**JEANS FOR GENES**

Tomorrow is Jeans for Genes Day. This is a national day when people wear their jeans to raise much needed funds for research into birth defects and diseases such as cancer, epilepsy, and a range of genetic disorders. On the first Friday in August each year workplaces, schools and streets become a sea of denim in a united stance against childhood disease. Every dollar raised on the day helps scientists at Children’s Medical Research Institute discover treatments and cures, to give every child the opportunity to live a long and healthy life. ASC will be participating tomorrow. Students must wear Jeans and a “free choice” of suitable clothing for the rest of their torso.

**HICES MUSIC**

The Heads of Independent Co-Educational Schools Music Festival Concert celebrates the culmination of a three day music camp involving over 350 students and 50 teachers from HICES schools in metropolitan and regional New South Wales. Next week 13 students from ASC have been selected from an audition process (X Factor style) to participate in this event that rotates every two years between Senior School participants and Junior School participants. Hopefully, I may be able to make the concert in the Town Hall next Wednesday night.

**EARLY ENTRY**

I have made mention before that the process for Early Entry for some Universities has changed. Some applications are now submitted “online”. In most cases I have to make some comments and recommendations and as this is the last step, I have to do the submitting. Please be aware of closing dates – I have already had a few students conscientiously forward me their applications.

**FAST FACT**

Exercise is important in promoting health and preventing premature death. However, it is not uncommon for exercise participants to be injured. Most injuries are not severe with 1 sport and exercise related hospitalisation for every 10 emergency admissions and 12 general practice consultations. Hospitalised injuries tend to be more severe and costly than other injuries. Hence, while hospitalised sports injuries are small as a proportion of all sport injuries they warrant attention. There were 43,452 sports and recreation related hospitalisations in the 2002–2003 financial year in Australia. This was 0.7% of total hospitalisations. The greatest number of sports and recreation related hospitalisations was in the 0–14 year age group with 14,218 hospitalisations - 73.9% of sports and recreation related hospitalisations occurred in males but there were a greater number of females (15 years and over) participating in sports and recreation. Football had the highest number of hospitalisations with 12,600, with 3,944 of these due to Australian football and 3,270 due to soccer. There were 2,799 watersports and 2,725 sports and recreation cycling related hospitalisations.

Thought: - Failure is just another way to learn how to do something right. Marian Wright Edelman
when he appeared in the person of Jesus this was the form of a human body. We also recognise that visibly to men in the Old Testament, He did so in a form in which He wished to reveal Himself. God gave humankind the intellectual ability which was and is far superior to that of any animal. We have a mind capable of hearing and understanding God’s communication with us, emotions capable of responding to Him in love and devotion, and a will which enables us to choose whether or not to obey God. We are equipped, not only to ‘love God and obey Him for ever’, but also to do God’s work on earth. Our intellectual gifts are further seen in our creative abilities, our appreciation of beauty, our scientific discoveries, our ability to organise, reason, take decisions, be self-conscious, and to think abstractly. This is not just instinct, for we can do far more than the animals.

Humankind has a spirit or God-consciousness, a capacity for knowing God and holding spiritual communion with Him through prayer, praise, and worship. Since the Fall (Genesis 3), humankind has had an inborn moral awareness of good and evil, or conscience, which we perceive in our spirit.

God’s social nature and intrinsic love is seen in the Trinity. God, who is love, created man with a social nature and a need for love.

With all of these characteristics we may wonder why we sch evil in the world and why we don’t all do what God wants us to do. The short answer is found in Genesis 3. Through the first sin of Adam & Eve we have all become tainted. We have lost the full benefit of the divine properties that were given to us. Thankfully through Christ we have the way forward, the way that our nature can be restored, and so we gather around Him, the source of light and life.

With every blessing, Rev. Tony Card

Thought for the week: ‘For now we see in a mirror, dimly, but then we will see face to face. Now I know only in part, then I will know fully, even as I have been fully known.’ (1 Cor 13:12)

(This article was adapted from http://creation.com/made-in-the-image-of-god#txtRef9)

Operation Christmas Child

Our Operation Christmas Child programme is off to a great start with a good pile of soft toys. Next week we are collecting school items. Of course, you can still bring in something to love or pack a full box. Thank you for your generosity in supporting this programme.

Barista Course

Would you like to learn how to be a Barista? The All Saints’ P&F with Fish River Roasters are looking at holding a Barista Course at All Saints’ and we are seeking expressions of interest in attending. If you would like to learn the skill of Barista, could you please contact Jayne Miller on 0429 914 073 with your name, preferred afternoon and time.

It has been some time since writing an update from the Office of the Registrar and 2014 is just flying past. Since last writing, many successful major events have been attended by representatives of the College including the Wagga Wagga and Narrabri Boarding Schools Expos and the Mudgee Small Farm Field Days. These events are always interesting affairs and offer an opportunity to meet with many delightful families from across the state who are interested in the College for the education of their children. It is always an added pleasure to meet many OBU members of the vast All Saints’ community who regularly stop by and regale us with stories of boarding school life in the 1930s and 40s at Saints’.

The round of social and community events continues this week with Dr Miller hosting an informal afternoon tea at Mudgee and on Saturday next 2nd August, our Head of College will be at the Nyngan Ag Expo. If you or your friends will be attending the Ag Expo, please drop by for a chat.

Looking ahead:
- Thursday, 14 August from at 4.00pm: Dr Miller will host an afternoon tea at Young. This event will be held at Mullino Bar and Grill (located next to KFC).
- Friday, 29 August from 7.00pm: Mr Stewart Ross Head of Senior School will host a social event at the Railway Hotel at Condobolin.

If you or your family and friends would like to attend either of these events at Young or Condo, please contact Kathryn Parnell on 6332 7309 or email kath.parnell@saints.nsw.edu.au.

A note about College enrolments:
All Saints’ College is continuing to attract strong enrolments across the school and many of our year groups are currently at or approaching wait-listing. This trend is now occurring earlier in the academic year. If you or your family and friends are interested in enrolling a child at the school in the near future (from Pre-K to Year 11) I strongly advise an early submission of the enrolment form which is available from this office. Applications can be submitted at no cost and will be date-stamped and treated in strict order of receipt. Applications will also secure a place on the wait-list should the chosen year group become fully subscribed.

Over recent weeks we have welcomed to the College a number of new students: Hannah Nobes (Cowra) Year 9 boarding, Caroline Morris Year 10 day student and in the Junior School, Anisha Gill to Year 3 and Aveer Gill to Year 5.

Michael Hissey
The Head of Watson House, Mr Brad Allen, cordially invites you to join your son and attend the Watson House Senior Formal Dinner. This dinner is to celebrate the association we enjoy as members of the Watson House Family and to farewell Year 12.

The Parents’ and Friends’ Association is grateful for the very generous donation of prizes from the All Saints’ Community and Bathurst Businesses.

Tickets will be sent home with students’ and can be returned back in the envelope provided with money to Leonie Keogh in the Junior School office prior to the Fair. Tickets are 3 for $5 and can also be purchased on the day at the Spring Fair.

Extra tickets will be available for collection from Reception.

The Raffle will be drawn at the Spring Fair on Sunday 14th September at 2pm. Winners may collect prizes from the Spring Fair or will be notified by telephone.

A big thank you to those businesses who donated prizes.
CALLING ALL PARENTS & FRIENDS
TO SPONSOR STALLS AT THE SPRING FAIR!!!!

Families and friends have a great opportunity to sponsor a stall at the Spring Fair this year.

This is a great opportunity if you are not a business, to have your family’s name as a sponsor for one of the stalls!

You can sponsor any amount above $100 and this will go towards paying for the goods for the stall.

Your families name will appear as the sponsor for the specific stall.

We already have some families who have put their hands up to sponsor a stall!!!!

Grab a friend or other families and sponsor one of these stalls:

- HOT CHIPS STALL
- HOOPLA STALL
- LOLLIES STALL
- GARDEN STALL
- CHOCOLATE WHEEL & COIN TOSS
- PAVLOVA STALL
- BBQ
- HAUNTED HOUSE
- FACEPAINTING STALL
- DUNKING MACHINE STALL

If you would like to be a sponsor of one of these stalls, please contact Kristie Thorne (encoredrama@bigpond.com or 0414 722 545) or Belinda Didsman (bjdidsman@bigpond.com 0413 707 306) as soon as possible.
The P&F still have boxes of Cadbury Chocolates available for fundraising.

So far the Junior School alone has made over $5864.00 from selling chocolates.

Please help by selling a box to your family and friends.

**Cost is $60.00 per box or $2.00 per chocolate.**

Please collect your box of yummy chocolates from Lizzy Moller in the Uniform Shop or phone 6332 7303.

Thank you to all those families who have already purchased a box.
2014 Annual Spring Fair

Sunday
14th September 2014
10am-3pm
Safer Drivers Course for young learner drivers

Preparing you for your P's

Become a safer driver and earn 20 hours of bonus log book credit by enrolling in a Safer Drivers Course.

Monday 18th August 4pm-7pm
To Book:
Ph: 6330 1400 or email cevans@skillset.com.au
Skillset
341 Havannah St Bathurst

Fantastic opportunity and only $140 for 20 log book hours
Do you have students considering a rewarding career in Hotels, Event Management, Hospitality, Tourism or Business and interested in completing a Bachelor of Business in Hotel Management?

The Hotel School Sydney (THSS) opens its doors to students, families and friends for their annual OPEN DAY Saturday 13 September 2014.

Held at our Teaching and Learning campus at 60 Phillip St Sydney with the focus on providing information on our Bachelor of Business in Hotel Management degree program, our facilities and application and enrolment details.

OPEN DAY 2014 will bring lecturers, current and graduated students together to discuss the degree with potential and interested students and parents along with answering questions associated with studying at THSS.

The benefit of having current and graduated students present is valuable as they are all employed by various hotel organisations in Australia and comfortably discuss work and university life.

Register your attendance now and meet with our friendly students and staff during OPEN DAY to discuss study options, student life, fee help, career opportunities, university expectations and more.

We are accepting applications for our October 2014 session and we offer early acceptances into our February 2015 session.

We look forward to welcoming your students!

There are now only two weeks until Bond University’s scholarship applications close online!

The program offers a large number of full fee and part fee scholarships as well as cash bursaries to Australia’s best and brightest students. Most scholarships can be used for any single or combined program (with the exception of Bachelor of Medicine Bachelor of Surgery). Students wishing to apply for a scholarship must complete an online application form at www.bond.edu.au/apply by July 31.

Below are some words of encouragement to share with your students, from a couple of our current scholarship recipients:

**Phoebe Whitnall**  
**SCEGG’s Darlinghurst, NSW Scholarship Recipient**

I found out about Bond’s Scholarship Program through my career’s advisor at school. The application process was simple and I found the NSW Manager for Schools and Community incredibly helpful with all my enquiries and their passion and enthusiasm for Bond gave me great confidence. Of all the Universities I had contact with, Bond was by far the most encouraging and welcoming. My advice to students thinking of applying for scholarships would be to go for it. It is definitely one of the best decisions I’ve ever made!

**Hannah Duncan**  
**Darling Downs Christian School QLD Scholarship Recipient**

The application and interview process to Bond was much easier than I anticipated. The communication between Bond was admirable and I was constantly kept up to date with necessary information. Beginning the first semester was great! Admittedly I was quite nervous because I didn’t know anybody, but everybody, staff and students, were so friendly and helpful making settling in so much easier.

**Oscar Davis**  
**Varsity College, Gold Coast QLD Scholarship Recipient**

Studying at Bond University is like nothing I’ve ever experienced before. Having partaken in student for semester programs in other universities around the Gold Coast, I thought I knew what I was in for when I came to the Bond Open Day. I was so surprised to walk in the University to see so many areas to study quietly and research. Class sizes are small enough to maximize teacher-student interaction, even in my lectures it’s often me among a maximum of thirty others! The best part, knowing that I will come out of University a whole year earlier thanks to the accelerated degrees.

More information about the scholarships available this year can be found at www.bond.edu.au/scholarships. Alternatively, please contact me, the Excellence Program Coordinator, on 07 5595 1067 or email scholarships@bond.edu.au.
Apprentice - Diesel Technician

If you enjoy working with farm machinery and/or have an interest in mechanics then we encourage you to apply for our full time Diesel Technician Apprenticeship.

Work will commence straight away with a 6 to 12 month orientation in our parts department, then move to the workshop to commence the mechanic apprenticeship in 2015 / 2016.

The successful applicant will require the following minimum attributes:

- Shows initiative and desire to learn
- High level of attention to detail and accuracy
- Shows natural mechanical aptitude
- Problem-solving and analytical ability
- Proactive, punctual and reliable
- Attitude focused on customer service
- Excellent work and business ethics
- Effective communication skills
- Able to work in a team
- Friendly, helpful and polite

This is an excellent opportunity in the Agricultural Industry with a successful Dealership focused on its customers and staff.

Position description available on request call Ray Watson on 0400 473 111

Applications emailed to Ray Watson, Service Manager - service@3rm.com.au

All applications will be held in the strictest of confidence.
