WINTER UNIFORMS
Second Term is approaching fast so I must remind all parents and students about having correct winter uniform for Term 2. In particular all students need blazers to be worn to and from school and at our first assembly on the first teaching day. Mrs Lizzy Moller in the Uniform Shop is there to take orders and help with fittings.

YEAR 12 EXAMINATIONS
Year 12’s were issued with their examination timetable last week and should be well into their organised study regime. A reminder that Mrs O’Neill in the ILC can help with individual programs. Year 12’s have permission to be at home when not scheduled for an examination.

PARENT HELP REQUIRED
Some Year 12 students will require a scribe to help them write their Half Yearly Examinations next week. Some are catered for but we need more volunteers. If you can spare the time we would be most grateful – it is not an onerous task, but all volunteers will need to have applied for a new Working With Children clearance number which needs to be provided to Mrs Felicity Challita prior to the examination. Monday, 24 March 2014 from 8:55am to 11:00am one parent and Friday, 28 March 2014 from 8:55am to 11:00am two parents.

Thought:- Teachers are an open door, but you must enter by yourself. Anon

Raising money for cancer research
A group of Year 8 and 9 students spent their weekend raising money for cancer research by walking 9 (in relays) for 17 hours around the Bathurst showground. They raised approximately $2500 by sponsorship and a chocolate coin toss game during the relay.

They should be commended for their dedication and enthusiasm, especially in the wee small hours of the morning.
Jesus said to her, 'Everyone who drinks of this water will be thirsty again, but those who drink of the water that I will give them will never be thirsty. The water that I will give will become in them a spring of water gushing up to eternal life.' (John 4:13, NRSV)

This Sunday’s Gospel reading (John 4:4-42) tells the story of the woman at the well, one of the more familiar stories from John’s Gospel. It is a long reading filled with learning for us, but I will focus only on three things.

In this recount we find Jesus and his disciples travelling through the region of Samaria. They stop near a village and the disciples leave Jesus at the well while they go to buy lunch. A Samaritan woman comes to the well to collect water and a conversation takes place between the woman and Jesus in which Jesus reveals himself to her as the Messiah. The woman then tells others in the village about him, and Jesus and his disciples stay in the village for two days.

The first area of focus is what Jesus teaches us about who his message of forgiveness and relationship is for. The Samaritans had been in a long running dispute with the Jews that had lasted hundreds of years. They were essentially enemies. So Jesus spending time in this region is teaching us that the good news of Christ is for everyone. He breaks down the barriers of race and culture.

Second, we have the conversation between Jesus and the woman. In the male dominated culture of the time men and women only spoke to each other if they had an existing relationship. Men would not just speak to women to make conversation. So Jesus speaking with a woman (and a Samaritan woman at that) was scandalous. Again Jesus is teaching us that His message is not bound by social convention.

Third, we learn again of the transformation of lives that a relationship with Jesus brings about. The transformation in this woman was a life changing experience. She discarded the life of sin she was leading and turned to Jesus. She then repented and her life was turned around for the better.

Jesus tells the woman, ‘Everyone who drinks of this water will be thirsty again, but those who drink of the water that I will give them will never be thirsty. The water that I will give will become in them a spring of water gushing up to eternal life.’ (John 4:13, NRSV)

OPEN DAY AND EXPO 2014
The season of morning mists in Bathurst signifies once again that it’s time for the All Saints’ College Open Day. Last Friday afternoon (14th March), despite a threatening storm, a glorious autumn afternoon saw a large number of new parents and their children exploring the College. A new format for this event featuring an “All Saints’ Expo” was well received by visiting families who found the 10 information stations most useful. Held in the Kemmis Building, for the first time it was possible for families to target specific aspects of College life and to seek relevant information from key members of staff. Visitors also enjoyed tours assisted by College Prefects and Junior School Captains exploring both the Junior and Senior School facilities. The afternoon was complete with ongoing music performances and afternoon tea on the lawn to the strains of jazz with Mr Jon Clipsham and vocalists Sarah Morris (Year 12) and Baden Sinclair (Year 11). A sincere thanks to all of the many students and staff from across the school (and especially to Mrs Parnell from this office), whose willing contributions made the All Saints’ Open Day and Expo 2014 such a resounding success.

All Saints’ Year 7, 2015

Applications have been mailed this week and should be returned to the Office of the Registrar by Friday, 28 March. (NB No enrolment fee is payable for continuing students). There has been a great deal of interest in enrolment for Year 7, 2015 so please encourage any friends or family who are considering All Saints’ College for Year 7 next year to lodge an application as soon as possible.

Runner-up in Scholarship Award
In November last year, Gabrielle Elias was nominated by ASC Agriculture as a contestant for the Norman Lethbridge Scholarship Award.
She was one of six (chosen from 40 plus) agricultural students asked back for an interview in late February this year.
The award recognises school aged students committed to the Agriculture industry and offers a variety of awards for the successful applicants.
Gabrielle was questioned on her thoughts and understanding of climate, livestock exports and her achievements academically, especially in agriculture, as well as sporting achievements and any other personal successes.
Gabrielle was awarded runner up in the competition which will be presented to her at the Sydney Royal Easter Show during the Angus Cattle Judging Competition. This is a great achievement. If you are an Agriculture student you should consider applying for this award in the future. Applications are made through Mr WHITFELD who will make a general announcement when nominations are next due later in the year.
