The family photos & student ID cards are a nice addition to our school photos. The student ID cards will be used within the library, if students have not collected these they can be collected from the Library.

Friends of Rugby - Donations of Cakes and Slices

All Saints’ College is hosting Redlands College on Saturday, 26 July. This is our last home game of the season and we are expecting a big day with the Sideline Café and BBQ in full swing again!

We would really love donations of cakes, cupcakes and slices for the Sideline Café and we appreciate everything you can contribute. We receive wonderful feedback from our visiting schools on the way we support the players and parents with great food and hot/cold drinks.

**FRIENDS OF RUGBY – THANK YOU**
Friends of Rugby would like to thank very much all the wonderful volunteers and BBQ chefs who gave up their time and energy to support the Sideline Café during our 2014 rugby season. We also had lots of delicious donations that were enjoyed by the many patrons of the Café. All your hard work has made this rugby season a great success.

**Group Photos** - If your child or children are involved in other school groups you may be interested in purchasing these extra group photos (Groups that will be included are: House, Boarding, OBU & Prefects). These photos can be viewed & purchased online at www.advancedlife.com.au, you will be required to enter our school access code WF9AVXLNR. These will then be delivered to the school and collected by the children. This reduces the need for the school to collect and handle the extra payments.

**FAST FACT**
Go! Fight! Win! We are the mighty mighty … Banana Slugs? That’s right, the mascot of University of California at Santa Cruz is the banana slug, resident mollusc of the redwood forest. This slimy creature was originally intended to be a joke of sorts. But, in 1980, when the chancellor thought that a sea lion was a more worthy mascot, the student body were finally able to adopt Sammy the Slug as their official mascot.

**Thought:** The art of leadership is saying no, not yes. It is very easy to say yes. Tony Blair

 ’Do not fear, or be afraid; have I not told you from old and declared it? You are my witnesses! Is there any god besides me? There is no other rock; I know not one.’ (Isaiah 44:8 NRSV)

In the last week of the holidays we heard about the disappearance of 5 year old Chayce Kofe from Shellharbour. The media has reported that the disappearance of 5 year old Casey-lee Hill in a street racing accident at Shellharbour. The last report said that the disappearance of 5 year old Casey-lee Hill in a street racing accident at Shellharbour. The media has reported that the disappearance of 5 year old Casey-lee Hill in a street racing accident at Shellharbour.

Vigils have been held around the country to remember the family of these people. Vigils have been held around the country to remember these people. Vigils have been held around the country to remember these people. On 15 August, the world was shocked by the shooting down of MH-17 over Ukraine and the loss of 298 people. Perhaps most depressing in these incidents is the high number of children who are among the victims. Lives are cut short. Promises go unfulfilled.

I don’t know about you but I feel more than a little helpless when I hear and read about these events. I can’t begin to understand the grief that the family and friends of these people are experiencing. I might be able to explain these and other events as being the result of choices made by the people involved or by others, but in doing so I would sound weak and stiff, and can bring little comfort or satisfactory explanation.

All I can do is what thousands are doing around Australia and the world right now. I turn to God. Not to find answers to the question of why these things happened, but to find the answer to the question of how do we go on. One of the uplifting aspects of these tragedies is the way in which people are turning to God in their grief. St. Mary’s Cathedral was full to overflowing on Sunday. Vigils have been held around the country to remember lives lost. Tonight’s news showed a simple but moving church service in Ukraine in the village near the crash site.

We are so fortunate that we have a God who loves us and on whom we can turn to. We were reminded of this in Sunday’s reading from Isaiah quoted above. We want to know why these bad things happen. We want answers. We want justice. We want the evil ones removed from the world. But in last Sunday’s gospel reading (Matthew 13:24-30, 36-43) Jesus reminds us that this is not our job, but his. And it will be accomplished in time. The weeds will grow among the wheat but they won’t have a place with him in eternity, when ‘the righteous will shine like the sun in the kingdom of their Father.’ (Matthew 13:43)

I cannot give you the answers to the why questions…I can’t find them myself. But I can give you the answer to the how. How do we deal with these tragedies? We put our trust in the one who has overcome death, the one who has promised that that trust will be rewarded with a perfect eternity. ‘Let anyone with ears listen!’ (Matthew 13:43) With every blessing, Rev. Tony Card

A group of Year 7 students studying Agriculture as a part of the Technology programme have just completed the design of a chicken meat recipe and cooked it up in a Masterchef style competition in class.

Having done the same with eggs last term, the students have been exposed to the “paddock to plate” concept of food production in the poultry industry. Students have once again enjoyed raising their chickens from ten days to 12 weeks of age and will soon take them home or sell them off to raise money for the Agriculture Department.

Meanwhile Year 11 Agriculture students enjoyed a farm study tour of “Melkiyana” at O’Connell as a part of the preliminary Agriculture studies. It was a cold day but hugging a camel warmed things up! This tour exposed the class to the beef cattle production system in the local area.

The school has once again signed up for the Steggles and Hyline Chicken Competition for Sydney Royal Show in 2015. Year 9 and 10 will begin preparation of laying and meat birds for this exercise next term. Students this year enjoyed visiting the chickens they had prepared at the 2014 Sydney Royal Show, although the farewell was sad for some.

Term 3 will also be a busy one for the Year 9 and 10 classes on account of the Cows Create Careers Programme sponsored by Dairy Australia. We adopt five dairy calves next week which we will raise for the remainder of the term in an effort to gain experience relevant to the dairy industry. Mark Whitfeld

There are now only two weeks until Bond University’s scholarship applications close online!
The program offers a large number of full fee and part fee scholarships as well as cash bursaries to Australia’s best and brightest students. Most scholarships can be used for any single or combined program (with the exception of Bachelor of Medicine Bachelor of Surgery). Students wishing to apply for a scholarship must complete an online application form at www.bond.edu.au/apply by July 31.

Below are some words of encouragement to share with your students, from a couple of our current scholarship recipients:

**Phoebe Whitnall**
SCCGS Darlinghurst, NSW  
Scholarship Recipient

I found out about Bond’s Scholarship Program through my career’s advisor at school. The application process was simple and I found the NSW Manager for Schools and Community incredibly helpful with all my enquiries and their passion and enthusiasm for Bond gave me great confidence. Of all the Universities I had contact with, Bond was by far the most encouraging and welcoming. My advice to students thinking of applying for scholarships would be to go for it. It is definitely one of the best decisions I’ve ever made!

**Hannah Duncan**
Darling Downs Christian School QLD  
Scholarship Recipient

The application and interview process to Bond was much easier than I anticipated. The communication between Bond was admirable and I was constantly kept up to date with necessary information. Beginning the first semester was great! Admittedly I was quite nervous because I didn’t know anybody but everybody, staff and students, were so friendly and helpful making settling in so much easier.

**Oscar Davis**
Varsity College, Gold Coast QLD  
Scholarship Recipient

Studying at Bond University is like nothing I’ve ever experienced before. Having partaken in student for semester programs in other universities around the Gold Coast, I thought I knew what I was in for when I come to the Bond Open Day. I was so surprised to walk in the University to see so many areas to study quietly and research. Class sizes are small enough to maximize teacher-student interaction, even in my lectures it’s often me among a maximum of thirty others! The best part, knowing that I will come out of University a whole year earlier thanks to the accelerated degrees.

More information about the scholarships available this year can be found at www.bond.edu.au/scholarships. Alternatively, please contact me, the Excellence Program Coordinator, on 07 5595 1067 or email scholarships@bond.edu.au.
