HEAD OF SENIOR SCHOOL
Mr Stewart Ross

SPEECH AND DRAMA
Well done to Claudia Cunningham who performed in the Gulgong Eisteddfod last week. Claudia had some fantastic results: 4 x 1st places, 3 x 2nd places, 3 x 3rd places, 2 x Highly Commended. She was awarded Highly Commended in the 12 Yrs & Under Speech Championship and also awarded the Encouragement Trophy for 12 years.

MOCK TRIAL
On Wednesday, 28 May 2014 All Saints’ College Mock Trial team competed against James Sheahan Catholic College in the third round of competition. The team consisted of Tom Nobes and Maddison Crowe as barristers, Sophie Jones as solicitor, Rebecca Cole and Laura Van Uum as witnesses and Jeremy Innes as court officer. The case was a criminal prosecution involving the charge of larceny. We acted as the Defence in a case where Rebecca, a recent lottery winner, had been charged with shoplifting some cosmetic items from Woy Woy K-Mart store. Despite losing the legal case we won the more important skills side of the mock trial, 123-118 points.

CWA PUBLIC SPEAKING
The CWA Public Speaking was held at All Saints’ yesterday with many students from the local region attending. Congratulations to Charlie O’Neil who won his section and Sophie Chirgwin and Lucy Vance who received Highly Commended. A thank you to Mrs Margaret Gaal and her band of helpers who arranged the catering.

HICES DEBATING
HICES debating was held at All Saints’ last week for schools in our “zone”. The Year 8s and 9s had wins while Bradley Gardiner and Tom Nobes were selected as one of the top three performers in their divisions.

PARENTS: - BELT YOUR SONS’
Of course I mean this type of belt
Not this type of belt.

There are numerous students without belts in their trousers. Not only do they help pants to stay up but also assist in making sure shirts remain tucked in. Suitable black belts are available at the Uniform shop if you cannot purchase them in town.

Thought: The aim of education should be to teach us how to think, rather than what to think. James Beattie

Jesus said to them, ‘Come and have breakfast.’ (John 21:12, NRSV)

We continue looking at the post-resurrection appearances of Jesus, this week in John 21:1-14. Jesus had told the disciples to meet him in Galilee. While they waited for him, Peter decided to go fishing. Peter and the other disciples got into a boat and off they went. They spend the whole night fishing yet caught nothing.

The disciples had fished all night and caught nothing. Jesus knew they had a need; they had no food. Jesus met their need and told them where they would catch fish. The disciples had tried all night to accomplish things on their own but as soon as they had Jesus’ word they had success. We too can try to accomplish things in our own power but we will never know true success until we are doing what Jesus wants us to do. We can do all things through Christ.

Another interesting aspect of this story is that they were doing what they knew best. Peter had been a fisherman his entire life, so he should have been an expert. How difficult it must have been for him to have ever tried to do anything apart from Jesus, in your own strength? It often turns out we don’t run smoothly. The disciples learnt the hard way that without Jesus we can do nothing, however we can do all things through Christ.

After the disciples had fished all night and caught nothing Jesus knew they had a need; they had no food. Jesus met their need and told them where they would catch fish. The disciples had tried all night to accomplish things on their own but as soon as they had Jesus’ word they had success. We too can try to accomplish things in our own power but we will never know true success until we are doing what Jesus wants us to do. We can do all things through Christ.

Another interesting aspect of this story is that they were doing what they knew best. Peter had been a fisherman his entire life, so he should have been an expert. How difficult it must have been for him to take instruction from an amateur when he is an expert? Sometimes our pride gets in the way of the things God wants to do in our lives. But for us to really learn valuable spiritual lessons we need to experience humility.

Jesus showed that despite their lack of faith he still accepted the disciples by asking them to eat with him. He was ready to forgive them and include them in his ministry. Even though we may turn away or ignore him, Jesus is always ready and willing to take us back and include us in his plans.

We need to trust God’s word and know that what he says is going to happen will indeed happen. When Jesus asks us to do something we need to be confident that he will give us whatever we need to do it. We can do all things through Christ.

With all the blessings of Christ, Rev. Tony Card.

Thought for the week: “For I can do everything through Christ, who gives me strength…” (Philippians 4:13, NLT)

DUBBO BOARDING SCHOOLS’ EXPO 2014 AND MEET and GREET

Recently All Saints’ College was represented at the Dubbo Boarding Schools’ Expo 2014. This proved to be a most useful forum for our regional families to assess the suitability of schools for their children. The Expo in the Dubbo Regional Convention Centre on Friday 16 and Saturday 17 May attracted a large number of enquiries from families, many of whom were visiting for far-lung centres like Broken Hill and Wallgett. Many ASC current and past friends and associates also popped in for a chat at the All Saints’ booth. In the wake of the Dubbo Boarding Expo Dr Miller hosted a follow up Twilight Information Afternoon Tea in Dubbo this week. These meetings are a vital way of ensuring that our amazing school maintains a living presence in these regional communities. They provide an essential service to our families who are making the ‘big decisions’ about schooling for their children.

YEAR 7 2015 INFORMATION EVENING

Last Thursday evening 22 May saw the Year 7, 2015 Information Presentation in the Kemmis Building. The event attracted record numbers with in excess of 140 mums, dads and children in attendance. Whilst the 55 incoming Year 7 students were getting to know each other in group fun activities, Mr Ross and a number of key staff gave the Mums and Dads excellent presentations on the “Stepping in Year 7” programme. My thanks to the many staff who willingly gave up their evening to assist and especially to Assistant Registrar, Mrs Kath Parnell for organising this key event.

COMING EVENTS

The round of promotional and information events continue for the College as the year rushes past us all. Please note these dates in your diary and suggest them to friends and family:

- June 13 and 14: Wagga Wagga Boarding Schools’ Expo to be held at the Kyeamba Smith Hall at the Showground, Bourke Street.
- July 11 and 12: Mudgee Field Days 2014
- July 25 and 26: Narrabri Boarding Schools’ Expo to be held at The Crossing Theatre, 117 Tibbereena Street.

ENROLMENTS AND PRE-K 2015

As the enrolments at the College steadily increase, being placed on a waiting list for entry can be unsettling for families. To avoid disappointment, a reminder to any who are considering enrolment of their children at All Saints in the near future to please ensure that an application for enrolment has been submitted to the office of the Registrar. Please encourage any families known to you who are considering enrolling their child in the All Saints’ Pre-Kindergarten classes for 2015 to get in touch. Interviews for the 2, 3 and 5 day groups have now commenced. A note of sincere welcome to new student Donovan Hansell in Year 1.

Impressive effort by Under 17 soccer team

All Saints’ U17 soccer team made a magnificent effort with a near win against Eglinton in the game of Saturday, 24 May 2014. Play began with a strong intercept by Liberty Smith.

Lily Wright has shown herself to be a natural goalie with two successive saves. Karla Terry proved adept in kicking in and shutting down the opposition. The team showed impressive team work. With one of her accurate kicks, Mollie Gorman returned the ball down to the home side, assisted by constant chasing and pressure by Melissa Whitfeld and fast footwork by Lauren Selmes. Teagan Miller, assisted by Peta Morris kept up the pressure, stealing the ball and making a near goal.

As the action returned to the Saints’ side, Lily Wright made another impressive save. Good defensive work was done with kick outs by Liberty and Lauren. It was the turn of Clare Foster to impress as a forward with the first ASC goal. As the first half approached, Saints’ defence kept the ball away from the goal. However, when repeated opposition attacks were made, Lily Wright made one of the best performances of the game, with three successive saves.

Teagan Miller, assisted by Peta Morris kept up the pressure, stealing the ball and making a near goal. As play returned to the Saints’ end, Lily Fischer-Brown made a superlative chase, stop and kick back up the field. Lauren brought down to the opposition goal where the action stayed. The first half finished with a magnificent goal by Rebecca Vann, an U15 team player, playing especially with the senior team.

The second half began with Clare, now in wing, making an amazing run down from the home side, right down to the opposition goal, with skilful footwork, following this up with a strong attempt to put the ball out. Peta, an excellent team member, pressured the ball out. Pressure by Jacque and Liberty helped set Lauren up for a near goal. The third All Saints’ goal was made by Teagan. As play moved up and down the field, Saints’ and Eglinton were equal. As Eglinton took their third goal, Jacque gave her all with impressive pressure and footwork. As the game finished, with a win by one point to Eglinton, Lily polished off her performance with yet another impressive save.
